Health Restored By

Eckman's Alternative

A Valuable Remedy for Throat and Lungs.

If you are a sufferer from Granular Tuberculosis or know of anyone so afflicted, it might be well to investigate this case, where the writer declares after a year of suffering he found permanent relief and full recovery to health by using Eckman's Alternative, a medicine which has been effective in many cases of Tuberculosis.

257 Laruston St., Phila., Pa. "Gentlemen—In March, 1909, I was taken sick and my doctor pronounced my case 'Tuberculosis in the Glands.' Medical treatment did not help me, and on my doctor's advice, I went to a hospital to be operated upon, but relief was only temporary.

"In the meantime, a friend of mine advised Eckman's Alternative, saying it was good for Tuberculosis. The wounds in my neck were still open and in a frightful condition when I started to take it. After using two bottles I found I was improving, having gained weight, and could eat and was able to sleep. I continued using it until I was able to sleep. I continued using it until I was well, which was in November 1910.

JOSEPH B. WHITE. Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung troubles and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs.

as the result of an accident on the construction work of the Grove Park Inn a short time before. Purdue was one of the workmen on the building and a falling beam struck him on the head, fracturing his skull and inflicting such serious injuries that no medical aid could save him.

The accident occurred on the west side of the building where a truss was being constructed for wagons of concrete and gravel, and four upright beams were being put into position and held by guy ropes.

DANGEROUS DANDRUFF

Will Make America a Bald-headed Nation if Not Checked.

M. Pasteur, the great French Physician of Paris, once said: "I believe we shall one day rid the world of all diseases caused by germs."

Dandruff is caused by germs, a fact accepted by all physicians. Dandruff is the root of all hair evils.

If it were not for the little destructive germs working with a persistency worthy of a better cause, there would be no baldness.

Parisian Sage will kill the dandruff germs and remove dandruff in two weeks or money back.

Smith's Drug Store guarantees it. It will stop itching scalp, falling hair and make the hair grow thick and abundant.

It puts life and luster into the hair and prevents it from turning gray. It is the hair dressing par excellence, daintily perfumed and free from grease and stickiness.

SA large bottle costs only 50 cents at leading druggists everywhere, and by Smith's Drug Store. The girl with the Auburn hair is on every package.
