## 5.303 OUR "THANK YOU" SALE BEGINS

We want to "thank you" for the splendid patronage given us the past eight months. We announced then, that we would sell for Cash for Less-that we could afford to do so because we would save a great deal of money in bookkeeping and clerical work, and not requiring our customers to pay a proportion of the bad debts of those who would not pay us, for as is always the case with credit stores, the ones who pays their bills pay their proportionate part of those who do not pay their bills.

This THANK YOU SALE is our expression of gratitude and will result in a very great saving to you of money, real money, for the special prices cover just about our entire stock of seasonable goods, giv. ing the additional saving to you right at the season when you need the goods, and when the saving will do you most good.
