### E. H. WORRELL PROMISES CUP FOR WINNING TEAM

In Class A. Y. M. C. A. Baseball League—Teams Were Chosen Yesterday.

Secretary Ed. B. Brown of the Y. M. C. A. received a letter yesterday afternoon from E. H. Worrell, manager of the Atlanta branch of A. G. Spalding's athletic house, in which he stated that he will give a handsome silver trophy cup to the winning baseball team in class A, this season. Mr. Worrell expressed regret that he could not be present at the rally meeting held here some time ago and congratulated the association on the successful contracts that are being used. He stated that he had given a copy to the

manager of the Atlanta Sunday school league and that a similar contract will be drawn for that league. The captains of class A, with the exception of James Coleman, met with the members of the association commission yesterday afternoon for the purpose of choosing the members of the teams for this class. Cy Young, the president of the class, chose the team for Coleman, who could not be present on account of illness. The boys composing the class are all good baseball artists, and the season is expected to be a fast one in this class. The teams as chosen yesterday are as follows, the first named in each being the captain:

Walter Hunt, Harry Harkins, Dan Harsteller, Ernest Batson, James Britt, Julius Reister, Jack Dennison and Carlos Goldsmith.

James Coleman, Gary Fortune, Herman Wilson, Rocky Newton, Steve Adams, Burzin Linsey and Raby Tennent.

Druid Wheeler, Woodfin Chambers, Robert L. White, C. A. Honeycutt, Albert Wood, Winthrop Collins, George Shuford, John Tennent, Joe Duncan and James Wood.

Roy Jordan, H. Bell, John Thrash.

Clarence Young, Claude Jordan, Ed. Martorell, William McLean, Dumen Darby, William Brown, Perry Tomlin and George Lourbran.

At a meeting of the class B captains this afternoon the members of their teams will be chosen; class C will choose tomorrow afternoon, and class D men will be selected Friday afternoon.

### PYTHIANS PREPARE FOR IMPRESSIVE CEREMONIAL

First Rank Will Be Conferred on About 60 Candidates Thursday.

At the meeting of Pisgah lodge, No. 32, Knights of Pythias, last night final preparations were made for the big gathering to be held in the city Thursday night, when the first rank will be conferred on a class of about 60 candidates and the original Rathbone Bible, the one on which the first initiates of the order took their obligations, will be used in the ceremonial. The ballroom of the Langren hotel will be used for the ceremonial, and there will be 10 or more candidates of this city to take the rank.

James D. Nutt, the state deputy grand chancellor, arrived in the city yesterday afternoon from Wilmington and was presented at the meeting last night. He will visit a number of the lodges of this section before Thursday in the interest of this meeting and he states that in addition to the large class of candidates for the rank of pages there will be considerable attendance of Pythians desirous of attending the impressive ceremonies.

The meeting will undoubtedly be one of the most auspicious ever held by the Pythians of Asheville, and

among the notables of the grand lodge who will be present are: Fred E. Wheaton of Minneapolis, Minn., the supreme keeper of records and seal; Thomas J. Carlin of Macon supreme chancellor; Walker Taylor of Wilmington, grand chancellor; and Thomas D. Meares of Wilmington, supreme master of exchequer.

A reception committee was named last night, representing both Pisgah and Asheville lodges, to meet the distinguished members of the order on their arrival here and conduct them to their hotel. They will be met in automobiles, and every courtesy will be extended to them, as they represent the leaders of Knights of Pythias of the world.

### MELTON CONVICTED OF SELLING TO JIM SWINK

A. E. Roberts Convicted of Passing Worthless Check—Judgment Suspended.

Horace Melton was before Judge Adams in Police court this morning on the charge of retailing to Jim Swink. He was found guilty as charged and sentenced to the county roads for a term of one year. Appeal was taken from the judgment and bond was required in the sum of \$200.

A. E. Roberts was arraigned again this morning, charged with passing a worthless check. The prosecuting witness was T. E. Teasley, and the defendant was convicted. Prayer for judgment was continued, however, until April 18, on payment of the costs. Roberts was before the court yesterday on a similar charge, the prosecuting witness in that case being W. M. Rockett. He was then found not guilty.

The case in which Dan Stafford was charged with the larceny of a bicycle from C. A. Walker was continued until tomorrow, on account of the absence of an important witness today.

There were no continued cases before the court today, and the session was comparatively short.

ticket office, and the transfer company was forced to seek other quarters early in the year. The entire first floor of the building will be converted now to the use of the ticket department and the arrangement will be the most modern known.

Although the specific plans have not yet been made known, it is learned that everything will be so arranged that tourists may get a better and quicker service. There will be separate booths for tickets and pullman reservations, arranged in an order that will make for the greatest convenience and dispatch in handling the business during the rush season.

Division Passenger Agent J. H. Wood will have his private office in the rear of the building, where he will be isolated from the noises of the front, for private conferences.

**REV. R. G. PEARSON, D. D.**  
Rev. R. G. Pearson, D. D., who died a few days ago at his home in Columbus, was a former resident of Asheville and had many Asheville friends who are saddened by the news of his death. Dr. Pearson for several years resided in Victoria, but for the past two years had been professor of the English Bible and pastoral theology of the Columbia Theological seminary, and for several years before that had been doing evangelistic work throughout the south. He was a native of Starkville, Miss., where the body will be interred.

The widow survives.

### MUST BELIEVE IT

When Well Known Asheville People Tell It So Plainly.

When public endorsement is made by a representative citizen of Asheville the proof is positive. You must believe it. Read this testimony. Every sufferer of kidney backache, every man, woman or child with kidney trouble will do well to read the following:

Mrs. H. M. Debruhl, 1811 Asheland Ave., Asheville, N. C., says: "Doan's Kidney Pills are certainly a good medicine, especially in women's cases and I willingly confirm all I have previously said in their praise. At one time I was weak and nervous and the action of my kidneys was irregular. My back pained me and I did not sleep well, feeling all tired out in the morning. Seeing Doan's Kidney Pills advertised, I obtained a supply at Smith's Drug Store and they acted as a tonic to my entire system. After using them, I felt better in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### IMPROVEMENTS WILL BE MADE IN TICKET OFFICE

General Passenger Agent H. F. Cary of the Southern railway will arrive in the city tomorrow for a short stay, and while here will make arrangements personally for the improvement of the city ticket office in anticipation of the big rush of summer business the passenger department of the road feels sure will come during the season. The office will be completely remodeled and enlarged, and will be one of the most attractive of any ticket office in the south, it is said.

Almost one-third of the office was occupied until recently by the Asheville Transfer company. It became necessary to have more space for the
