LAYMEN WILL DIRECT SERVICES IN EVENING
At First Presbyterian Church—Enthusiastic Meeting—Last Evening.

Much enthusiasm was evident at the meeting of the men of the First Presbyterian church held last night to discuss church work, to hear reports of the delegates to the Laymen's Missionary convention at Memphis and an address by W. C. Pearce of the international Sunday school committee, of Chicago. Encouraged by the interest in the work, Rev. Dr. Campbell announced that he would look to the laymen to direct the services at the church tomorrow night. Supper was served those present and it was greatly enjoyed. Col. Robert Bingham is chairman of the committee which has charge of the program of services tomorrow night.

The report of the doings at the Memphis convention was interestingly made by Paul P. Brown. He said he was greatly impressed with the work that was done there.

George H. Wright made a short talk in which he expressed the opinion that an organization here similar to the Yoke Fellows band of Louisville could accomplish great good.

Rev. R. P. Smith had been much impressed with the results of the Memphis convention, especially with the enthusiasm of the laymen.

The feature of the evening was the address by Mr. Pearce. He urged a better organization of the Bible class work, and declared that more men are needed in the Bible classes.

You judge a man not by what he promises to do, but by what he has done. That is the only true test. Chamberlain's Cough Remedy judged by this standard has no superior. People everywhere speak of it in the highest terms of praise. For sale by all dealers.

TWO HUNDRED MEN TO STOP HERE TOMORROW
Oklahoma People on Special Train, en Route to the Inauguration.

Secretary N. Buckner of the board of trade this morning received the following telegram from the Tulsa Commercial club of Tulsa, Okla.:

"Two hundred leading state builders of Tulsa and eastern Oklahoma, with band, en route to Washington inauguration, will stop at your city, arriving 5:30 Sunday, leaving 9 p. m."

It was announced several days ago that a special train of Pullman sleeping cars and observation car, ranging from Dallas through Oklahoma for the national capital, would arrive here for a short stay on March 7 or 8, but no idea was then entertained as to how many would be in the party. The above telegram seems to indicate that Asheville may have a busy time for a while tomorrow evening.

The visitors will be received at the Southern passenger station here by a committee of leading citizens, representing the board of trade, and they will be conducted over the city during the short time they will remain

SUCCESSFUL RALLY HELD LAST NIGHT

Basket Ball Season Closed and Baseball Organized—Some 350 Boys Present.

The rally meeting at the Y. M. C. A. last night which was held for the benefit of the boys of the association was one of the most successful occasions ever launched by the management. The basket ball season was closed with the awards of the silver trophy cup to the winner in class A and pennants to the winners in class B, these winners having been announced in yesterday's issue of The Gazette-News. Manager Thomas C. Stouch of the Asheville Baseball club made the presentations, and the captains of the winning teams made short talks, in which the association was thanked profusely for the cup and pennants.

The meeting was presided over by Secretary E. R. Brown in the absence of President Julius C. Martin, and after the awards had been given in basket ball the matter of organizing for the baseball season was taken up. Presidents for the four classes that will put out teams in the association league this summer were elected as follows: Class A, Clarence Young; class B, Walter Hunt; class C, James Coleman; class D, Dewey Hunt. Contracts were distributed and it was announced that all boys who join the association during the junior membership campaign will be eligible to play on one of the teams.

This campaign was then launched, and the boys who will work in it were furnished with lists of prospective new members and expiring memberships. The campaign will last until March 8; and the boys will make a

report at the association building each day of the campaign. Handsome prizes will be given to those securing the greatest number of points and these prizes, which were on display caused much enthusiasm among the youngsters.

There were short speeches by E. C. Wilson, associate Y. M. C. A. state secretary of the Carolinas, T. M. Duckett and W. H. Zimmerman of the local league baseball club, and S. P. Burton. All of these men commended the association for its work in promoting clean athletics for the boys and urged the latter to keep up the high standard of conduct in athletic contests which has been set by them in the past.

Following this program there was a game of basket ball between picked teams representing class A and class B, for the championship of the association, and the latter team won by the score of 21 to 18. The game was close and exciting throughout and was a tie at the end of the first period of play.

The rally was attended by about 350 boys of the city, and they enjoyed one of the best times of their lives. The pleasure of the evening was much enhanced by the serving of ice cream and cake by the members of the Ladies' auxiliary of the association. The boys' orchestra rendered a most excellent musical program.

Garment Workers Strike Off.

By Associated Press.
New York, March 1.—The garment workers strike in progress here since early January, involving at its height 150,000 or more workers, was officially declared off last night. The workers accepted the manufacturers' terms, which included a raise in pay, revision of certain working conditions, arbitration as to hours and the open shop principle.

Saving of Men.

Men are led away from threatening destruction; a hand is put into theirs, which leads them forth gently towards a calm and bright land, so that they look no more backward, and the hand may be a little child's.—George Elliot.

STOMACH SOUR? GOT INDIGESTION ALSO?

"Pape's Diapepsin" makes upset stomachs feel fine in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache—this is indigestion.

A full case of Pape's Diapepsin costs only 50 cents and will thoroughly cure your out-of-order stomach, and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these 50-cent cases, then you will understand why dyspeptic trouble of all kinds must go, and why they usually relieve sour, out-of-order stomachs or indigestion in five minutes. Diapepsin is harmless and tastes like candy, though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite, but what will please you most, is that you will feel that your stomach and intestines are clean and fresh and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many Diapepsin cranks, as some people will call them, but you will be cranky about this splendid stomach preparation, too, if you ever try a little for indigestion or gastritis or any other stomach misery. Get some now, this minute, and forever rid yourself of stomach trouble and indigestion.
