DR. MERIWETHER DIED AT 7:20 A.M.

Turn for the Worst Taken at Midnight — Masons Will Arrange Funeral.

The death of Dr. Frank Tryon Meriwether, one of the noted surgeons of the country, occurred this morning at 7:20 o'clock, at his hospital, 24 Grove street, following an operation for appendicitis on Monday.

Alarming reports came from the hospital soon after the operation was performed, but until yesterday the friends of Dr. Meriwether had some hope.

Three men have recently been named as deputy collectors in the revenue service to act under Revenue Agent R. B. Sams, including one Asheville man, Reuben McBrayer, son of Dr. L. B. McBrayer.

Through his attorneys, Fortune & Roberts, R. A. Russell has instituted suit against the Bee Tree Lumber company for damages in the sum of \$2000, for injuries alleged to have been received while in the employment of the defendant company.

CITY NEWS

Dr. R. H. Reeves brought to the office of The Gazette-News today a very fine specimen of head lettuce.

It is stated that such a large number of the physicians of Asheville are contemplating attending the convention of the State Medical society in Morehead City that they are thinking of chartering a car.

The Baraca-Philathea union will meet tonight in regular monthly session at Bethel Methodist church.

The fire department late yesterday afternoon was called to 173 South Main street, where some coals had fallen on an ironing board.

There will be an important meeting of the Travelers' Aid committee of the Y. W. C. A. at the Henrietta this afternoon at 4 o'clock.

MOTOR CARS MADE IN CHALMERS SHOPS.

Come See the Chalmers "Six" The Maximum Car—\$2400

Every day this wonderful car makes a bigger hit. More people talk about, more people place orders for it. Of the many instant Chalmers successes this is the most pronounced.

What could you want in a motor car that isn't found in the Chalmers "Six"? The list of features includes every appointment for comfort, convenience and luxury found on the most expensive cars—and many found nowhere else but on this car.

Maximum Comfort is built into the luxurious Turkish cushions; the 11-inch upholstery; the long wheel base (130 inches); the improved springs; the big wheels and tires.

Maximum Convenience is to be found in the Chalmers self-starter; electric lights; demountable rims; dash adjustment for carburetor; ideal arrangements for all control apparatus on the dash.

Maximum Beauty is seen in the long graceful lines, the roomy, flush-sided body, the sweeping bell back, the nickel trimmings.

Built in The Chalmers Shops. Chalmers organization, manufacturing methods, and the unexcelled facilities of the Chalmers shops make it possible to produce this car at \$2400 and \$2600.
