constitutionalists Will Not Admit He Intends Attacking Federal Prisoner Trains.

By Associated Fress.

El Paso, Tex., Aug. 18.-According to Juan Dozal, former colonel of the constitutionalists, General Francisco Villa, at the head of 1500 troops, is marching south from Ascension, Chi-huahua, to San Buena Ventura, about 60 miles west of Gallego station on the Mexican National railroad. United States army advices are that Villa's entire army has moved southward, presumably in the direction of the Madera lumber district.

Constitutionalists here are reticent in regard to Villa's latest movement. They do not admit that he will atcempt an attack on federal provision trains, which are loading in Jaurez to leave for Chihuahua Tuesday.

Col. Toribio Ortega, leading the remnants of his band, who attempted to capture federal trains at Rancherla two weeks ago, is at San Buena Ventura, waiting for Villa's main column, federals say.
