

Colorado Is Bigger than Imagination

The brush of fancy can't paint upon the canvas of the mind as wonderfully as nature's titanic hands have built here in the birth-spot of the mighty Rockies.

But Colorado is a condition as well as a picture. You'll not only see a country different from any under the stars, but you'll be a different human the moment you stand in the shadows of her majestic ranges and bathe your worn and sluggish city-dulled being in the vital, sparkling, clean, clear, sweet air of the great American Highlands.

Rock Island Lines through sleeping car to Colorado

offers the best service to the Rockies. Electric lighted, fan cooled sleeper through to Colorado Springs, Denver and Pueblo, via Memphis and Kansas City. Dining car service all the way.

The Colorado Flyer from St. Louis and the Rocky Mountain Limited from Chicago, one night on the road trains—offer splendid service for those desiring to go by St. Louis or Chicago.

If you can afford to go anywhere, you can afford a Colorado vacation Board and room \$7 per week up.

Hundreds of good hotels and boarding houses offer good board for as low as \$7 per week, and rooms at \$3 per week.

NEW YORK COTTON.

New York, Aug. 15.—A private report making the condition of the cotton crop 75.4 against 81.1 two weeks ago, caused a considerable covering movement this morning. The opening was fair at an advance of 7 to 10 points.

Higher cables were attributed to the same influence but the advance encountered a good deal of cotton and prices eased off 2 or 3 points.

Private wires indicated further light scattering showers in the southwest and selling was supposed to be inspired by a bearish view of spinners attitude.

Cotton prices became firmer in the late forenoon on predictions for fair weather in the southwest. At midday prices were about 12 to 14 points net higher. Estimated receipts today 7000 bales.

CO-OPERATION IN ADVERTISEMENTS

Banners and Posters Sent out Advertising All Fairs and Baby Show.

The management of the Western North Carolina Fair association is today sending out the banners and posters that are to be used all over the section in advising the fair, which is to be held here October 7-10. The banners will advertise other fairs that are to be held in the section, as well as the Asheville fair, and the posters will emphasize the "Better Babies" contest, which is to be one of the big features of the fair here. These posters carry the lithographed picture of a big, healthy looking baby and the words, "Boo-Hoo, I want to go, and enter the 'Better Babies' contest in the Western North Carolina Fair."

Information is also given on the poster as to the dates of other fairs.

The banners are the unique scheme that has been undertaken for advertising the fair this year. They are about 15 feet long and two feet wide. One half of the banner is devoted to the fair here and the other half to the following events: Jackson county fair, Sylva, September 25-26; Haywood County fair, Waynesville, September 30 and October 1-3; McDowell County fair, Marion, October 15-18; and Blue Ridge Township fair, Dena, November 5-7. The three points of extensive exhibits, pleasing attractions and valuable premiums are emphasized for all five fairs.

This series of events is to be known as the Western North Carolina Fair circuit, and this year is the first that such co-operation has been followed in advertising here. The association here has borne the expense of getting out the advertising matter, and this matter will be distributed and put up by the other associations. The 22 counties of the section will be thoroughly posted, and the banners will be stretched across every important road leading into every city and town of the section. The scheme is believed to be the best ever put in use in western North Carolina, and there is little doubt that such co-operative work will produce good results.

The management of the association here is now endeavoring to bring the various associations into further co-operative work, and letters are being sent out to the secretaries of these associations asking them to meet with the secretary here at some early date, next Friday afternoon being suggested, to go over other plans. One of these plans will be the proposed co-operation in securing midway attractions. Such attractions have always been one of the principal weaknesses of the fairs of the section in the past, owing to the great cost; but with proper co-operation it is believed that excellent attractions might be arranged for all of them. Other matters in which the associations are mutually interested will also be taken up and there is little doubt but that all the secretaries will respond to the call to meet here.

WALL STREET GOSSIP.
New York, Aug. 15.—The apathy of today's stock market afforded a striking contrast to recent days when dealings were large and broad on a rising tendency. Trading in the first hour was perfunctory, the market being almost stagnant towards noon. Prices were slightly under the previous day's close but there was no pressure, although Canadian, New Haven and Rock Island issues were down 1 to almost 2 points.

Advances were restricted to minor railroads and specialties, including

In the matter of J. W. and H. Chapman, partners, trading as Brevard Steam Laundry, bankrupts. No. —. In Bankruptcy.—PETITION FOR DISCHARGE.

To the Honorable Jas. E. Boyd, Judge of the District Court of the United States for the Western District of North Carolina.

J. W. and H. Chapman, partners trading under the name and style of Brevard Steam Laundry, of Brevard, in the county of Transylvania, and state of North Carolina, in said district, respectfully represent that on the third day of May, last past he was duly adjudged bankrupt under the acts of congress relating to bankruptcy; that he has duly surrendered all his property, rights and claims of property, and has fully complied with all the requirements of said acts and of the orders of the Court touching his bankruptcy.

Wherefore, the said J. W. and H. Chapman pray that they may be discharged by the Court to have a full discharge from all debts provable against their estates under said bankruptcy acts, except such debts as are exempt by laws from such discharge. Dated this August 7th, 1913.

Thomas, as special master, at his office, 23-24 American National Bank Building, in Asheville, in said district, at 10 o'clock in the forenoon; and that notice thereof be published in The Gazette-News, a newspaper printed in said district, and that all known creditors and other persons in interest may appear at the said time and place and show cause, if any they have, why the prayer of the said petitioner should not be granted.

Witness the Honorable James E. Boyd, Judge of said Court, and the seal thereof, at Asheville, in said district, on the 15th day of August, A. D. 1913.
