except Sunday, from 10 to 12 and from 3 to 5. All are cordially welcome to the services and to the reading room.

LARGE CROWD GATHERED FOR BARGAIN SHOE SALE

Long Before Nichols Annex Opened Prospective Customers Waited.

Long before the doors of the Nichols Annex opened this morning, men, women and children had gathered in crowds about them, eager to get at the bargains in shoes offered for sale, and the moment the doors were opened the people rushed into the store and it was literally packed and every clerk was busy wrapping up shoes and taking money. It did not take long to establish order and then the shoppers began taking their time to pick out the shoes they wanted. This was not hard to do, as hundreds of pairs were displayed on racks, those of one rack all of the same price; and the prices and numbers are plainly marked. There are also fitting seats and these have been crowded.

The sale began this morning and will last for 15 days. It is in charge of W. F. Byram of Charlotte, who has conducted sales here before and who has a large number of salesmen.

From all appearances this promises to be one of the most successful sales ever conducted in the city; and it has been widely advertised.

CLOSE GAME

Played Yesterday Between Ashland Avenue and Montford Teams

Score 3 to 2.

There was a close game of baseball yesterday afternoon on the Montford Avenue school diamond, when the Ashland Avenue Athletic association defeated the Montford boys by the score of 10 to 9. It was a fast hit-and-run game and gave delight to the large gathering of the youthful fans of the city. Errors were few as compared with hits, the following tabulated score giving a good idea of the proceedings of the afternoon:

R. H. E.
Montford . . . 112 029 291 . . . 3 16 3
Ashland . . . 001 021 42x—19 10 2
Batteries: Seals, Bell and Kemby; Courtney, Ford and Arbogast.

THERE ARE IMITATIONS NOW

But Newbro's Herculide Was the "First Dandruff Germ Destroyed."

A discovery can be made but once. After that all similar acts become emulation, imitation or an attempt at substitution.

Newbro's Herculide is a discovery. It was the first remedy ever given to science to kill the dandruff germ. Other preparations have since been offered to the public, some similar in appearance, some in odor, but all bringing the daring promise of doing the same things that Herculide has been doing for years.

Every article of this kind is merely one more instance of victims emulation, the imitation or a base attempt at substitution.

The "something just as good" story is old, why give it a thought? Herculide is the Original Remedy. It destroys the dandruff and prevents the hair from falling. Itching of the scalp stops almost with the first application.

Don't be deceived by "Something just as good." If your own dandruff germ destroyer, Newbro's Herculide, goes to one who does.

Newbro's Herculide in 50c and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

Send 10c in postage for sample and booklet to The Herculide Co., Dept. R., Detroit, Mich. Applications may be obtained at good barber shops, Smith's drug store, special agents.

Asheville In Midst of Great Building Boom

More Construction Done in Last Two Years Than in Previous Five Years—List of Some of Building Operations Which Indicate Prosperity.

The city of Asheville is in the midst of a building boom, which indicates a business boom, such as the citizens have never before seen. The city is very much alive, and it is stated that within the past two years there has been more building than in the previous five years. The great bulk of this has been done within the past year, and the building operations just now are greater than ever before in the history of the city.

This comes in the face of the fact that building materials have advanced to a point never before known and the labor is being well paid. Real estate has also advanced, yet it is being transferred daily and building begun. Today it would be an undertaking to find an unemployed carpenter or mason within the city. Every contractor in the city has his hands full and is boasting of prosperity. Those who are not erecting new buildings are making improvements on old ones, and the boom grows as it continues.

The construction of the Grove Park inn on Sunset mountain, to cost between a half and three-quarters of a million dollars is the biggest undertaking now going on. A large garage building to cost between \$25,000 and \$30,000 is being built on North Main street by the Messrs. Rumbough; construction work has begun on the Masonic temple at the corner of North Main and Woodfin streets that will cost \$50,000; the McPherson Plumbing company is constructing a big building on North Main street that will cost something over \$10,000; the block of six buildings on North Main, immediately below the Langren hotel, is practically complete.

WEEKLY MEETING OF THE ALDERMEN

Much Routine Business Was Transacted—Auditorium Acoustics Discussed.

At the regular weekly meeting of the board of aldermen last night there were a large number of minor matters discussed and the regular routine business was transacted. Probably the most interesting matter to the people of Asheville was that relative to the poor acoustics of the city Auditorium. There have been many complaints about this defect in the building and Mayor Rankin stated that he has been in communication with a New York firm that wishes to remedy the defect. After some discussion Alderman C. W. Brown was instructed to correspond with companies that remedy such defects and report to the board at a later meeting. It is likely that something will be done soon.

There was a petition from a number of property owners near the Southern railway passenger station asking that the city construct a walkway along the stream between Depot and Avery streets or arrange so that people may cross the tracks of the Southern without such great inconvenience. It was stated that the board has already been considering such an improvement, and the matter was referred, for further consideration, to the street committee.

The street committee made a report relative to the matter in which J. Clark has been contending that the city should bear the entire expense of constructing a retaining wall adjoining his property on Phifer street. A compromise was advised in this report.

There was some discussion of the traffic ordinances of the city, and it was decided not to attempt to further enforce one clause of the ordinance as it was not passed in proper form.

Corporation Counsel J. Frazier Glenn was authorized to secure a certified copy of the act to amend the charter of the city of Asheville, from the secretary of state.

Several complaints have been made lately of the noises made by the heavy automobile trucks in passing along the main streets of the city and this matter was discussed last night, although no action was taken.

There was a further discussion of the inadequacy of the new lights that have been placed on Pack square and the light committee was instructed to investigate the matter and find if there is not some remedy.

The request that a fire alarm box be placed at the corner of Pine and Beaumont streets was referred to the fire committee.

The following building permits, which had been passed by the building inspector, were granted by the board:

C. R. King, residence on Merrimon avenue; estimated cost \$4000.
George S. Powell, repairs to residence on Haywood street; estimated cost \$2000.

J. T. Bledsoe and company, repairs to building on South French Broad avenue; estimated cost \$2500.
R. L. Hammond, building on Hill street; estimated cost \$1000.

AT DEPOT

Dr. G. H. Cowles will speak to Railroad Men Tomorrow at 4:30 O'clock.

The railroad men of the city, and all men living in the depot section, will have an opportunity tomorrow afternoon of hearing Dr. G. H. Cowles, a missionary from Australia, who will speak at the Y. M. C. A. hall, adjoining the Cien Rock postoffice, at 4:30 o'clock. The subject for the address will be "The Secret of a Cheerful Christianity."

Cowles will also speak to the boys of the city at the association building at 2 o'clock in the afternoon, and he has chosen for his subject

TRINITY PARK BEATEN BY WEAVERVILLE TEAM

Later Play Whitsett and Oak Ridge before Returning Home.

The spirits of the Weaverville people rose several notches last night when a message was received saying that the Weaverville college baseball team had defeated the team of Trinity Park by the score of 7 to 3. Champions of Weaverville pitched a good game, giving up five hits and striking out ten men.

Weaverville has now played five games on this trip, winning from Rutherford college and Trinity Park, losing to Lenoir and Elon and tying with Catawba.

The Weaverville boys are scheduled to play Whitsett this afternoon and Oak Ridge Monday, after which they will come home.

"The early mover never borrows of the late;" nor does the early shopper often wonder why she "raised a bad gala."

NOTICE

State of North Carolina, County of Buncombe—In the Superior Court, Minnie Dickinson vs. J. W. Dickinson—SERVICE BY PUBLICATION. The defendant above named will take notice that an action entitled as above has been commenced in the Superior court of Buncombe county for the purpose of securing an absolute divorce from the bonds of matrimony now existing between the plaintiff and defendant and for the custody of the two children; and the said defendant will take notice that he is required to appear at the term of the Superior Court of Buncombe county to be held on Monday, May 5th, 1913, at the Court House of said county in Asheville, N. C., and answer or demur to the complaint in said action, or the plaintiff will apply to the court for the relief demanded in said complaint.

This the 5th day of April, 1913.
MARCUS ERWIN,
Clerk Superior Court.
Fortune & Roberts, Attys.
