## MINSTREL PERFORMANCE AT MAJESTIC THEATER

Vaudeville Act Also on Bill-Good Roads Pictures at Galax Wednesday.

A real minstrel show will be seen at the Majestic theater for the first three days of this week, to be pre sented by the McGeorge' Musical Comedy company. This company boasts 15 people, and all are said to be exceptionally good in their particular roles. The minstrel is complete in every detail, according to the accepted order of such shows by the large companies, and there are four end-men whose comedy is said to be of an exceptionally high order.

In addition to this principal attraction, the management of the theate has also booked a vaudeville act that will serve to round out a very fine program. Pictures will be shown as usual and there will be good music by the theater orchestra.

George F. Weller, formerly with the Primrose & Dockstader minstrels and advertised as the "Peerless baritone," has been secured for vocal solos at the Princess theater all this week, and a very fine program of moving pictures has been arranged for the daily bill.

The feature of the week at the Galax theater will be the Pathe picture taken here recently of Governor Locke Craig helping in the good roads on the program for today and the fol-
