JUDGE CARTER TO TRY HEAVY DOCKET

There Are 177 Old Cases and 54 New—Criminal Term Begins Monday.

Superior court for the trial of criminal cases will convene here Monday morning, for a two weeks' term. Judge Frank Carter will preside, he and Solicitor Robert R. Reynolds arriving here Saturday night from Marshall, where they have been holding court for the past two weeks.

The docket that will be presented to Judge Carter is packed with cases, there being 177 old cases on the docket and 54 new ones up to 1 o'clock today. This total of 231 cases includes nearly everything in the catalogue of crime. Probably the most important case that is booked to come up at this term of court is that of A. M. West, who shot and killed Dr. W. J. Clontz at Alexander, on the afternoon of August 11. At the preliminary hearing held before magistrate W. A. James, Jr., the defendant was held for Superior court without bond.

Two negroes, Arthur Robinson and Charles Moss, are held in jail charged with housebreaking, and their cases will be heard at this court.

Robinson is alleged to have entered the house of Clarence Smart on Starnes avenue and to have stolen an overcoat, which was afterwards found in a pawn shop, where Robinson is said to have carried it.

Moss is accused of entering the house of C. E. Watkins, on Spruce street, where he was caught by several of the boarders of the house. At the hearing held in police court neither of the defendants made any statement, and their line of defense is not known.

George Matthews, a white man charged with criminal assault, will be tried at this term. It is said that this is the only case of this nature to be in Superior court for a number of years.

John Ramsey, a 14 years old white boy, is held in jail on a charge of arson, it being alleged that he attempted to burn the store of the Globe Furniture company, on South Main street, several days ago. When Ramsey's case was called in Police court he waived examination and was held to Superior court without bond. Ramsey is well known in the criminal records of the Police and Sheriff's department, having served a term on the roads, done time in the county and city jail and having been sentenced to the reform school a number of times.

The case against James Lattimore Himrod, for flushing checks, will come up for final judgment at this time. Himrod came to Asheville claiming to be one of the organizers of an industrial school at Whittier and afterwards proceeded to plan a "pageant beautiful" which he was to pull off at Riverside Park during the last of August. It was here he was alleged to have given the bad checks, four in number. Himrod was only recently released from the county jail on bond.

Of the 54 new cases to come before the court, other than the ones already mentioned, are the following: Seven retailing cases in which the defendants appealed from the Police court; four cases of carrying concealed weapons, and 11 cases of assault with deadly weapons.

Curtis Branks will be tried on a charge of cruelty to animals, it being alleged that he beat a mule to death. The case was tried in Police court, where Branks received a road sentence from which he appealed.

There are seven cases of a disorderly nature, brought up from the Police court on appeal, and seven defendants who were charged with being drunk, who appealed to the "big" court.

Three alleged violators of the city traffic ordinances will have their cases tried at this time.

The sheriff's office reports that the deputies have been having remarkable success in locating and summoning witnesses and that everything is about ready for the opening of court on next Monday morning.

The board of county commissioners will meet in special session tomorrow morning for the purpose of arranging the jury lists for this term of court.

SEEKS POSSESSION OF AN AUTOMOBILE

Mrs. Jessie V. W. Low filed in the office of the clerk of Superior court this morning a complaint against E. R. Soncrant, in which she asks to be declared the owner of an automobile that the defendant now has in his possession, and she seeks to recover the sum of \$100 for damage which she claims has been done to the machine since the defendant has had it.

The Lowenbein-Rutenberg company this morning filed suit in the office of the clerk of Superior court against the Cooper Lumber company for damages in the amount of \$1425.
