SOCIAL HAPPENINGS

Personal Mention, News of the Societies, Meetings, Etc.

S. P. C. A. Meeting.
The regular monthly meeting of the S. P. C. A. takes place tomorrow morning at 10:30 o'clock in the Y. M. C. A. auditorium. In the absence of Mrs. J. L. Alexander, the place of secretary and treasurer is being supplied by Mrs. P. McFerrin. At this meeting J. G. Deshler will present to the society a matter of much moment that has arisen recently and is being met in a most co-operative manner by those concerned. The matter concerns alleged cruelty to horses used and owned by individual drivers in hauling stone in the construction of the Grove Park Inn, and the plans suggested for the consideration of the society were outlined and generously offered by F. L. Seely of the Grove Park company. Upon repeated complaints to the S. P. C. A. and the police department of the city by the residents of Edgemont, a member of the former organization and Mr. Deshler, took the matter on Saturday to Mr. Seely, who warmly advocated intervention and suggested that at the meeting tomorrow the society employ a detective to investigate this condition and further offered to assist the society in point of expense in the employing of such an official. It was also suggested that the society at the coming meeting take under consideration the plan of co-operating in this matter with the police department of the city by requesting an officer from the force to be stationed where facts could be obtained and arrests, if necessary, made. Mr. Seely offers to indemnify the society. It is thought the matter may be satisfactorily settled at the coming meeting.

Bingham Dance.
The Bingham dance at the Battery Park hotel Saturday afternoon was a most successful affair. Mrs. Robert T. Grinnan, Mrs. S. R. McKee, Mrs. Robert Bingham, Mrs. John A. Ferry and Mrs. Louis M. Bourne chaperoned the event, for which Special orchestra furnished the music. The girls of the younger set appeared most attractive in their pretty afternoon frocks and the dance was much enjoyed. Among those attending were Misses Laura Meares, Davenport, Mary Millender, Genevieve Theobald, Florence Miller, Exum Meares, Willie Carter, Mary Moore Woodriddle, Helen Taylor, Lula Brown, Marian Reynolds, Mabel Stone, Louise Arbogast, Elsie Alexander, Frances Oates, Ida Hamilton, Emily Campbell, Therese Chapman, Helen Chapman, Grace Allen, Cuthbert Duffour, Dorothy Randolph, Janie Jones, Emily Bourne, Chafe of Des Moines and Frances of Washington, Hilliard, Edna Hay, Hunt, Flynn, Halls, Bingham, Bourne, Hester, Carter, Walton, Bingham, Grinnan, Mills, Kuykendall, Brown, Haggard, McCaskill, Bartleson, Jordan, Bingham, Rockwell and Ford.

Sacred Concert.
The sacred concert at the Langren hotel last evening was as successful as the former ones in the series have been. The concert was well attended, the lobby of the hotel being filled with many appreciative guests. The march, "Pomposo," and Auber's overture, "Fra Diavolo," opened the program and were followed by a Spanish love song rendered by Miss Grosse, who received, as usual, much well merited applause. Probably the greatest success of the second part of the program was the solo, "O Promise Me," by De Koven, sung by Miss Grosse. The cornet solo "Athens," by Charles Glass was also much appreciated, as were the several selections given by the orchestra, among them being Pranssen's Mexican dance and selections from the opera Martha.

All Souls' Reception.
The large social event of this evening in Blitmore is the reception to be given by the ladies of All Souls' church, from 8 to 11 o'clock in the rectory. The ladies of the church who will assist Dr. and Mrs. Rodney Rush Swopes in receiving and entertaining the guests are: Mrs. Arthur F. Reed, Mrs. Charles E. Waddell, Mrs. Ringer,

Don't Say You Can't Eat

You'll Never Have Stomach Trouble After You Read This, and Act on It. Stuart's Dyspepsia Tablets Are the Open Secret.

Thousands of people who hadn't really enjoyed a meal for years have given their stomach a new lease of life through the wonder-workers, Stuart's Dyspepsia Tablets. They promptly put an end to flatulency, heartburn, indigestion, sick headache, dyspepsia, burning, sensation, brush, fermentation and the other ills attendant upon a disordered stomach.

The Stomach Sends a Message to the Brain the Instant There is Trouble.

In this day and age of known facts there is absolutely no excuse for any one to suffer with stomach trouble, indigestion, sour risings, catarrh of the stomach, gas formations, etc.

Stuart's Dyspepsia Tablets are composed of known and approved ingredients that help out the gastric juices of the stomach. They are Nature's digestives, the same kind the stomach uses when it is in good health.

Stuart's Dyspepsia Tablets do not merely aid digestion—they actually digest the food themselves. All the hard work is thus taken off the stomach and it gets a chance to rest and recuperate. The undigested food which formerly produced nauseating gases in the stomach becomes thoroughly digested and as a result provides new brain and brawn and nerve cells to replace natural waste always going on.

Stuart's Dyspepsia Tablets act quickly, safely and naturally, just like Nature herself. They are a familiar and standard part of the stock of every properly equipped drug store and are sold at 50c a box.

Those who once try Stuart's Dyspepsia Tablets are never at a loss to know how to overcome any form of indigestion or stomach trouble.

Adjutant General L. W. Young arrived yesterday afternoon from Raleigh, for a visit of several days with his family on Starnes avenue.

Mr. and Mrs. Carl T. Gossett of West Asheville leave tomorrow for Atlanta, to visit relatives.

INTEREST CENTERED ON CHAMPIONSHIP GAMES

To Be Played Thursday and Friday Nights With Charlotte Y. M. C. A. Team.

The basket ball enthusiasts of Asheville are looking forward with a great deal of pleasure to Thursday and Friday nights of this week, at which time the Asheville and Charlotte Y. M. C. A. teams will meet in the local association gymnasium to decide the championship of North Carolina. The rivalry between these two teams is intense and each would rather defeat the other than any team in the south. The sole feature of conversation at the association building is the approaching games and whether Cy Young and Raby Tennent can stop Charlotte's two great forwards, Crowell and Willman.

Charlotte is said to have the best team this year in the history of their association; and an idea of their strength can be had from the fact that "Bill" Stewart, who played such a great game here last year, failed to make this year's team.

The boys' orchestra will play for these games, and this will be an attractive feature. The Normal and Collegiate girls will attend the games and will occupy the left side of the balcony, cheering this time for the local boys.

Prof. W. T. Cook, athletic director of Davidson college, will referee these games. Reserved seats are now on sale for both games.

The remains will be brought here for burial, and it is expected that the body will arrive here tomorrow afternoon.

Jennings and Wayland Fitzgerald, Mrs. Anson Henderson and Mrs. Oscar L. McLeod of Asheville, Fate Fitzgerald of Cretus, N. C., and Mrs. Ira Freeman of Katherfordton.

HIGH SCHOOL DEBATE

Candler, Sand Hill and Barnardsville Will Thrill Out Women Suffrage.

A triangulated debating match has been arranged for March 14 between the debaters of the high schools of Candler, Sand Hill and Barnardsville. The query selected is: "Resolved, That the constitution of North Carolina should be so amended as to give women the same political rights as men." The details of the debates are the same as those of the contests which are to take place between the high schools of Asheville, Hendersonville and Waynesville.

The debaters on the affirmative side will remain at home and will be met by the negative speakers of another school. The negative team of Sand Hill will go to Barnardsville, the negative of Barnardsville to Candler and the negative of Candler to Sand Hill.

The schools will use their own methods of choosing the debaters.

EDUCATION BOARD

Petitions for School Tax Elections Received from Two Sections.

Petitions are presented to the county board of education from the people of Leicester and Liberty Hill, the latter in Lower Hominny, asking for elections for special school tax, which were approved. The tax was voted down in Leicester a few years ago, but since then the people have become imbued with the spirit of progress and the names of about 75 per cent of the residents were signed to the petition.

The board is asked to complete the school auditoriums at Haw Creek and Black Mountain and the superintendent is instructed to investigate.

J. C. McPherson asked that the city water line be continued to the Burnsville hill school, and he was requested to secure more information.
