## CONFERENCE WILL MEET JUNE 17-26

### Southern Students Hold Second Meeting at Black Mountain—Speakers.

The Southern Student conference, representing the Y. M. C. A.'s in the colleges of the south, will be held at the Blue Ridge association building at Black Mountain this year June 17-26. Announcement of the dates and the arrangements that have been made for the conference have just been made in program form and this program is being distributed all over the south. The first conference was held there last year and was largely attended. It is expected that there will be at least 600 students in attendance this year.

The general working plan for the conference has been arranged. In the mornings there will be study classes in the Bible; discussions by the students of the outstanding problems of moral and religious work in the colleges and the most approved methods of dealing with these problems; studies of the problems of social service and life investment; and addresses from some of the outstanding student leaders. The afternoons will be given over to recreation, when those in attendance may enjoy tennis, baseball, mountain climbing and other forms of outdoor sports. Classes in some of the pressing needs of humanity at home and in mission fields will be held during the evenings and, besides these there will be addresses by prominent speakers from all over the country.

The list of speakers for the conference this year is the most attractive of any for preceding conferences, the list being as follows: Robert E. Spear, secretary of Presbyterian board of missions, New York; Dr. O. E. Brown, Vanderbilt university, Nashville; President E. M. Post, Furman university, Greenville, S. C.; Dr. W. S. Board, Athens, Tenn.; Prof. James Watt Rains, Berea college, Berea, Ky.; Clifford Rowe, Chicago; Dr. T. B. Ray, educational secretary, foreign mission board, Southern Baptist convention, Richmond; Dr. E. H. Hawkins, educational secretary, board of missions, Southern Methodist church, Nashville; Prof. B. T. Spencer, Kentucky Wesleyan college, Winchester, Ky.; S. W. McGill, general secretary, Nashville Young Men's Christian association, Nashville; Jackson Davis, superintendent of Virginia rural schools, Richmond; Prof. T. J. Farrar, Washington and Lee university, Lexington, Va.; Prof. W. S. Fitzgerald, Fitzgerald & Clarke school, Tallahoma, Tenn.; Dr. C. W. Kent, University of Virginia, Charlottesville; Prof. H. H. Peoples, Peoples school, Franklin, Tenn.; A. E. Roberts, secretary country work department, international committee of Young Men's Christian associations, New York; Bishop W. R. Lambuth, Methodist Episcopal church, South, Nashville; Dr. Graham Taylor, Chicago; W. D. Weatherford, international student secretary, Nashville.

**Barthou to Form New Ministry.** Paris, March 20.—President Poincaré is expected to request Jean Barthou, minister of justice in the retiring French cabinet, to form a new cabinet.

## BUNCOMBE WILL SEND DELEGATION TO BAT CAVE ROAD MEETING—Local Association to Take Active Part.

The directors of the Asheville and Buncombe County Good Roads association held their regular monthly meeting at City hall yesterday afternoon at 5 o'clock, at which time the principal business considered was that of boosting the good roads meeting to be held at Bat Cave on March 31. A large delegation from the association will be named by President E. C. Chambers and the board of trade, and the Asheville Merchants association will also be asked to name delegations.

Dr. M. H. Fletcher, who is the chairman of the committee on arrangements for the meeting, made a short talk at the meeting of the directors yesterday, and he stated that the Bat Cave meeting will be one of the most important road meetings ever held in this section. He said that there will be enthusiasts present from all sections between Asheville and Charlotte, since all are interested in the completion of this link of the highway that will connect two of North Carolina's leading cities. He expressed the hope that Asheville and Buncombe county will send the largest delegation of any other on section.

If weather conditions are good the local people will probably make the trip to Bat Cave in automobiles, otherwise they will go by rail. Governor Locke Craig will likely attend the meeting from Asheville, and Buncombe's senator and representatives of the last general assembly will be in the delegation from here. Senator Carson of Rutherford will be one of the notables from that section. Enthusiasm is running high here over the prospects of the completion of this road, an outline of which was given in The Gazette-News a few days ago, and it is believed that if this enthusiasm is reflected by the other communities along the highway the road can be opened for passage by the latter part of the summer season.

**ACCLAIMED HEROINE; IS HELD FOR THEFT**  
Girl Who "Rescued" Children from Flames Accused of Stealing \$600 in Gems.  
(By Associated Press)  
New York, March 20.—Mae Bennen, 16 years of age, acclaimed a heroine after carrying two children from a burning house on March 10, is under arrest today on suspicion that she took valuables that were in a closet untouched by the flames. The girl was a nurse in the employ of George H. Murray, a broker residing in Queens. Two of the Murray children were apparently rescued by the girl during the absence of Mr. and Mrs. Murray. The grateful parents told the girl her salary would be increased as soon as the family was established in a new home. Investigation to learn the origin of the fire disclosed that \$600 worth of jewelry was missing.

## PETITIONS FILED IN LARGE SCHEME

### Development Concern Wish Lands in Henderson County to Be Condemned.

## PROPOSE CONSTRUCTION OF BIG POWER PLANT

### Set Forth That over \$200,000 Has Already Been Expended on the Proposition.

Two petitions have been filed in the clerk's office of the United States District court by the Blue Ridge Interurban Railway company, one against E. H. Carver, H. C. Miller, W. E. Moore and W. P. Mican, the other against H. H. Jackson, all of Pittsburgh, for the condemnation of certain lands and boundaries on Green river in Henderson county for the purposes of the company in developing an electrical power plant on Green river and the construction of an interurban electric line from Hendersonville, through Saluda and Flat Rock, to a point on Green river, and for other necessary developments.

These petitions, made upon affidavits by George E. Lashlaw of the Blue Ridge company, mark the first legal proceedings by this company in the big development project on Green river. The petitions were first filed with the clerk of the Superior court of Henderson county and were removed to the District court on its order. The law firm of Smith, Shipman & Justice represent the petitioner, while Martin, Rollins & Wright appear as attorneys for the respondents. It is stated that offers of more than the actual value of the property have been made and refused, and it is asked that the respondents show cause why a committee of three freeholders of Henderson county shall not assess damages for them in condemnation proceedings.

J. F. Benson is not named as one of the respondents, it being pointed out that he is a minor about 20 years old and that he has no guardian. It is asked that a guardian ad litem be appointed for him by the court and that the guardian be included as a respondent to the petition. The petitioning company bases its claims to condemnation proceedings on its charter, which gives the company right to build, own, maintain and operate an interurban railway from Hendersonville through Flat Rock and Saluda, to a point on Green river near the mouth of Big Hungry creek to construct a power plant for the supply of electrical power for this line and for other distribution, and to extend the line to other points not over 50 miles from Hendersonville; also all other powers allowed such corporations, which includes the power of condemnation of necessary property.

In further defense of its position, it is pointed out in the petitions that the company is acting in good faith and has already expended about \$200,000 in buying property for the development; has employed the best available engineers and had made the most accurate surveys; and finally that all financial arrangements for carrying the project to completion have been made.

For information, it is stated in the petitions that the power plant is to be constructed about three miles below the dam on the Weaver and Henderson tract, and that the water for power is to be conveyed to the plant by a flume to be built on the south side of Green river.

## SAY MR. STIKELEATHER WILL AGAIN MAKE RACE

### His Friends Declare Suggestion That He Will not May Injure Him.

The friends and political supporters of F. Stikeleather declare that whatever may be his position with regard to the contest for the Asheville post-office, it is his intention to run for re-nomination as alderman in the fourth ward. They say that while Mr. Stikeleather has not yet publicly announced his candidacy he will certainly be in the running. These supporters make this declaration, they say, for the reason that there has been supposition expressed that Mr. Stikeleather might not make the race for alderman because he is a candidate for the post-office, and that suggestion that he may not seek re-nomination may injure his prospects.

## KEITH JUSTUS

### Hendersonville Young Man Died Last Night as Result of Fall a Week Ago.

Special to The Gazette-News.  
Hendersonville, March 20.—Keith Justus, aged 21 years, died here last night at 11 o'clock. His death was the result of a fall which he suffered about a week ago on the stairs of the St. John hotel. He never regained consciousness after the fall. The deceased was a son of W. H. Justus, proprietor of the Justus pharmacy here, and one of the most popular young men in town. He is survived by his father and mother, three brothers and two sisters. Funeral arrangements have not yet been announced.

## SPEAKERS AND SUBJECTS FOR SUNDAY MEETINGS

### Rev. Mr. Newell to Address Y. M. C. A. Men's Meeting Sunday—Mr. Brown at Depot.

Rev. W. A. Newell, president of Weaverville college, will be the speaker at the Y. M. C. A. men's meeting next Sunday afternoon. His subject will be "Bad Living." The feature of the musical program for this meeting will be a duet by Mrs. Herbert Owenly and R. W. Hammerslough, assistant secretary of the association.

Secretary Ed B. Brown will be the speaker at the meeting for men at the association hall on Depot street. The subject for his talk is announced as "A Call to Men." Special music will be arranged.

Secretary Brown has announced a program of speakers for the Sunday meetings for the next three weeks. On March 20 Dr. Calvin B. Waller, pastor of the First Baptist church, will speak on "Building Mud Characters." On the Sunday following, April 6, Col. John Margrett, national young people's secretary of the Salvation army, with headquarters in New York, will address the young men of the city on a subject to be announced later. Dr. George H. Cowles of London, who was a missionary for a number of years and is spending some time in this country, will be the speaker.

On April 20 there will be no regular meeting for men, this meeting to be combined at that time with the mass meeting to be held by the convention of the Laymen's Missionary movement. Some very fine speakers, however, will be here for that occasion.

On June 22 Dr. Charles W. Kent, professor of English literature at the University of Virginia, will make his first appearance at one of these meetings and at that time he will address the men of the city on the subject, "Christianity is Manhood—and More." The local association is the only one in the south that continues its Sunday meetings for men during the summer season and Secretary Brown announces that during the coming summer he expects to have some very fine speakers. Two of those expected are Robert E. Spear, secretary of the Presbyterian board of missions; and Dr. George L. Robinson, of the McCormick Theological seminary of Chicago.

You can say goodbye to constipation with a clear conscience if you use Chamberlain's Tablets. Many have been permanently cured by their use. For sale by all dealers.

## Y. M. C. A. BOWLING.

The bowling team of Grant took two out of three games from the followers of Johnson in the Y. M. C. A. A. tournament last night, the following scores having been made:

	Total
Grant	175 161 189 525

It will show you conclusively what Pyramid Pile Remedy will do. Then you can get the regular package for 50 cents at any drug store. Don't suffer another needless minute. Write now.

North Carolina, Buncombe County, Dennis Jackson and William Jackson, vs. George Logan—NOTICE. The defendant above named will take notice that an action has been commenced in the Superior court of Buncombe county to revive the judgment heretofore rendered in this cause, which said judgment is recorded in the judgment docket No. 32, on page 156; and said defendant will further take notice that he is required to appear before the Clerk of Superior court of said county on the 23rd day of April, 1913, to show cause, if any he has, why execution should not issue on said judgment; and let the defendant further take notice that if he fails to appear and show cause why execution should not issue thereon, that plaintiffs will be granted leave to issue execution on said judgment. This 19th day of March, 1913. MARCUS ERWIN, Clerk of Superior Court. CHAS. N. MALONE, Attorney for Plaintiff.

## SEE IF YOUR CHILD'S TONGUE IS COATED

### If cross, irritable and feverish it means waste-clogged bowels.

No matter what ails your child, a gentle, thorough laxative physic should always be the first treatment given.

If your child isn't feeling well; resting nicely; eating regularly and acting naturally it is a sure sign that its little stomach, liver and 20 feet of bowels are filled with foul, constipated waste matter and need a gentle, thorough cleansing at once.

When cross, irritable, feverish, stomach sour, breath bad or your little one has stomach ache, diarrhoea, sore throat, full of cold, tongue coated; give a teaspoonful of Syrup of Figs and in a few hours all the clogged up waste, undigested food and sour bile will gently move on and out of its little bowels without nausea, griping or weakness, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious big taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed—a little given today will save a sick child tomorrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.

## BINGHAM MADE THREE CONSECUTIVE VICTORIES

### Defeated High School Baseball Team Yesterday by Score of 14 to 5.

The last of the series of three baseball games between the Bingham cadets and the Asheville High school boys was played at Riverside park yesterday afternoon, resulting in a victory for the former by the overwhelming score of 14 to 5. This victory made it three straight for Bingham and was very unlike the two preceding ones, which had been won by a single score. The Asheville boys were simply outclassed yesterday, and the game had not progressed very far before their chances had completely disappeared.

However, the losers started the scoring by making three in the first inning and kept the cadets from crossing the rubber until the third. After that the winners had easy sailing and hardly an inning passed that they did not add to the score. Asheville scored

## Peerless-Fashion Store

### Style--Quality--Service

Women of discriminating taste in matters of dress have come to recognize the pre-eminent position of our shop in all that relates to

## FASHIONABLE OUTER APPAREL

Here you may find the authentic style for spring—correct in every detail of fabric and shade as well as design—and notwithstanding these advantages, our prices are reasonable—the importance of this fact we very much appreciate.
