**TIME TO ACT**  
 Don't Wait for the Fatal Stages of Kidney Illness, Profit by Asheville People's Experiences.

Occasional attacks of backache, irregular urination, headaches and dizzy spells are frequent symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but generally return with greater intensity. Don't delay a minute. Begin taking Doan's Kidney Pills, and keep up their use until the desired results are obtained. Good work in Asheville proves the effectiveness of this great kidney remedy.  
 Mrs. Sams, R. F. D. No. 3, west Asheville, N. C., says: "For about two years my kidneys gave me a great deal of trouble. My back was very lame and weak and I also had trouble with the kidney secretions. Headache and dizzy spells were frequent and I felt tired and languid nearly all the time. When a friend urged me to try Doan's Kidney Pills, I got a supply at Smith's Drug Store, and in a short time they cured me."  
 For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.  
 Remember the name—Doan's—and take no other.
