ley Line to Grove Park

Inn.

It is announced that the Ashe ville Power & Light company will begin work next week, probably on Mon-day, to lay the extension of the Char-lotte sirect line to Grove" Park inn. The grading for this extension is being done by the owners of the inn and the work is being pushed very rapidly this week in order that the work of laying the track can be begun on schedule. The work of putting in this extension is not expected to take a attractions offered by the inn.

While building the grade for this policy of segregation of races in the SHITLISC Work is also going forward very rapidly on the widening and rebuild-ing of the autoway from the inn to the summit of Sunset mountain, and this drive will be in excellent condi-tion again by early spring. The drive is being widened at all sharp curves drive will be open to both automobiles by District Attorney Whitman. and carriages, and there is a possibildefinitely decided by the owners.

The Grove autoway, as this section highway is generally known, is the found anywhere in the country Many Witnesses Introduced in and was built as an exclusive automo-bile drive. Since its opening it has been the meeca for thousands of auomobiles taking both residents and visitors for a view of the surrounding country from the summit of Sunset Grading in Progress for Trol- of the inn it was closed temporarily on account of the passage of heavily laden wagons that were transporting stone for the structure. This heavy traffic put it in bad condition, but when

the improvement work is completed it will be even finer than before. NEGRO DELEGATION IS

GRAND JURY HAS MADE

REPORT OF CONDITIONS

The grand jury, G. A. Webster, foreman, submitted its report to Judge Frank Carter Wednesday and were dismissed, after being in session for three days. The report was per-haps one of the shortest ever presented in this county, according to some of the court officials, containing about 150 words in all.

THE ASHEVILLE GAZETTE - NEWS

Lea's resolution for an investigation In the report two lines each are given to the county jail and the chilof the relations between the Louisville and Nashville railroad and its alled dren's home and four lines to the lines to develop whether the anti-trust county court house and four more laws have been violated, has been were devoted to one of the two recom-mendations which the jury made. It recommended that the grand jury room be kept in the old place and that passed by the senate after a brief de-A general investigation of the affairs of the Louisville and Nashville by the interstate commerce commission

seats for at least 20 witnesses be placed in the hall outside the door of the graind jury room. The report says that all the county institutions were found in good condi-

tion. No report was made of the county and city reform school, whatever. The report recommended that additional filing cases be installed for the county clerk's office.

JUDGE CARTER EFFECTS **RECONCILIATION OF TWO**

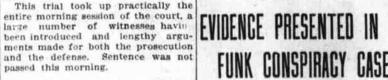

In Superior court the cases tried were of minor criminality. When the case of Julius Gaddy, charged with abandonment, was called and after several witnesses had been examined, the court announced that he thought some adjustment could be made

whereby the parties could be brought together and continue to live with each other. Stopping the case, the

court called Mrs. Gaddy and after consulting with her for sometime, announced that she would continue to live with her husband. The husband was then ordered to appear at the next term of court and show that he Tom Lawson of Hot Springs was onvicted in United States District was still living with his wife.
