## A New Course to Be Taught at the Asheville Business College.

Salesmanship and Business Efficiency is the New Course to be taught at the A. B. C. This course is to begin as soon as possible. It will be given separately from the other courses. It has been taught in the north five years. The A. B. C. is the first in this state to adopt this course. It is exceedingly beneficial and interesting. All the books have come and we would be glad to have you call and let us explain to you what the course really is. HENRY S. SHOCKLEY, 203-3t Principal.

## NOTICE

Notice is hereby given by the mayor and board of aldermen of the city of Asheville, as required by law, that the city engineer has made a survey and filed his report in the office of the city clerk, showing the amount of work done and the cost thereof in the matter of paving and otherwise improving on Furman avenue, from the intersection of College street, and on Chestnut street from the intersection of Furman avenue 154 feet west, in said city, and also showing the name of each abutting owner thereon, the number of front feet of each lot and the pro rata share of cost of such street improvement to be assessed against such real estate. And notice is hereby further given that at the first regular meeting of the said board of aldermen, to be held after the expiration of ten (10) days from this date, said board of aldermen will consider said report and if no valid objections be made thereto the same will be adopted and approved by said board and the liens and assessments of said board of said street improvement will then become complete and operative. Asheville, N. C., Sept. 20, 1912. L. W. YOUNG, City Clerk.
