Many People Have Never Used the Want Ads At All; But You'll Find Very Few People Who Have Used Them But Once

Usually, one use of the Classified columns serves as "a sip of the wine of opportunity." NOT ALWAYS OF COURSE.

In fact one insertion of a want ad—like one effort in any other undertaking—is never sure to bring results. But one use of the Want Ads does not mean merely one insertion of the ad. It means sufficient persistence to win.

And thus when one has really accomplished a task, an enterprise or a quest by means of classified advertising a new viewpoint is established—a new vista of opportunity is opened. And the advertiser becomes a regular user of the columns—turning hard tasks into simple ones and accomplishing "the impossible" with great regularity.

There is no better time than the present to test the result getting qualities of these columns. Quit wanting—Advertise!

Rates for Classified Ads.—Consecutive Insertions.

One insertion 1ct. per word.	Two weeks 7 cts. per word.
Three insertions 2cts. per word.	Three weeks 10 cts. per word.
One insertion 1c per word.	One month 12 cts per word.
