

# GIRLS! BEAUTIFUL, CHARMING HAIR, NO DANDRUFF-25 CENT DANDERINE

Try this! Doubles beauty of your hair and stops it falling out.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse." Just try this—moisten and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and ex-

cessive oil and in just a few moments you have doubled the beauty of your hair. Besides beautifying the hair at once, dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair. But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair, growing all over the scalp. It will surely get a 25 cent bottle of Knowlton's Danderine from any drug, dist or toilet counter, and just try it

**DuBose-McDowell.**  
On Wednesday evening, September 10, in Grace church, Morganton, was held the marriage of John W. McDowell and Miss Rainsford DuBose. The church was beautifully decorated in palms and white and pink flowers, pink and white being the color scheme. The church was crowded with friends and relatives long before the appointed hour, and when Harde Turner began the Lutheran wedding march, all were eagerly awaiting the bride party. First came the ushers—Victor Johnston and Neilson Falls; then the damo of honor, Mrs. Isaac Avery, in white satin and pearls, carrying a bouquet of pink roses and ferns; then Miss Florence Miller of Asheville with Walton Avery, Miss Abbie Jean Miller of Florida with Richard Giersch of Raleigh, and Miss Eliza Pearson with Frank Brown of Jacksonville, Florida. Miss Lulu Harris of Macon, was maid of honor, beautifully gowned in white crepe, mother and lace and carried pink roses. The bride's dress was crepe metier and lace trimmed with pearls and gracefully caught up with orange blossoms. The bride carried a beautiful shower bouquet of lilies of the valley and wore a bracelet of pearl lilies of the valley, a family heirloom. She entered the church with her mother, Mrs. DuBose, who gave her away. Mrs. DuBose wore a handsome creation of black net and lace over ivory satin. The bridesmaids' dresses were of white crepe metier draped with pink roses, and pink slippers. They carried bouquets of pink roses and ferns. The bride was met at the choir step by the groom and the best man, McNeely DuBose, brother of the bride. Bishop Junius Moore Horner performed the ceremony and Mr. Prentiss was in the chancel. Just after the ceremony the immediate wedding party returned to the residence of Mr. and Mrs. Isaac Avery for the bride's reception. Delicious refreshments of chicken salad, sandwiches, coffee, ice cream and cakes were served. The cutting of the bride's cake caused much excitement among the bridal party. Besides the bridesmaids and ushers, those present were: Mr. and Mrs. McDowell, father and mother of the groom, and Joe McDowell, his brother, Mr. and Mrs. Avery, Mrs. Johnston, Bishop Horner, Mrs. Frontis, Miss St. Pierre and St. John DuBose, and Stanley Avery, Mrs. and Miss King of Sewanee.

### E. A. GOSHERT WILL TRY MEMPHIS FOR AWHILE

Associated Press Operator of  
Gazette-News to Go With  
Commercial Appeal.

Much to the regret of those with whom he has been associated, E. A. Goshert, who for almost a year has been handling the Associated Press wire for The Gazette-News, leaves tomorrow for Memphis to take a similar position with the Commercial Appeal. Mr. Goshert is known as one of the most efficient men in the service. He has made many friends in Asheville who will also regret that he is leaving.

Mr. Goshert is not departing from Asheville because he does not like the place. On the contrary he is very well pleased with the mountain metropolis—especially with the baseball amusements; and were the season not ended it is very doubtful if he would make the trip. Despite the fact that Asheville did not win the pennant, Mr. Goshert will maintain with heat that the Mountaineers were the best team in the league and will back his judgment appropriately on this point. Mr. Goshert, long before the season started, began vigorously kicking for a season pass to the games and he never missed a contest so far as the official scores know. Toward the last of the season the umpires would not think of beginning the game if Mr. Goshert had delayed in getting there. However, he was never delayed.

Of course they have reasonably good baseball facilities at Memphis, but Mr. Goshert is extremely particular about his baseball amusements; and if he should be assigned to a seat in the grandstand that he doesn't like, or if he should not be pleased with any considerable portion of the personnel of the team, Asheville fans will not be surprised to see him back here next season—sitting in the press box and imploring the visiting pitcher to give Holland a "fence ball."

### "CASCARETS" RELIEVE SICK, SOUR STOMACH

Move acids, gases and clogged  
wasts from liver and  
bowels.

Get a 10-cent box now.

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, dizziness and sick headache, means a disordered stomach, which cannot be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any.

Try Cascarets: they immediately cleanse the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels. Then your stomach trouble is ended. A Cascaret to-night will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

### STATE CONVICTS TO GO ON MADISON CO. ROADS

Asheville Motor Club So Advised by Governor Craig—  
Meeting Last Night.

The Asheville Motor club will cooperate with the Asheville and Buncombe County Good Roads association in arranging a program of entertainment for the visiting delegates to the Southern Appalachian Good Roads association, which meets here October 22 and 23. This was decided at a meeting of the club last night, when President E. C. Chambers and F. Stille, leader of the local good roads organization appeared and asked that this co-operation be given. The president of the club will appoint a special committee within a few days to assist in the arrangements.

A letter, which was enthusiastically received, was read at the meeting last night from Governor Locke Craig. The communication was relative to the work to be done on the Madison county roads, and it was stated that state convicts will be put on the work just as soon as they are available. It was stated further that the convicts would have been put there sooner but it was considered necessary to put them on the Hickory Nut Gap road, and there was not a sufficient number available for both projects.

Dr. Carl V. Reynolds and Dr. Eugene B. Glenn were named at the meeting last night as the membership committee for the coming month, and Wyatt Marsteller was elected to membership. Governor Craig was unanimously elected as an honorary member.

### M. Webb Co's Opening.

This week has ushered in the first fall openings of the season.

The M. Webb Co. had yesterday their usual early display of fall and winter millinery.

The variety of the imported models and chic tailored hats was enthusiastically accepted by the most fastidious buyer, who, with little effort, found something particularly suited to her own individuality.

This autumn's showings indicate that the hats are to be both small and medium rich colored velvets and plushes holding supremacy, black the reigning color and feathers the dominant trimming.

One of the striking things shown by the M. Webb Co. was a tete de negre velvet and fitch fur set, consisting of hat and muff, which, together with the many other novelties displayed, created great interest.
