

ELDERLY FOLKS! CALOMEL, SALTS AND CATHARTICS AREN'T FOR YOU.

Harmless, Gentle "Syrup of Figs" Is Best to Cleanse Your Stomach, Liver and 30 Feet of Bowels of Sour Bile, De-caying Food, Gases and Clogged-up Waste.

You old people, Syrup of Figs is particularly for you. You who don't exercise as much as you need to; who like the easy chair. You, whose steps are slow and whose muscles are less elastic.

Don't regard Syrup of Figs as physic. It stimulates the liver and bowels just as exercise would do if you look enough of it. It is not harsh like salts or cathartics.

When eyes grow dim, you help them. Do the same with your liver and bowels when age makes them less active.

this decaying waste and poisons into the blood. You will never get feeling right until this is corrected—but do it gently. Don't have a bowel wash-day; don't use a bowel irritant.

A teaspoonful tonight will gently, but thoroughly, move on and out of your system by morning all the sour bile, poisonous fermenting food and clogged-up waste matter without gripes, nausea or weakness.

But get the genuine. Ask your druggist for the genuine, "Syrup of Figs and Elixir of Senna." Refuse with contempt, any other Fig Syrup unless it bears the name—prepared by the California Fig Syrup company. Read the label.

SOCIAL HAPPENINGS

Personal Mention, News of the Societies, Meetings, Etc.

Hallowe'en.

As "All Saints day" draws near the attention of the social world is drawn to the time-honored customs of "Hallowe'en," and many plans for parties and costumes for the celebration of this occasion are arranged by the seekers after their future among the young who, through the mystic rites of this one evening of the year as shown by darkened mirrors, apple peeling, etc., hope to penetrate the veil of approaching events.

Some suggestions for Hallowe'en costumes as presented in "Styles" will be of interest to the younger set. One of the most inexpensive of materials, such as paper muslin of six cents per yard, lawn at eight cents, or percaline or chambray at 12 cents, could be used just as effectively as more expensive fabrics.

The head dressings are novel and can easily be made at home at small expense. One consists of two strands of rhinestone trimming, one-half yard in each with a pearl cabochon finished with a pearl and rhinestone tassel.

For the other fillet, three bands of fancy ribbon, any preferred style or color is used, and the back row is finished with crystal and pearl bugle trimming. At the sides are ornaments of satin, embroidered, lightly with pearl beads, and finished with three large buttons, gives a dainty touch.

The traditional old witch costume you could select brown percaline for the dress, cape and conical hat. Any soft, white material may be utilized for the gathered vest and mob cap, and black cats which are applied onto the costume may be cut from black satin.

For the Quakeress or Priscilla costume you will need white lawn or batiste for the long apron, the double flieu, cuffs and cap, and these are all that the pattern provides, as any old morning or house dress may be worn underneath. A plain hem is sufficient finish for the edges, although if you do not mind the extra work, hem-stitching gives an effect of daintiness.

D. A. R. Convention.

Mrs. T. S. Morrison has received a letter from Mrs. Reynolds in reference to the D. A. R. convention to be in Asheville on November 6, in which Mrs. Reynolds announces the acceptance of an invitation to this convention by Mrs. Matthew T. Scott, president general of the entire national association of the Daughters of the American Revolution. Also acceptances have been received from Mrs. Henry S. Bowron, chairman of the national patriotic education committee, and Mrs. Donald McLean, ex-president general, both of whom will come from New York for the convention.

On the evening of November 6 the large reception planned for the visiting delegates will be given by the local chapter at Battery Park hotel. The following delegates from the state chapter have indicated their acceptance to Miss Hattie Scott of the Edwards Buncombe chapter, Tarboro, Miss Mary Powell, Mrs. W. P. Mercer and the state chaplain, Mrs. John Bridges; Council Oak chapter, Morganton, Mrs. Mrs. C. P. Ewing, and Mrs. E. W. Fisher; Part Dobbie chapter, Statesville, Mrs. C. V. Henkel, and Mrs. Zebulon Vance Long; Charlotte chapter, Miss Laura Orr and Mrs. B. W. Faison; Major Reading Blunt chapter, Washington, N. C., Miss Lida Rodman, and Miss Lettie Bonner; General Exile chapter, Buchanan, Mrs. J. E. Wiley and Mrs. E. K. Fair. The members of the D. A. R. in Asheville are especially anxious on account of the prominent ladies from distant points who will come to Asheville to attend this convention, to have it successful and to have suitable entertainment provided for the visi-

tors. In order to further this, application has been made to the board of trade of this city and any help or suggestions along this line from any interested source will be much appreciated by the ladies.

Bridge Party.

Mrs. M. H. Harris was hostess yesterday afternoon at a large bridge party which she gave at her home, the Kinkadee, for a number of her friends. The drawing rooms of Mrs. Harris' home were beautifully decorated in autumn foliage, and the score cards were hand-painted in hints to correspond. The first prize, which was won by Mrs. D. Willey, a visitor to Asheville, was a crocheted boudoir jacket of white wool made by Mrs. Harris. The second prize, a fountain pen, was won by Mrs. Francis J. Clemenger, and the consolation prize, an ornamented basket filled with carnations, was given to Mrs. Carlton. Among the guests who attended Mrs. Harris' bridge party were: Mesdames Parker, Blanch O'Hair, Max Wolf, Paulwood Fox, Sinclair, L. L. Jenkins, Francis J. Clemenger, J. M. Gudger, Jr., M. Fitzhugh Teague, Carlton, Penland, Willey, E. R. Russell, Todd, Stevens, and Miss Mary Irwin Young, Miss Elizabeth Young, Miss Mary Carter, Miss Bell Schumann.

Society Represented.

The friends of the Asheville literary society of the Asheville High school were much pleased with the attractive manner in which the society was represented in the school children's parade this morning. The banner of purple and gold bearing the letters "A. L. S." was borne by the class president, Walter McRary, and streamers from each side of this banner were held by the secretary of the society, George Meares, and the treasurer, Daniel Loomis. The society which stands for much literary effort among the High school students, was thus fittingly and appropriately represented among the other grades and associations.

In the final in the ladies' singles golf tournament played yesterday afternoon at the Country club Mrs. Clarence Hobart, playing from scratch, defeated Mrs. Alfred S. Barnard, playing from scratch, 1-up. Miss Marjorie Pearson defeated Miss Bonnie Reeves, 6-1, 6-2. Miss Helen Chapman won from Miss Bessie Reeves, by default. Miss Pearson will play against Miss Helen Chapman this afternoon.

Miss Eleanor Morrison was hostess last evening at an informal supper party at her home on Pearson drive, in honor of Mrs. Vance Brown and Dr. and Mrs. Charles S. Jordan, who leave shortly for Europe. NOTED INVALID OF KENTUCKY

After Regaining Her Health, Makes Few Interesting Statements for Publication.

Lykins, Ky.—"For 20 years I was a noted invalid," says Mrs. Martha Dings of this place. "I believe I had every ailment that my sex is subject to."

We consulted numerous doctors, as well as travelled a great deal, thinking it would benefit my health, but all of this did me very little good.

Finally I was taken down with what I thought was heart trouble. I used all kinds of medicine, but got no better.

I then commenced taking Cardui, the woman's tonic, and have been steadily improving ever since. Though now 46 years old, I am in better health than I have been in 20 years, and I give Cardui the credit for it. I feel it my duty to inform you what it has done for me.

No matter if you're troubled has reached a critical stage, don't give up, before giving Cardui a trial.

You couldn't be in much worse condition than Mrs. Dings, and yet she found relief in this medicine. Why not you?

Cardui is composed of purely vegetable ingredients, which act directly, in a remedial way, on the weakened womanly constitution.

In every community there are those who have been benefited by Cardui. Be one, yourself, in yours.

This Will Stop Your Cough in a Hurry Save \$2 by Making This Cough Syrup at Home.

This recipe makes a pint of better cough syrup than you could buy ready made for \$2.50. A few doses usually conquer the most obstinate cough—stops even whooping cough quickly. Simple as it is, no better remedy can be had at any price.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle; then add the Sugar Syrup. It has a pleasant taste and lasts a family a long time. Take a teaspoonful every one, two or three hours.

You can feel this take hold of a cough in a way that means business. Has a good tonic effect, braces up the appetite, and is slightly laxative, too, which is helpful. A handy remedy for hoarseness, croup, bronchitis, asthma and all throat and lung troubles.

The effect of pine on the membranes is well known. Pinex is the most valuable concentrated compound of Norwegian white pine extract, and is rich in guaiacol and all the natural healing pine elements. Other preparations will not work in this formula.

This Pinex and Sugar Syrup recipe has attained great popularity throughout the United States and Canada. It has often been imitated, though never successfully. A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

How She Acquired "Feminine Charm"

A nicely dressed woman sat beside me on the train. Everyone stared at her. I couldn't help doing the same. It was not her beauty of feature that held our eyes, nor her costume. But there was something about her face and expression—I risked it and asked: "Would you mind telling me how you keep your complexion so dazzlingly pure? Don't think me impertinent, but you seem over 30, yet haven't a line in your face, and your cheeks are quite peach-like. How do you do it?"

Laughing, she said: "That's easy; I remove my skin. Sounds shocking, doesn't it? But listen. Instead of cosmetics I use only pure marcolized wax, procurable at any druggist's. I apply this nightly, like cold cream, washing it off mornings. This gently absorbs the oiled, weather-beaten film-skin, without pain or discomfort, thus revealing the fresh, clear under-skin. Every woman has a beautiful complexion underneath, you know. Then, to ward off wrinkles, I use a face bath made of dissolving powdered saxolite (one ounce) in half-pint witch hazel—a harmless astringent which 'tones' the skin wonderfully. Very simple, isn't it? I thought so. I'm now trying her plan and like it immensely.—Millicent Brown in The Story Teller. (Adv.)
