

GREAT NEWS FOR MEN

The BARGAIN SENSATION OF THE YEAR

We purchased over 900 Suits from a Manufacturer who had made up these garments for a firm that failed in business before the order could be shipped. The maker had them left on his hands. We made him a cash offer for the whole lot, and our Buyer made a special trip to the northern market to close the deal. The price we paid per suit, hardly covers the cost of materials. There are only a few suits in the lot worth less than \$17.50 and the majority of them are worth \$20.00, \$22.50 and upward.

This big lot of Suits is well assorted and consists of gray and blue cashmeres and chevots, neat dark worsteds and English mixtures in sizes 34 to 44 chest measure. These goods are from a maker most of you know—his. Suits are worn by the best dressed men in the largest cities of this country.

Sacrifice Sale

Begins Saturday, Oct. 19th

5 Suits Free

One Suit per day for the first 5 days of this Sale will be given away absolutely free.

Every man visiting our store will be presented with a numbered coupon as a free souvenir (you don't have to buy anything to get one). You can come every day and get a new number; each number will entitle you to a chance of drawing a fine Suit of clothes.

The numbers will all be placed in a locked ballot box every day and the lucky number drawn out promptly at 8 o'clock each night.

You must be present when the number is drawn or you do not get the Suit, for if you are not on hand when your number is drawn, another number will be drawn, and so on until some one in the crowd present holds the winning number, and gets the Suit.

We Cannot Advertise the Name of the Maker of these Suits Because He Does Not Permit His Make of Suits to Be Sold under Certain Set Prices

It is not often that a store can quote such low prices for Suits tailored so well. They are Suits in which every stitch has been carefully taken and you know they will wear well, hold their shape and retain their stylish appearance.

The cleverest thoughts of the season in Men's garments are mirrored in this wonderful assortment of Suits. We show smart styles and exclusive fabrics for dressy men who seek clothes that give them personality and character. They are the kind of Suits that you would have to pay double the price we ask, elsewhere—they combine style, fit and attractiveness, with sound materials and careful workmanship, measuring up to every requirement of the most fastidious dresser.

Men buying winter Suits cannot buy better Suits than ours at double the price. It is a matter of pride with us to give our customers such extraordinary values in strictly up-to-date, well fashioned garments at extra special low prices, right at the beginning of the season.
