BROTHERHOOD DAY WILL BE FEATURE Of Western North Carolina Fair—Co-operation of All W. N. C. Lodges Desired.

The management of the Western North Carolina Fair association is making plans for a big "Brotherhood" day for a feature of the fair here in October, and letters are being sent out today to the secretaries of the various fraternal orders of the city, in which it is requested that a committee from each be named to meet with the management on the evening of June 9 at 8 o'clock to go over the matter and draft a preliminary program of arrangements. Last year there was a small feature of this kind, but it was restricted to two orders, these two simply arranging central meetings here during fair week and taking part for one day in the fair program. For this year, however, it is desired that the day be observed on a much more elaborate scale. One of the suggested features will be an address by a man of prominence who is affiliated with a large number of fraternal organizations. There will be also a big parade and other features to be worked out later. The day is not being planned alone for the secret organization of Asheville, but for those of all of western North Carolina. The association desired that every lodge of the section be represented here on that day in such a manner that the occasion will represent in the true sense of the word the "Brotherhood" of western North Carolina. By launching the movement at this time it is believed that such a day will be a decided success and every effort will be put forth to make it one.

EDUCATION ONLY ROAD TO WEALTH AND CULTURE

This Is Theme of Dr. Claxton, Addressing Graduates of Peace Institute.

Special to The Gazette-News. Raleigh, May 22.—Taking the position that the only road to material wealth and culture is by the education of the children, Dr. P. P. Claxton, United States commissioner of education, today addressed the graduating class of Peace Institute. There was a large audience present to hear him. He said his theme was not a new one, but he wanted to emphasize his belief that the only way for any people to rise above themselves is by education. Dr. Claxton spoke with feeling and eloquence and paid a beautiful tribute to the parents of the young women, many of whom, he knew, were exercising a commendable self-sacrifice in giving their daughters the opportunity to help in making the nation great. The following were awarded diplomas: Miss Mabel Fugh, Morrisville, N.C.; Miss Clara Idelle Armstrong, Gastonia, N.C.; Miss Elizabeth Ruth McGee, Mount Olive, N.C.; Miss Sue Thackston, Raleigh, N.C.; Miss Sarah Eleanor Tillar, Emporia, Va.; Miss Mittle Esther Hill, Raleigh, N.C.; Miss Mittle Esther Hill, Raleigh, N.C.; Miss Mittle Esther Hill, Raleigh, N.C.; Miss Mittle Esther Hill, Raleigh, N.C.

LEWIS, WHITEVILLE, LITERATURE AND LANGUAGE; MISS MARY WHITE, RALEIGH, LITERATURE AND LANGUAGE; MISS NETTIE HAMILTON GRAVES, CAROLINA, FULL DIPLOMA. Certificates were awarded to Miss Sarah Eleanor Tillar of Emporia, Va., and Miss Jean Gales Ward of Franklinton.

Governor Craig has been advised by a Paterson, N. J., prophet, name not given, that the state of North Carolina is already doomed. The warning was written May 13, 1913, and is as follows: "Governor. According to the prophecy of the United States of America the state of North Carolina is condemned and all pertaining to the United States is and was condemned. Information. Ask and ye shall be told." Just how the state is to be destroyed the prophet omitted to say. At least twenty counties have made application for the \$20,000 money available for a model road to be built under the auspices of the federal government, and three counties are making earnest efforts to get the sum. The government appropriated \$40,000 to this state and Governor Craig diverted \$20,000 to the mountains. Lenoir, Wayne, Johnson and Wake are desirous of contributing \$40,000 to a model highway. One of the propositions is to build a road from Raleigh to Clayton, a distance of 14 miles, and toward this \$20,000 has been secured by private subscription between this city and Clayton. Another proposition is to build a perfect boulevard from Raleigh to Cary, a distance of nine miles. City council has passed an ordinance requiring that all fire shutters in the fire district be closed at night.

There never was a time when people appreciated the real merits of Chamberlain's Cough Remedy more than now. This is shown by the increase in sales and voluntary testimonials from persons who have been cured by it. If you or your children are troubled with a cough or cold give it a trial and become acquainted with its good qualities. For sale by all dealers.

U. S. REPLY NOT SATISFACTORY

Continued from page one. purpose to make it proof against attacks in the courts. Officials here gather from the Tokio despatches that the negotiations are drifting into the stage of pure dispute, where the international lawyers on both sides will have ample opportunity to exercise their full resources in determining the exact relation between the California law and the treaty of 1911. Some expect that the result will be an invocation by the Japanese government of the right of arbitration guaranteed by the special treaty of 1908. San Francisco, May 22.—Cool headness and moderation were urged upon the Japanese residents of California at a mass meeting last night by Soreku Ebata, a member of the house of peers and of the government party and one of a commission sent to this state to investigate the land holding controversy. The venerable statesman pointed out that it was the unanimous desire of the people of his country to reach a satisfactory settlement and it undoubtedly could be accomplished by peaceful means. The relations between the two countries, he said, had been such in the past as to preclude the possibility of any but an amicable adjustment. The whole of Japan—the government, the political parties and the commercial bodies—is unanimously endeavoring to solve this California question peacefully, he said, and it seems to me the Japanese government is fully competent to settle this difficulty satisfactorily. There is absolutely no need for you to pack up your things to go back to Japan in fear of something happening. "California is only one part of this great country after all. Fortunately you have the sympathy of the

FEDERAL GOVERNMENT AND A GREATER PART OF THE CITIZENS OF THIS COUNTRY. Even in California you have a great many supporters and sympathizers.

"I have always admired the American people for their greatness—for their sense of justice and fair play. With these qualities in mind you must wait patiently. Attend to your work and business as usual without any fear. "You are now as though on a ship on a stormy sea. But the captain is commanding the ship. Trust your destiny to him. The ship cannot be directed by everybody." Ayao Hattori, another member of the commission which came to inquire into conditions here, addressing the meeting, said: "Japan entered into treaty relations with the United States after persistent persuasion of Commodore Perry. In their first treaty Japan and the United States agreed that each country should be entitled to free immigration into the other. By that invitation we came here, trusting our lives and property into the hands of the American people. "In one respect we have more freedom in this country than in others. White or negro may marry with the Japanese without interference on the part of the law. "The gentleman's agreement of 1907 was strictly observed by Japan and no fault was to be found with that country. "We believe the United States government will solve the present question according to the principles of justice and humanity." About 4000 Japanese attended the mass meeting.

NANNIE E. SULLIVAN

Daughter of Mr. and Mrs. S. M. Sullivan Died Last Night, Aged 17 Years. Miss Nannie E. Sullivan died last night at 56 Orchard street, the home of her parents, Mr. and Mrs. S. Y. Sullivan, after an illness of about two months. Miss Sullivan was 17 years of age. She had been employed for about two years by the Asheville Telephone and Telegraph company. Surviving are the parents, two brothers, Charles and Robert, and one sister, Miss Pearl. The funeral services will be conducted at the residence this afternoon at 5:30 o'clock by Rev. J. S. Williams, and the interment will be at the Williams cemetery at Democrat tomorrow.

KINGS GATHER FOR WEDDING

(Continued from page 1) which they are honorary colonels. One of the waiting rooms at the station has been converted into a dressing room in order to facilitate the repeated changes of uniform which have to be made by Emperor William when he meets his royal guests. The luncheon of the royal guests at the castle today developed into an informal celebration of the silver wedding of Prince Henry of Prussia, the brother of Emperor William, who married the Princess Irene of Hesse on May 24, 1888. King George displayed his interest in sport by attending the races at the Grunewald track this afternoon. A state dinner is to be given at the castle this evening, at which all the royal and imperial guests will be present.

Effective Home Remedy For Lung Trouble

It is a serious matter when the lungs are affected. A trip away or to a sanatorium is not only expensive, but it involves separation from home and friends. Some are benefited, but few can safely return. Eckman's Alternative is effective for home treatment. For example: 231 S. Atlantic Ave., Haddonfield, N. J. "Gentlemen: In the fall of 1905 I contracted a very severe cold, which settled on my lungs. At last I began to raise spittle, and my physician then told me I must go to California immediately. At this time I was advised to take Eckman's Alternative. I stayed at home and commenced taking it the last week in October. I began to improve, and the first week in January, 1906, I resumed my regular occupation, having gained 25 pounds, fully restored to health. It is now seven years since my recovery has been effected, and I cannot praise Eckman's Alternative too highly. I have recommended it with excellent results." (Signed) W. M. TATEM. (Above abbreviated; more on request) Eckman's Alternative has been proven in my many years' test to be most efficacious in cases of severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stomach Colds and in rebuilding the system. Does not contain narcotic, poison or habit-forming drugs. For sale by all leading druggists. Write the Eckman Laboratory, Philadelphia, Pa., for booklet telling of recoveries and additional evidence.

Is Ready to Reinstate Stovall.

By Associated Press. Chicago, May 22.—The termination of the suspension of George A. Stovall, manager of the St. Louis Americans, will be a matter of his own decision, probably today. President B. B. Johnson of the American league announced last night he had sent a letter to President Judge of the St. Louis Americans saying that he was prepared to reinstate Stovall on condition that certain conditions

ARE DETERMINED TO SECURE LIGHTS Committees Will Start Tomorrow on Campaign for the Ornamental Lights.

EXPECT TO RAISE MONEY IN FEW DAYS

New System Will Cost Less for Year Than Old Cost for Only Three Months.

The campaign to raise funds for the installation of ornamental lights on Patton avenue, Pack square and North and South Main streets will be launched tomorrow morning. The campaign will continue until the necessary funds are raised, the men behind the matter having decided finally that Asheville should have these lights, and with this set determination, there is a feeling that the money will be forthcoming. Nor is it expected that the campaign will consume very many days. There will be an element of competition in this campaign, committees of four men each were appointed this morning to work on the four thoroughfares named above, and the first of the streets that raises the amount necessary will have the lights installed first. The matter of pride among the property owners and merchants on these streets will be aroused and will be maintained by the publishing of daily reports, and the publication of the names of the men signing the agreement. The committees who will work are constituted as follows: Patton avenue—S. Lipinsky, D. L. Jackson, E. L. Ray and Mark W. Brown; Pack square—J. R. Oates, Archibald Nichols, S. P. Burton and Dr. F. S. Smith; South Main street—Haywood Parker, Morris Meyers, Frank Loughran and F. Stikeleather; North Main street—C. C. Millard, J. L. Smathers, J. W. Neely and Hugh LaBarbe. There will be a meeting at night at 8:30 o'clock of these men, together with the other members of the board of trade committee that has been working on the project, and the plans of the campaign will be gone over and everything definitely arranged. These matters were decided, and the committees named, at a meeting this morning of the board of trade committee in the city hall, although a further weakness was exhibited by a few minor railroad and industrial shares. The representative stocks, after an initial period of heaviness, ruled slightly higher for the day. The fact that a good market existed for the new city bonds at par or better was regarded as reassuring. Bonds were irregular. New York, May 22.—There was active selling of the leading stocks at the opening but offerings were absorbed steadily and the list held near yesterday's close. National Railways of Mexico second preferred and Canadian Pacific declined a point and Baltimore and Ohio convertibles reached a new low price at 92. Reading was unchanged on large sales and slight fractional losses were recorded for the other leaders. The first sale of New York city 4 1/2% was a block of \$40,000 at par. Brisk buying of individual stocks infused a better tone into the general market, but the demand for recognized leaders was rather light. Canadian Pacific rallied considerably.

WALL STREET GOSSIP

New York, May 22.—Speculative sentiment improved today, although further weakness was exhibited by a few minor railroad and industrial shares. The representative stocks, after an initial period of heaviness, ruled slightly higher for the day. NEW YORK COTTON

New York, May 22.—Cotton opened steady at unchanged prices to an advance of 3 points and sold about 4 to 5 points net higher during early trading on continued covering and scattering demand. Relatively steady cables, apprehensions of excessive rains all in the western belt, and the failure of the market to weaken on the breaking of the dry spell in the eastern belt in the south appear to account for part of the buying, and prices worked above yesterday's high level after a few stop orders were uncovered. Trading became a little less active later in the morning and prices eased off 3 to 4 points from the best, but the selling was not aggressive enough to cause actual weakness and the market was steady at noon, with prices still showing net gains of 3 or 4 points. Spot quiet; middling uplands, 12.00 nominal.

Cattle, receipts, 4,000; steady; beefs, 7.10@8.85; Texas steers, 6.75@7.70; stockers and feeders, 5.80@8.00; cows and heifers, 3.80@7.90; calves, 7.00@9.75. Sheep, receipts, 17,000; steady; native, 5.40@6.10; year, 6.00@6.85; lambs, native, 6.00@7.65.

CHICAGO BOARD OF TRADE

Chicago, May 22.—On crop reports wheat turned upward. Fair selling, however, made a gradual reaction. Opened 1/4 to 3/4 up. July started at 90 1/2 to 3/4, varying from 1/4 off to a like amount up, rose to 90 3/4 @ 1/2 and then declined to 90 1/2. Corn in a rush of buying caused a little advance, which was met by liberal selling. July opened 1/4 to 3/4 higher at 57 1/2 to 3/4, touched 57 3/4 @ 1/2 and fell back to 57. Oats relatively firm. July which started unchanged to 1/4 higher at 37 1/2 to 3/4, sold at 37 3/4 @ 1/2 but later sagged to 37 1/2. Packers selling weakened provisions. First transactions ranged from last night's level to 1/2 below, including September as follows: Pork 19.50; lard, 11.00 1/2 to 11.05; ribs, 11.07 1/2. Statement of the Kansas crop showed that materially reduced, helped wheat but the close was weak with July 1/2 net lower at 90. A decided corn upturn ensued on purchases by speculators. Closed 1/2 at 92 1/2 for July, 1/2 net gain of 1/2 net.

GET NEW TRIAL

Supreme Court Remands Case Against W. P. Black and Two Others. Special to The Gazette-News. Raleigh, May 22.—Wiley P. Black, Ollie Bird and Algie Rice were granted a new trial by the Supreme court this afternoon in the conspiracy case. The other case against Black was not among the list. A new trial was also granted in Smathers vs. Hotel company from Buncombe.

ASTOR'S BOAT SWIFT

By Associated Press. New York, May 22.—Vincent Astor is the owner of what is said to be the fastest 55 foot motor boat in American waters. In its initial tryout on the Hudson yesterday with Mr. Astor at the wheel, the craft developed a speed of better than 22 miles an hour and is capable of thirty-five when pushed to the limit. The boat is named Corcoria, which was built by a New Jersey firm and has a new type of engine which has never before been installed in any kind of vessel.

Committee Assignments Considered.

By Associated Press. Washington, May 22.—The democratic majority of the house committee on ways and means met today to consider assignments to the committees. The house leaders aimed to blend consideration for service in congress, personal preference of both the old and new members and such a distribution of committee assignments as to preserve a compact, harmonious, effective working party organization. Many Arrests at Caracas.

By Associated Press. St. Petersburg, Caracas, May 22.—Many prominent Venezuelans have been arrested in Caracas during the past few days. This news reached here today through Dr. Leopoldo Baptista, formerly secretary general to President Gomez of Venezuela. He arrived here with General Juan Pablo Pantoja on board a small sailing vessel from the island of Buena Vista, in the Dutch West Indies, after fleeing from the Venezuelan capital. Dr. Baptista's father and brother and the remainder of his family arrived here some time ago.
