Asheville Horse Show Is Full of High Class Entries

Oates Park Converted into Ideal Show Ring—Afternoon and Night Performances Excellent—Exhibit of Horses Is Highly Creditable.

The Asheville Horse Show opened at Oates park yesterday afternoon and the exhibition at the afternoon and night performances were of excellent character. Several of the events of the afternoon had to be postponed on account of weather conditions, but last night the show was everything that could be desired. The attendance was only fair, for considering the quality of the show every available seat should have been taken and the parking spaces all occupied. What may be lacking in the number of exhibits is more than made up in the high class of the entries. The lovers of fine horseflesh are being given an opportunity to see a display of blooded horses here that would credit to any city of the south.

The only thing to mar the opening performance was an accident last night, when W. C. Coile of Waynesville, who was driving in the single roadster class, was thrown from his speed wagon and dragged about 25 yards. His collar bone was broken and he was taken immediately to the Mission hospital. In this class one of the points to be shown was speed, and in making the turn near the grandstand Mr. Coile's wagon tipped over and he was thrown to the ground. He held to the reins and was dragged until his horse stopped. In a few moments he got up and walked from the field. Few people knew that he was badly injured and the show continued.

Oates park has been converted into an ideal show ring, the circumference of the ring being about 1600 feet, and the lighting last night was excellent, a combination of gas and high candle power incandescent lights illuminating the show ring almost as brilliantly as daylight. A section of the grandstand has been set aside for the First Regiment band and a number of selections were rendered at the performances yesterday afternoon and last night.

The horses are being judged by Logan T. Trousdale of Birmingham, who is widely known as an expert horseman, and his decisions so far have met with the hearty approval of all exhibitors and those witnessing the show. The judging is done from the center of the ring and Mr. Trousdale shows himself to be most careful in ascertaining every point in favor of or against each horse before the prizes are awarded.

The first event of the opening yesterday afternoon was in the class for model horses. The entries were shown in hand, conformation and soundness alone counting. There were eight entries and the animals exhibited elicited round after round of applause as they were led around the ring for inspection. The following were the prize winners in this class: First, blue ribbon and cup, Princess Patricia, owned by Charles T. Little of Camden, S. C.; second, red ribbon, Robin Adair, owned by Mrs. M. G. Bowman; third, yellow ribbon, owned by L. L. Jenkins.

The second event was for three gaited saddle horses, showing walk, trot and canter, and one of the conditions was that the entries were to be ridden by gentlemen. There were six entries in the event and the animals showed up in excellent form. The prizes were awarded as follows: First, blue ribbon and \$20 in gold, Robin Adair; second, red ribbon and \$10 in gold, Willmore, owned by Mr. Little; third, yellow ribbon, Lord Chesterfield, owned by Miss Leah Arcout.

The last event of the afternoon was in the gentlemen's riding contest. This was only a partial event, the contestants riding again last night. The prize will be announced late tomorrow evening. It is a solid silver cup and \$25 in gold. The mount used may show either three or five gait and those who have ridden so far are: W. C. Coile, Waynesville; R. W. Alexander, Roy Case, Robert R. Reynolds, Latt Brown, T. O. Grant, and Porter Webb, all of Asheville; Charles T. Little of Camden, S. C.; R. M. Hunt, Union Springs, Ala.; Dr. Snyder, Camden, S. C.; Col. W. P. Howard, Ghent, Ky.; L. C. Bourne, Louisville, Ky.; W. M. Buckner, Marshall, N. C.; and Vol Shepherd, Hendersonville, N. C.

Last night the first event was for single roadsters, shown in open bays, or speed wagon. The points considered were conformation, manners and a reasonable amount of speed. This proved one of the prettiest of the events of the first day, and every contestant received his share of applause. The prizes awarded were: First, blue ribbon and \$100 in gold, Kentworth, owned by Jake M. Chiles; second, red ribbon and \$25 in gold, Goldenrod, owned by Charlton Millard; third, yellow ribbon and \$15 in gold, The Abbott, owned by Mrs. R. M. Hunt.

The ladies' single harness horse class was the next event. The general appearance of the turnout was considered in judging this class and the awards were: First, blue ribbon and \$50 in gold, Robin Adair; second red ribbon, Lord Chesterfield; third, yellow ribbon, Prince Bourbon, owned by Mrs. R. R. Reynolds. The exhibition which followed in the gentlemen's riding contest, closed the program for the evening.

The program for the remainder of the show is as follows:

This Afternoon, 4:30.

The premium list and catalogue for the ninth annual Haywood County fair has just been issued by the Haywood County Stock Raisers and Farmers association and is being distributed over the section. The fair will be held in Waynesville this year, September 30 and October 1-3. The list of premiums shown, and the expansion in all departments indicate that the fair will be one of the most successful ever conducted there.

In the introduction by Secretary J. D. Boone, it is pointed out that this is not a county fair exclusively, but that it is intended for the entire section. Its object is to further advance the industries of western North Carolina, as well as Haywood county. It is announced; and the officers, who have worked together in the organization for the past three years, have endeavored this year to make the fair broader in every way.

The departments in which valuable premiums will be offered this year are as follows: Farm products, agriculture, horticulture, horses, cattle, beef and dairy, sheep, swine, poultry, pantry supplies, ladies' work, fine arts, native woods, minerals, general, and educational. There will also be a singing contest and trials of speed for Haywood county horses.

The following are the very valuable premiums offered for the best, greatest variety and most artistically arranged collective agricultural exhibit by an individual: First, \$100; second, \$75; third, \$50; fourth, \$25; fifth, \$10. The other premiums in all departments are offered on a similarly broad basis.

Licensed to Sell.

PLANTATION DARKIES VISIT THE AIRDOME

Last night at the Airdome the most representative audience that ever sat in an airdome greeted Col. Patrick in the presentation of his plantation show. Many of those whose memory dates back to the good old plantation days sat intently through the whole performance and visions played before their minds fast and vividly. And why not, for songs that are new to the younger generation but favorites with those whose years soar upward, were sung by the old darkeys in their own peculiar way. Games, too, that characterized that period were in evidence, familiar to many, but a distinct novelty to the younger people. The old style of dancing won applause in large measure and caused much jollification among the entire audience.

Many things of genuine interest could be recalled here but suffice to say that the entertainment was well worth while and one that can seldom be seen.

This afternoon and tomorrow afternoon at 4:30 a special matinee will be given in order that all the children may come and see the plantation show while at night two performances will be given, at 8 and 9:30 respectively. At the matinees, children will be admitted for 10 cents, their nurses free, and adults at 15 cents. At night children at 10 and adults at 25 cents. (adv-11)

Summer Foods As Cause of Dyspepsia

Many Also Get Diarrhoea—What To Do In Either Case

Summer ought to be the months of most perfect health, but owing to contaminated water and milk, uric acid, fruit, germs and insects the average of health is not good at this time of the year. There is much skin trouble from acid fruits, and much dyspepsia and diarrhoea from cold foods and iced beverages.

Wis, who finds she can give it to her baby without causing cramps or pains, and Mrs. Wm. D. Richter, Clayville, Va., who considers it a laxative tonic absolutely unexcelled. They know of no pleasanter cure for constipation, liver trouble, indigestion, summer diarrhoea, etc. It is valuable to all the family from infancy to old age. Children like its taste. All druggists sell it at fifty cents and one dollar a bottle, the latter being the family size. Families wishing to try a free sample bottle can obtain it, postpaid, by addressing Dr. W. B. Caldwell, 413 Washington street, Monticello, Ill.

The skin trouble is easily stopped by discontinuing fruit for a few days, and by the use of a mild laxative to clean the bowels and tone the blood. The dyspepsia is likewise corrected by the use of a laxative that has combined with it the elements of a digestive tonic. Hence the best remedy to use is Dr. Caldwell's Syrup Pepsin, which, as its name indicates, is a pleasant laxative combined with the virtues of pepsin, which we all know is the best cure for indigestion.

Use Syrup Pepsin also for summer diarrhoea. Avoid astringents, physics and cathartics, as they are unnecessarily harsh. Thousands of good American families prefer Dr. Caldwell's Syrup Pepsin, among them those of Mrs. W. A. Taylor, Beloit,
