Carolina Commercial School

"Knowledge is the key that opens the gate to success and prosperity. Entering it is easy—if you have the key. We offer it to you.

If you know that by taking a business course you would increase your capacity for earning money double what it is at present, would you not enter some business school at once? Thousands of young people have done so, why not you?

We are offering a three month's scholarship for \$25.00, cash; six months for \$40.00, cash, either in Shorthand or Bookkeeping; or our combined course for \$60.00, cash.

Advanced Shorthand students are given a special course of actual office training in our office—doing "the real thing itself," not imaginary work; hence, they are turned out practical stenographers, competent to hold positions at once. This is why we have no trouble in placing our students as soon as they have completed their courses.

WE WANT YOUR STENOGRAPHIC WORK

Our prices are reasonable; satisfaction given. Special prices on regular work.

ARE YOU OUT OF WORK

We are ready to assist any competent stenographer or bookkeeper in getting a good position. References required.

For further information see:
