### ATTACK IS MADE ON NOGALES, MEX.

(Continued from page 1) troops in Sinaloa with the constitutionalists is regarded as of considerable importance. Significance it attached to reports of the close affiliation of Sonora and Sinaloa with lower California and Tepic. It is believed likely that the two latter will join the movement. On the other hand the insurrectionary movement under Carranza, governor of Coahuila, appears to be a thing of the past. The surrender of Carranza and his forces is expected at any time. During the debate on the amnesty bill a deputy from Sonora declared that the reason for Governor Maytorena's revolt in that state was his fear that the new government would demand an accounting of the state funds.

### STOMACH SICK, SOUR, UPSET AND FULL OF GAS? PAPE'S DIAPEPSIN.

In five minutes! Time it! All Indigestion, Heartburn and Dyspepsia gone and your stomach feels fine. Wonder what upset your stomach—which portion of the food did the damage—do you? Well don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate fermented into stubborn lumps; your head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Diapepsin and in five minutes you will wonder what became of the indigestion and distress. Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps the stomach regulated and they eat their favorite foods without fear. If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is astonishing. Please don't go on and on with a weak, disordered stomach; it's so unnecessary.

### LIPTON UNCERTAIN AS TO HIS COURSE

Yachtsman May Amend Conditions of Challenge to Meet Objections.

By Associated Press. London, March 13.—Sir Thomas Lipton, challenger for the America's cup, expressed great surprise this morning when informed that the New York Yacht club had declined his challenge because it did not comply with the conditions of the deed of gift. Neither Sir Thomas nor the Royal Ulster Yacht club has yet been officially notified of the rejection of the challenge. Sir Thomas said he had not had time to consider whether he would amend the conditions of his challenge so as to meet the objections of the New York Yacht club. He expects, however, to confer with his designer, Nicholson, on the subject immediately. Sir Thomas, of course, fully realizes the right of the New York club to decline his challenge because of the stipulation that the defending yacht must be of the same size as the challenger. Nevertheless, he is greatly disappointed as he fully expected that the challenge would be accepted. "It is the duty of the challenger for the America's cup to state the size of the boat, with which he intends to race, as well as name the day on which the races are to take place," said Sir Thomas. "In this I conformed entirely with the conditions of the deed of gift.

The size of 75 feet on the water line, which I stipulated, is larger than any cutter of that type on this side of the Atlantic and as big as any in America with the exception of the Reliance. The race would have been a good one; while there would have been no race at all if the Defender were a 90 foot yacht racing against my 75-footer. I therefore suggested that both should be 75 feet on the water line.

"When I challenged six years ago under the universal rule, which governs all racing in America, my challenge was declined because it did not comply with the conditions of the deed of gift and legally the New York yacht club had the right to do so. "Now when I challenge according to the deed of gift, my challenge is declined because I will not allow a 90 foot yacht to race against my 75-footer. It is understood that Charles C. Altom, the owner of the yacht Istria, is a prospective challenger for the America's cup. Another Challenge Possible. New York, March 13.—Information that a challenge from some other English yachtsman than Sir Thomas Lipton for the America's cup is anticipated by members of the New York Yacht club, caused considerable speculation in yachting circles today, but there was no answer to the question of who the prospective challenger might be. The rumors of another challenge were coincident with the decision which the New York Yacht club reached late last night to decline the Lipton challenge. It came as a surprise to many members of the club when they read the challenge for the first time last night, to find that Sir Thomas not only proposed a challenging vessel not exceeding 75 feet on the water line but that he would require the defender to be of the same dimensions. In gossip of the terms of the challenge it had been intimated that Sir Thomas made no conditions as to the defender except that if in excess of the 75 foot length, the usual time allowances should be figured. The vote in rejection of Lipton's terms was given as "unanimous" but this means unanimity of only 40 out of the 300 members of the club who attended last night's meeting and who own boats. Among other members there was some protest against the alleged arbitrary action of the club. Evans R. Dick, Jr., a member of the club who expressed such protest, declared that the motion to reject the challenge was "railroaded" through the meeting.

### WILL MEET AT GRACE TO CONSIDER QUESTIONS PERTAINING TO SCHOOLS—IT IS SAID SCHOOL BUILDING IS NOT ADEQUATE.

Tomorrow night at 8 o'clock there will be a meeting at Grace school house of the citizens of that school district for the purpose of considering plans for the bettering of school conditions there. Superintendent Hipps will be present and will submit several propositions to those attending the meeting for their consideration. Two years ago the Grace district voted a special school tax, but the election was later declared illegal on account of some irregularities in calling it. The tax voted at that time would have been used in erecting a new building, which is badly needed, it is said. In spite of the fact that the building is inadequate for the school, there was an average attendance there for four months last fall of 178 and two teachers were employed. The citizens of the district are anxious to have conditions bettered, and they are urged to attend the meeting tomorrow night to hear and suggest plans for this purpose.

### NEELY-BRUNS COMPANY HAS FORMAL OPENING

The opening of the new clothing and furnishing store of the Neely-Bruns company at 18 North Main street last night was a most auspicious occasion for the firm. The opening lasted from 7:30 to 10:30 o'clock, and during that time hundreds of the friends of Mr. Neely and Mr. Bruns, the proprietors of the establishment, visited the place and registered their names. The stock of goods had been most attractively arranged for the opening, and there was music during the evening by Webster's orchestra. Fruit punch was served to the friends of the establishment, and they were shown over the well appointed and well lighted establishment. The congratulations received by the proprietors were profuse and hearty.

### MEMBERS OF CABINET ARE LEAVING FOR HOMES

Bryan Will Probably Be Last to Get Away, Leaving Next Sunday. By Associated Press. Washington, March 13.—Beginning today there will be an exodus of members of President Wilson's official family for their homes. Secretary Bryan probably will bring up the rear of the procession for he will not leave until Sunday for his home in Lincoln, Neb., where he will attend a celebration in honor of his birthday anniversary. He will be gone until March 27. Secretary Redfield of the commerce department, probably will leave late today. He left his home in Brooklyn so hurriedly when summoned here for a conference with the president that he had virtually no time to arrange his private business affairs. During his visit the secretary will be the guest of honor at a congratulatory banquet in Brooklyn. Secretary of War Garrison also will leave to put his private business in order and will be gone several days. Secretary Houston, who presides over the agricultural branch of the government, will return to St. Louis to close up his affairs. Other members of the cabinet, summoned to receive their portfolios without much advance warning, may also seek leaves of absence to arrange their personal affairs.
