ORGANIZATION FOR HOSPITAL

S. Lipinsky, Judge J. G. Adams, Dr. P. H. Ringer and C. W. Brown
Chosen Officers.

COMMITTEES NAMED FOR TEMPORARY WORK

Preliminary Plans for Campaign to Secure \$100,000 or More for New Building.

At a meeting yesterday afternoon at the City hall an association was organized for the promotion of a new public hospital, the plans for the promotion of which were given in yesterday's Gazette-News. Officers were elected and details of the campaign to be waged for funds were discussed.

The following officers were chosen: S. Lipinsky, president; Judge Junius G. Adams, vice president; Dr. Paul H. Ringer, secretary; C. W. Brown, treasurer. The president was instructed to appoint the necessary committees and he will probably have them named by an adjourned meeting to be held this afternoon.

Mayor J. E. Rankin presided at the meeting yesterday until the officers were elected. Mr. Hoffsummer, who is to conduct the short term campaign for the \$100,000 to build the new hospital, explained how this would be done. He said he expected to begin the campaign during the early part of August and that it must be finished within ten days; that 400 people, both old and young, men and women, would work in the campaign. There was much enthusiasm expressed over the prospects for the new institution. A temporary finance committee was appointed to raise \$1000 for organization expenses, and there was also a committee appointed to select headquarters.

The following attended the meeting yesterday: Mayor J. E. Rankin, S. Lipinsky, Judge J. C. Pritchard, Judge J. G. Adams, C. W. Brown, Rev. W. C. Newell, Rev. Wyatt Brown, Dr. P. H. Ringer, Dr. C. S. Jordan, Mr. Hoffsummer, N. Buckner, F. M. Weaver, Haywood Parker, O. L. Jarrett.

CAPITAL CITY NOTES

R. C. and S. Opened Between Mt. Gilead and Raleigh—One Farmer Kills Another.

Special to The Gazette-News.

Raleigh, July 1.—A total of 105 miles of new and old railway was thrown open to traffic today when the first train over the Raleigh, Charlotte & Southern left Mt. Gilead for Raleigh. By October it is expected that the entire line between Raleigh and Charlotte will be in operation.

A number of Raleigh people left yesterday afternoon for points on the new line to take the first regular train into this city. The schedules are such as to afford reasonable time for persons all the way to Aberdeen to shop in this city and return home that day.

A party of Norfolk Southern officials, including Vice President Duncan, General Superintendent White and others inspected the road bed preparatory to the first train today.

Governor Locke Craig will again take up his residence in Raleigh on the evening of July 4. He is billed to speak at Guilford Battleground on that date, and will come on to Raleigh from there. His health has been much improved by the sojourn in Asheville.

Governor Craig has extended the reprieve of Claud Blackwell, convicted in Mecklenburg county of killing Dr. Fred Meisenheimer and sentenced to two years in the penitentiary, until August 1 so that the lawyers making application for a pardon might have time to prepare their papers.

News has been received in the city announcing the illness of former Lieutenant Governor R. A. Doughton of Sparta, who is suffering from typhoid fever. It is reported.

News has been received in the city of a tragedy in Barton's creek township Saturday, when Jim Glenn, a white farmer, was killed by Henry Jenkins, Glenn using a shovel. The two quarreled over the sawing of timber at Ball's sawmill. Jenkins fled after the killing.
