HIS SONS ILL

Josephus Daniels Forced to Drop Work for Wilson by Typhoid in His Family.

Raleigh, Oct. 1.—Josephus Daniels, head of the Wilson publicity bureau and editor of the Raleigh News and Observer, has been forced to return to North Carolina by typhoid fever.

His sons, Worth and Frank, although they have been ill only a few days, are critically so and make doubtful the return of Daniels to New York during the campaign. In addition to his interest in the publicity department of the national campaign, Mr. Daniels is national committeeman.

Amusements

TUESDAY, OCT. 2.

"45 Minutes from Broadway."

WEDNESDAY, OCT. 3.

"45 Minutes from Broadway."

THURSDAY, OCT. 4.

"Della Clark in 'Introduce Me.'"

"Forty-Five Minutes from Broadway."

Never before has Miss Hazelle Burgess had a part more admirably adapted to her abilities than that of "Mary," the servant girl, in George M. Cohan's successful and brilliantly entertaining play with music, "Forty-Five Minutes from Broadway," which Latimore and Leigh produce at the Auditorium on October 3 and 4. Miss Gordon's two song numbers, "Mary is a Grand Old Name," and "So-Long, Mary," both of which are written in Mr. Cohan's most characteristic vein, are so capably rendered as to make them features of the performance.

Bert Leish will be seen in the famous role of "Kid Burns," a slinky retired prize fighter, with a first class cast and production.

Della Clark in "Introduce Me."

If there was a play, bright and harmonious in colors, pure in its every theme and moment, and true in tone to the last of its text, it is the new comedy, "Introduce Me," which comes to the Auditorium on Friday, October 10, written by the talented young author, Della Clarke. Miss Clarke has scored a number of successes both as an author and an actor, but this, her latest achievement, is regarded as the best of her career. Miss Clarke will appear in a dual role in the comedy, in which she is supported by a capable company of players, among whom are Luella Smith, Mattie Neville, Harriet Kingston, Pauline Woodward, P. S. Whitman, Gordon de Maine, G. S. Payton and William Barber.

DANGER PERIOD OF WOMANS' LIFE FROM 45 to 50

Interesting Experience of Two Women—Their Statements Worth Reading.

Asheville, N. C.—"I suffered for years with female trouble while going through the Change of Life. I tried a local physician for a couple of years without any substantial benefit. Finally after repeated suggestions to try Lydia E. Pinkham's Vegetable Compound, I quit my physician and commenced using it with the happiest results. I am today practically a well woman and anxious to contribute my mite towards inducing others to try your great medicine, as I am fully persuaded that it will cure the ailments from which I suffered if given a fair chance.

"If you think this letter will contribute anything towards further introducing your medicine to afflicted women who are passing through this trying period, it is with great pleasure I consent to its publication."—Mrs. JULIA A. MOORE, 17 East St., Asheville, N. C.

The Case of Mrs. Kirlin. Circleville, Ohio.—"I can truthfully say that I never had anything do me so much good during Change of Life as Lydia E. Pinkham's Vegetable Compound. 'Before I had taken one half a bottle of it I began to feel better, and I have continued taking it. My health is better than it has been for several years. If all women would take it they would escape untold pain and misery at this time of life.'—Mrs. ALICE KIRLIN, 358 W. Mill St., Circleville, Ohio.

The Change of Life is one of the most critical periods of a woman's existence. At such times women may rely upon Lydia E. Pinkham's Vegetable Compound.
