

## NEWBRO'S HERPICIDE COSTS NO MORE THAN "SOMETHING JUST AS GOOD" Why Take Chances

For a woman to adorn her head with false braids, puffs and rats, or a man to wear a topee, is like buying an off-brand hair preparation instead of Newbro's Herpicide. The "false hair" and the "off brand" are both substitutes for the real thing. The original is always conceded to be better than any imitation or substitute. "Something just as good" is a heresy of the rankest kind.

Newbro's Herpicide is the original remedy and does as promised. Years of success and thousands of satisfied users have made it standard. Herpicide kills the dandruff germ, keeps the scalp clean and stops falling hair. Its proper use before baldness appears makes false hair and wigs unnecessary.

Newbro's Herpicide in 50c and \$1.00 sizes is sold by all dealers, who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

Applications may be obtained at good barber shops and hair dressing parlors.

Send 10 cents in postage for sample and book on the care of the hair to the Herpicide Co., Dept. R., Detroit, Mich.

## Y.M.C.A. BOYS TO USE OATES PARK

For Baseball Games This Season—Grand Rally for February 28.

The Y. M. C. A. league baseball games during the coming season will be played on the new park of the Asheville Baseball club, the management of the club having assured Secretary E. B. Brown of the association that the park will be at their disposal when not occupied for the regular league games.

The association boys will have a big rally night on Friday, February 28, at the association building, when the basketball season will be closed, and the baseball season will be officially launched. At that time there will be a match game between picked teams of classes A and B, to be followed by the presentation of trophies and pennants and the serving of refreshments.

Manager Stouch of the local league team will be present at this rally meeting, as well as President Stikeleather and the directors of the club. There will be short talks by a number of them.

The feature of the night will be the presentations of trophies and pennants by E. H. Worrell, the manager of the Spalding company in Atlanta. A special invitation was extended to Mr. Worrell for this occasion, and he had accepted the invitation.

At this meeting the contracts for the boys who will take part in the baseball season will be ready and may be signed by all who wish to join the team. These contracts have already been made out and follow the lines of the contracts made by the National Baseball commission. There will be a drafting clause, and altogether the contracts will be the most complete ever prepared for the league.

A campaign for junior members will also be launched on this rally night, which will last until March 8. The boys who will work in the campaign will be furnished a list of prospective members and expiring memberships, and it is stated that any boys joining during the campaign may join the league teams for the summer. The teams will not be chosen until the campaign is over.

The association management considers the present basketball season, which will close at this time, has been the most successful ever conducted by the association. This has been the fourth season, the league beginning with one class of six teams and now having four classes and 20 teams. Much has been done in this way to enlist the interest of the boys in the association and Bible class work.

Sarah Bernhardt in "La Tosca" Tomorrow.

Tomorrow the Classic presents the world famous and magnificently illustrated Sarah Bernhardt in the greatest of the great tragedies, "La Tosca." There are some wonderfully tragic moments in the play and the scenes representing them in the picture furnish tense moments. The staging is superb offering a wealth of scenic grandeur and costly costumes. It is laid in Rome in the year 1830. There are some extraordinary characters in the play, among them being "La Tosca," by Mme. Bernhardt; Scarpia, by M. De May; Mario Cavaradossi, by M. Deneubourg; and Angelotti, by M. Maury. The climax of the play is wonderfully exciting and tragic wherein "La Tosca," when she sees that her lover is not feigning death, with a wild cry to the heavens whereupon the spirit of Mario has but just passed, she flings herself over the elevated wall to the stony courtyard below. It will be shown at the Classic one day, tomorrow, and the admission will be only 5 cents and 10 cents, as such enormous crowds are expected to not advance the prices.

Today the Classic is showing one of its finest Civil War pictures ever shown in the city, "For the Cause," in which the battle scenes are wholly indescribable and the spectator feels that he has actually been in the conflict, so vivid and realistic are the scenes. A big feature at the Classic every day this week.

## DELICIOUS "SYRUP OF FIGS" FOR A BAD LIVER OR SLUGGISH BOWELS.

This gentle, effective fruit laxative thoroughly cleans your stomach, liver and 30 feet of bowels of sour bile, poisons, gases and clogged-up waste.

A harmless cure for sick headache, for biliousness, for a sour, gassy, disordered stomach, for constipation, indigestion, coated tongue, sallowness, pimples—take delicious Syrup of Figs. For the cause of all these troubles lies in a torpid liver and sluggish condition of your feet of bowels.

A teaspoonful of Syrup of Figs at night means all poisonous waste matter, the undigested, fermenting food and sour bile, gently moved on and out of your system by morning, without griping, nausea or weakness. It means a cherry day tomorrow—many bright days thereafter.

Please don't think of gentle, effective Syrup of Figs as a physic. Don't think you are drugging yourself, for delicious figs, senna and aromatics can not injure anyone.

This remarkable fruit preparation is a wonderful stomach, liver and bowel cleanser, regulator and tonic, the safest and most positive ever devised.

The day of violent purgatives, such as calomel, pills, salts and castor oil is past. They were all wrong. You got relief, but at what a cost! They acted by flooding the bowels with fluids, but these fluids were directive juices. Syrup of Figs embody only harmless laxatives, which act in a natural way. It does what right food would do—what eating lots of fruit and what plenty of exercise will do for the liver, stomach and bowels.

Be sure you get the old reliable and genuine. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by The California Fig Syrup Company. Hand back, with scorn, any Fig Syrup imitation recommended as "just as good."

## WILL ASK LAWMAKERS TO PASS FOUR MEASURES

Relating to Commission Form Taxes, Australian Ballot and the Watershed.

There was a meeting yesterday afternoon of the directors of the board of trade, at which time instructions were given that Secretary Buckner write immediately to Governor Craig and the senator and representatives of Buncombe county asking that steps be taken to have the Australian ballot bill, the bill asking for a special election for deciding whether or not Asheville is to have a commission form of government, the bill for a more equitable system of taxation and the one to protect the watershed of this city, taken up and passed, if possible at the present session of the general assembly.

It will also be asked by the board that if the Australian ballot bill cannot be passed as a state-wide measure that an attempt be made to have it passed for Buncombe county alone.

Each of the bills referred to, have been endorsed by the board at previous meetings.

A committee composed of George S. Powell, chairman, F. Stikeleather, W. Vance Brown and N. Hucker, was appointed to assist in the entertainment of the special committee of the Dunhards, who will visit this city and section next month, as guests of the Greater Western North Carolina association, with a view to holding their 1914 convention here, and possibly making a permanent settlement in western North Carolina.

There was a report from the transportation committee to the effect that some definite plan may be announced shortly for making Asheville a central market for this section. The work of the committee is said to be meeting with marked success, and the agricultural committee was instructed to cooperate in the work of formulating plans in the matter.
