

TWO WOMEN TESTIFY

What Lydia E. Pinkham's Vegetable Compound Did For Their Health—Their Own Statements Follow.

New Moorefield, Ohio.—"I take great pleasure in thanking you for what your Vegetable Compound has done for me. I had bearing down pains, was dizzy and weak, had pains in lower back and could not be upon my feet long enough to get a meal. As long as I laid on my back I would feel better, but when I would get up those bearing down pains would come back, and the doctor said I had female trouble. Lydia E. Pinkham's Vegetable Compound was the only medicine that helped me and I have been growing stronger ever since I commenced to take it. I hope it will help other suffering women as it has me. You can use this letter."—Mrs. CASSE LLOYD, New Moorefield, Clark Co., Ohio.

Read What This Woman Says: South Williamstown, Mass.—"Lydia E. Pinkham's Vegetable Compound certainly has done a great deal for me. Before taking it I suffered with backache and pains in my side. I was very irregular and I had a bad female weakness, especially after periods. I was always tired, so I thought I would try your medicine. After taking one bottle of Lydia E. Pinkham's Vegetable Compound I felt so much better that I got another and now I am a well woman. I wish more women would take your medicine. I have told my friends about it."—Mrs. ROBERT COLT, Box 45, South Williamstown, Mass.

FINANCIAL

Stocks, Bonds, Cotton, Grain, Provisions, Money—New York, New Orleans, Chicago and Foreign Market News.

WALL STREET GOSSIP.

New York, Nov. 12.—Improvement in the foreign markets was directly reflected in the strength of the local stock exchange at today's opening. Canadian Pacific gained 2 1/4; St. Paul 1 1/4 and gains of a full point were made by steel, Union Pacific, Lehigh Valley, Reading, Smelting, Amalgamated Copper and some other issues of lesser importance. Among the few noteworthy declines were International Paper, preferred, North American, Seaboard Air Line, preferred, and Southern Railway, which lost over a point each.

Traders took advantage of the high opening to put out stock and the market lost about half of its rise before prices commenced to work upwards again.

A vigorous rally in American stocks abroad infused temporary strength to the local market in the first hour of today's trading, with gains of 1 to 2 points. Later, however, a bear drive sunk the general level of prices to the lowest recorded in several weeks. There was no news to account for the sudden onslaught other than current political developments and rumors that the forthcoming report of the arbitration board respecting the demands of the eastern railway engineers might prove unfavorable to the railroads.

Bonds were easy. The market became extremely dull the leaders crept up gradually to about a point above the lowest.

Judging from the ease with which prices made full recoveries, and more, in the late afternoon, the morning decline was largely in the nature of a concerted bear attack.

LONDON STOCK MARKET.

London, Nov. 12.—The stock market opened better today on more favorable continental news. American securities started firm and a fraction higher. The undertone was good during the early trading and prices advanced under the lead of Canadian Pacific and Union Pacific. At noon the market was firm with values ranging from 1-4 to 2 1/2 higher than yesterday's New York closing.

NEW YORK COTTON.

New York, Nov. 12.—Cotton opened steady at an advance of 1/2 to 5 points and sold 12 to 16 points net higher after the call on somewhat better cables than expected, reassuring advices as to the political situation abroad, covering by some of yesterday's sellers and rebuying by old bulls.

There was heavy outside liquidation or realizing, however, which soon weakened prices and the market was very nervous and unsettled during the middle of the morning, with the active months selling three or four points under yesterday's closing. Trading was extremely active and the selling became general on the break.

Below 12 cents, the spring months' demand became more active while it looked as if the outside liquidation was subsiding to some extent and the market developed a steadier tone on bullish southern spot advices and reports that mills were buying on the decline. Prices rallied 14 or 15 points from the lowest and, while fluctuations were irregular in the forenoon, active months ruled 9 to 10 points net higher at midday.

Spot quiet; middling uplands 12.20 nominal.

The market sold 24 to 26 points above yesterday's closing during the noon hour on southern buying, renewed bull support and covering but later reacted 9 to 10 points on scattered liquidation.

Cotton spot closed quiet; middling uplands 12.20; do. gulf, 12.50. No sales.

CONFEDERATE MONUMENT CONTRACT IS GIVEN OUT

To Be Erected in Greensboro—Mrs. W. L. Abernethy in Extremis—Other News.

GREENSBORO, Nov. 12.—The monument committee of the Guilford chapter, Daughters of the Confederacy, today let the contract to the Southern Marble and Granite company of Spartanburg, for the making of a monument to the Confederate dead to be erected by the Daughters in front of the Guilford county court house. The monument will cost \$9000 and much of this fund is already in hand or in sight. The proposed monument will be 35 feet high and 18 by 15 feet at the base. The monument committee will hold a meeting Saturday to determine certain details relative to the design. The Guilford chapter is now planning entertainment, etc., for the purpose of raising additional funds and it is believed that by the time the monument is ready to be erected that funds sufficient to completely liquidate the indebtedness will be available. The exact location of the monument has not been definitely decided upon but it is stated that it will be some place on the court house green.

Rev. W. E. Abernethy, pastor of Spring Garden Methodist church, left yesterday for Rutherford college, in response to a message stating that his mother was dying at her home at that place. Mrs. Abernethy is the widow of Dr. R. L. Abernethy.

J. W. McNairy, formerly treasurer of Guilford county and one of the best known men in the county, died Saturday night shortly before 11 o'clock at his home on Arlington street, after an illness of pneumonia and other complications extending over ten days. Mr. McNairy was 70 years of age and was a volunteer in the Confederate army with the outbreak of hostilities in 1861, going to the front with the "Guilford Greys." At the battle of Bristol Station he lost a leg and after a hard battle for life returned to his home here near the end of the war. He removed to Randolph county but after some years' residence there returned to this county. He was one of the founders of Centenary Methodist church here and was a consecrated Christian gentleman. Surviving are a widow and several children.

There was some excitement for the sportsmen of the Pleasant Garden section of Guilford county Saturday afternoon when a deer was jumped on the plantation of John Kennette and the huntsmen of the section notified. They organized for the chase and with a pack of hound followed the deer during the late afternoon and early evening but without success. It is said that the deer was sighted as it went to a stream for water and that it was a magnificent specimen of the antlered tribe.

It is stated at the local offices of the Southern railway here that a successor to the late George G. Thompson, division freight agent, who was killed several days ago by his chief clerk, William E. Blair, will be named this week, probably tomorrow. While no definite information is obtainable

LIQUIDATING SALE

Continues Daily

A Forced Sale To a Grand Final

An unprecedented sacrifice of reasonable goods—a wonderful slaughter and smashing of prices that has brought about the assemblage of the greatest crowds ever known to attend a sale in this state. A final effort is being made to reduce stock and convert goods into ready cash through the usual channels of retail trade before the entire remaining stock is sold in bulk. Do not delay, because this sale may be called off at any time. This is an opportunity that comes seldom, if ever in a life time. Remember, the prices are the lowest ever quoted on fresh new goods. H.
