

No Longer Cranky About His Meals

Has perfect digestion from the use of a well-known remedy that all can obtain.

The temper of the family and the good cheer around the table, depend so much on the good digestion of each individual present that the experiences of some former dyspeptics who overcame their trouble should be of interest to those now suffering in this way.

The best advice one can give—but it is advice that is seldom heeded—is to eat slowly and masticate each mouthful carefully. However, if slow eating and careful mastication fall the next aid is one close to nature, Dr. Caldwell's Syrup Pepsin. This remedy is an excellent digestant, and in addition to helping in the digestion of the food, acts gently on the liver and bowels, ridding them of the accumulation of waste that should long ago have been passed off.

It is safe, reliable, pleasant-tasting, and results are guaranteed. In the opinion of such people as Mr. L. J. Quinn, 1117 Newport Ave., Chicago, it is the ideal remedy for indigestion, no matter how chronic, constipation no matter how severe, biliousness, headache, gas on the stomach, drowsiness after eating and similar annoyances.

Mr. Quinn says: "We use Dr. Caldwell's Syrup Pepsin as a family remedy and every member of the family from the five-year old, who is the youngest of six children, to Mrs. Quinn and myself, use it for stomach trouble, sick headache and to regulate the bowels."

You can obtain Dr. Caldwell's

MR. L. J. QUINN.

Syrup Pepsin at any drug store for fifty cents or one dollar, the latter size being bought by heads of families already familiar with its merits. Results are always guaranteed or money will be refunded.

When you use Syrup Pepsin you will see the fallacy of chewing mints and tablets or of taking cathartics, salts, pills and similar drastic medicines. Unlike these, Syrup Pepsin does not lose its good effect, and by automatically training the stomach and bowel muscles to do their work, soon restore these organs to normal.

If no member of your family has ever used Syrup Pepsin and you would like to make a personal trial would like to make a personal trial of it before buying it in the regular way of a druggist, send your address—a postal will do—to Dr. W. B. Caldwell, 417 Washington St., Monticello, Ill., and a free sample bottle will be mailed to you.

THIS DEALER SAYS COAL WILL BE MUCH HIGHER

Fears Price May Be Increased as Much as 25 Cents Ton Next Winter.

HIGH FREIGHT RATES IS ONE REASON GIVEN

Coal Will also Advance at the Mines — Would Cost Asheville \$10,000.

One of the leading coal dealers of the city has given it as his opinion that coal will be considerably higher in price next winter than now. He feared, he said, that the price might have to be increased as much as 25 cents per ton. One cause for increase, he said, would be the increase in freight rates from the coal mines to Asheville. The rate was recently increased five cents per ton, although to this time there has been no consequent increase in the price of coal here. He has been informed, however, that the price of coal at the mines may be increased as much as 10 or 15 cents, and if the retail price is increased at all, it will probably be raised enough to cover the increase in the freight rate.

According to this gentleman the increased rate will cost the people of Asheville about \$10,000. Asked as to the reason for the increase in rate, he referred to facts recently presented in The Gazette-News; that the rates to Asheville and Canton were \$1.60 until January 15; and the rates to Old Fort, Marion and Morganton were \$1.85, \$1.85 and \$2.15 respectively. He continued that the people of the towns east of the ridge protested at their rates, pointing out that Canton had the same rate as Asheville, while Old Fort had to pay 25 cents more. He said the interstate commission ruled that the rates to those towns were not excessive but were not rightly proportioned in relation to the Asheville and Canton rates and left the railroad to adjust the rates. This was done by increasing the Asheville and Canton rates to \$1.65 and \$1.75. However, he said that the rate to Marion had been reduced to \$1.75 for some reason, evidently because of the competition by the C. C. & O. He protested that the changes are not consistent, for several reasons.

If the commission held that the rates to the towns east of the ridge were not excessive, why did the Southern voluntarily reduce the rate to Marion? he asked. Furthermore, he declared that the increase of five cents on Asheville and Canton would pay the entire coal freights to either of the other towns. He estimated that about 200,000 tons are used here and about 150,000 at Canton, adding about \$25,000 to the cost of coal for Asheville and Canton.

He contended that it is reasonable to believe that it would cost much more to haul the coal to Old Fort than to Canton, since there is a mountain to cross. In connection with coal rates it is interesting to note that the Greensboro chamber of commerce is taking steps to try to get the coal rate to that city reduced. It is now \$2.30 per ton, which the secretary of the chamber contends is comparatively too high. He points out that Winston-Salem recently secured a reduction from \$2.30 to \$2.10. If the roads do not voluntarily reduce the rates, the secretary proposes to take the matter to the interstate commerce commission.

SHH! LADIES! SECRET TO DARKEN FADED GRAY HAIR--USE SAGE TEA.

Sage Mixed With Sulphur Restores Natural Color and Lustre to Hair

Why suffer the handicap of looking old. Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance.

Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly just a few applications of Sage Tea and Sulphur enhances its appearance a hundred fold.

Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," ready to use; but

listen, avoid preparations put up by druggists as they usually use too much sulphur, which makes the hair sticky. Get "Wyeth's" which can always be depended upon to darken beautifully and is the best thing known to remove dandruff, stop scalp itching and falling hair.

By using Wyeth's Sage and Sulphur no one can possibly tell that you darkened your hair. It does it so naturally and evenly—you moisten a sponge or soft brush, drawing this through the hair, taking one small strand at a time which requires but a few moments. Do this at night and by morning the gray hair disappears; after another application or two its natural color is restored and it becomes glossy and lustrous and you appear years younger. DEATH RESULTED FROM UNKNOWN CAUSE VERDICT

Police Still Work on Case of Will Allison Who Was Found Dead.

The coroner's inquest which was held yesterday afternoon over the body of Will Allison, the negro found dead in his house on Market street early yesterday morning, resulted in the finding of a verdict to the effect that the deceased came to his death from causes unknown. The men composing the jury were: H. Petrie, W. A. Webb, B. L. Lyda, T. S. Dalton, W. M. Hawn and J. M. Taylor. The inquest was conducted by Coroner E. R. Morris in the Wilson undertaking establishment on Eagle street.

At the inquest there were a number of witnesses examined, but none who furnished evidence sufficient to find that foul play had been done. There was testimony to the effect that the deceased had apparently been in the best of health up to the time he was last seen on Monday or Tuesday; that his bed was not disturbed when the body was found, indicating that it had not been used that night; and finally that there had been no unusual noises around the place on the night preceding the finding of the body.

The small cut that was found on the back of the dead man's head was not considered as having anything to do with his death, as it might have been inflicted when he fell. There were a few drops of blood found near the house, however, and in order that there may be no doubts whatever in the matter, members of the police department are still at work on the case.

ONE OF SEASON'S BEST WAS "LITTLEST REBEL"

Farnum, a Favorite Here Shared Honors with Wonderful Child Actress.

One of the best dramas of the season was "The Littlest Rebel," which was presented at the Auditorium last night. Those who attended the performance were expecting to see a good production, and they were not disappointed. Mr. Farnum, the star, had appeared here in "The Virginian" and needed no introduction; and Little Miss Minter, the child actress, was favorably heralded by press in every city where the play has been given. Her acting was easy and natural, altogether childlike, and it was hard to tell whether she or Mr. Farnum was the most favorably received.

There is not a weak member of the cast, and so far as the play is concerned, it is at a kind which always delights the audience when properly presented, and served as an excellent vehicle both for Mr. Farnum and Miss Minter.

It is a pity that there was not a better house.

ROAD SENTENCES GIVEN FOR ASSAULTING WOMAN

Three Negro Men Attack Negro Woman—Disposition of other Cases.

Osbee Abley, Walter Maxwell and John Way, three negro men, were "in hand" before Judge Adams in Police court this morning for an assault on Sallie Teague, a negro woman. According to evidence introduced by the prosecuting witness and two other negro women, the Teague woman was assaulted by all three men at the same time and suffered many indignities at their hands. They were given 30 days each on the county roads upon conviction on the charges.

Mack Brooks was given 30 days on the roads for being drunk, but he followed the example of many other "drunks" of the past few days in taking the pledge for a year and securing a suspension of the execution of the judgment.

Clyde Schuler and Lawrence Glass were before the court charged with trespass. The former was sentenced to the Reform school for an indefinite period, while the latter was found not guilty.

J. M. Dougherty was taxed with the costs for allowing a dangerous and vicious dog to run at large in the city.

The case charging Joe Burnette with vagrancy was continued until tomorrow morning.

SUPERIOR COURT CIVIL TERM BEGINS MONDAY

So Far as Is Known Judge Adams, Assigned to This District, Will Preside.

Superior court for the trial of civil cases convenes here Monday for three weeks. So far as is known Judge W. J. Adams, regularly assigned to this district, will preside, although Judge

Bragaw has been holding court in this district since the first of the year. The calendar has been prepared for the three weeks and there are 56 cases slated for trial.

There are the usual number of damage cases, nine of them being against the Southern railway. There are also some cases against the city. The cases calendared for Monday of next week are: J. F. Ducker and wife vs. Kate Henry; C. C. Clark vs. Julius A. Walker; H. M. Head vs. Julius A. Walker; Florence M. Weatherly vs. R. S. Carroll; Lennie Drayton, by next friend, vs. F. Stikeleather, et als.
