

# FEEL SHAKY, BILIOUS, HEADACHT, OR CONSTIPATED? TAKE CASCARETS

Sick headaches! Always trace them to lazy liver, delayed, fermenting food in the bowels or a sick stomach. Poisonous constipated matter, gases and bile generated in the bowels, instead of being carried out of the system, is reabsorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull sickening headache.

Cascarets remove the cause by stimulating the liver, making the bile and constipation poison move on and out of the bowels. The effect is almost instantaneous. Ladies whose sensitive organisms are especially prone to sick headaches, need not suffer, for they can be quickly cured by Cascarets. One taken tonight will straighten you out by morning—a 10-cent box will keep your head clear, stomach sweet, liver and bowels regular and make you feel bright and cheerful for months. Children need Cascarets, too—they love them because they taste good and never gripe or sicken.

Only a few intimate friends and the relatives of Miss Whitlock and Mr. Tumpson will be present. Following the ceremony there will be a dinner at the Manhattan. **Brown Chiffon Blouse.**  
A dainty chiffon blouse of latest design is of leaf brown over deep cream silk. The airy effect of the bodice is increased by the chiffon having been laid into groups of tiny tucks before being made up. Panna satin bordered by cream lace insertion is introduced on shoulders, cuffs and as a center panel in front tapering toward the neck. Tiny buttons used as trimmings are covered in brown satin and the panel and neck are piped in the same material. This blouse is most effective where worn with brown tailored suit.

**Large Reception.**  
One of the largest social events planned for the week will be the reception on Wednesday evening to be given by Hon. and Mrs. Charles A. Webb in honor of Governor-elect and Mrs. Lock Craig, at their home on Hillside street. The reception will be between the hours of 8 and 11 o'clock and will be attended by several hundred guests. Mr. and Mrs. Webb's new home will be thrown open for the event which will be formal and state as befits an occasion given in compliment to the future governor and his wife.

# MANY DEFENDANTS TRIED IN POLICE COURT TODAY

More "Drunk" Cases and Fewer Assaults Than on Many Mondays.

There was an unusually large number of "drunk" and "drunk and disorderly" cases in police court this morning and fewer assault charges than ordinarily for a Monday morning docket. There were two defendants charged with keeping whiskey for sale, but both were found not guilty. These were George Knox and Bob Brown.

Cling Ingle was found guilty of an assault with a deadly weapon, but judgment was reserved until tomorrow morning, when he will be given another hearing on a larceny charge.

Harrison Whitmore was found guilty of a simple assault and was fined \$10 and the costs. The case charging Ed Williams with an assault was continued until November 25.

J. C. Harris, who gave his home address as Greenville, S. C., was arraigned on the charge of irascibility by riding a freight car here from Knoxville, but judgment was suspended and costs remitted on a promise by the defendant that if turned loose he would leave town on foot immediately.

Robert Dial, a young white boy, was found guilty of swinging on a street car on Patton avenue while the car was in motion, but he was let off without punishment, after promising that he would not come before the court again on such a charge.

The following disposition was made of the cases against defendants charged with being drunk in the city: J. C. Boyd, \$3 and costs; Fulton O'Kelly, \$3 and costs; Robert Jeffries, \$3 and costs; Tom Reed, \$2 and costs; Glover Carpenter, \$3 and costs; John Henry Hopkins, \$3 and costs; Dave Cagle, \$3 and costs.

Those found guilty of being drunk and disorderly and punished were as follows: Dock Fowler, \$5 and costs; Dock Carson, costs; Bob Plemons, \$3 and costs.

Substitute police Justice W. R. Gudgeon presided this morning in the absence of Judge Adams.

**SUPERIOR COURT**

Most of this morning's session of Superior court was taken up with the hearing of the case of Asheville and East Tennessee Railroad vs. W. A. Baird et al. The suit is brought for the recovery of damage to a car alleged to have been caused by the defendants.

Duke Chambers was granted a divorce from Annie Chambers.

Several judgments were signed in cases in which the county commissioners were defendants and which had been compromised. They were damage suits, the plaintiffs contending their property had been damaged by the building of roads.

T. F. Parker recovers \$50; George Griffin, \$250; George Warren, \$12; and T. M. Parker, \$25.

A judgment was also signed by which the American National bank recovers of the Snowbird Valley railroad et al. the sum of \$4,959.12 and a certain amount of interest.

**Federals Raze Rebellious Towns.**

Mexico City, Nov. 18.—That the Mexican government is determined to carry out the threat recently made to resume the tactics employed so successfully by General Robles in the state of Morelos some months ago is indicated by the report of the war department announcing the total destruction of several towns and villages in the northern mountains of Oaxaca, where the revolution has been rampant.

**THE COMB'S MORNING STORY**

You know the story the comb tells. It's a very discouraging story, too. Day by day, a few more strands are added of hair that is turning grey, losing its vitality, its strength and its health. Grey hair is an unbecoming as old age. Natural pride should have its own say. You wish to look young and it is your DUTY to appear so. You can't even LOOK young if the silver threads begin to show. Be a "Young Woman" in looks, always. The grey hairs belong to the chaperon and to the grandmother.

Stay out of the grandmother class, until your years justify it, by using —

Four Arrests Made After Finding of Body of Georgia Man in Burned House.

By Associated Press.  
Jonesboro, Ga., Nov. 18.—Four arrests were made here yesterday after the finding of the charred body of a man identified as John King, a Clayton county farmer, in the ashes of a burned outhouse at the Hebron Primitive Baptist church near this place.

The theory advanced by the police is that King was killed in an altercation over a poker game and his body burned to conceal the crime. When last seen by friends Saturday night King is said to have borrowed money with which to take part in a poker game.

**2 DUSKY FINANCIERS**

They Levied Toll on Automobilists with Brilliant Success Until the Police Arrived.

By Associated Press.  
Washington, Nov. 18.—Two negro Dick Turpins are in jail at Hattysville, Md., today because of their attempt to operate a unique "get rich quick" scheme yesterday. They stretched a rope across a bridge on the highway between Washington and the Maryland town and at the point of a shotgun held up automobilists for toll. Constable Thomas H. Garrison of Hattysville organized a posse and surprised the men as they were holding up a big touring car. They were overpowered.
