## THE PRIMARY PLAN.

Among the national committeemen of his own and the Progressive parties siderable force and clearness the view man." and among members of congress, of the shipping interests of the State interviews which enterprising newspapers have procured from those statesmen and from polls which have ers is indefensible from any viewbeen conducted. Republicans are not point. so responsive, and where they have made public expressions at all have been non-committal. The Progressives appear even more unreserved in endorsement than the Democrats, lish police, who have taken the ag-

of Wilson, holds back. Expressing the World well expresses other possibilities of the "reform":

Assuming, however, that it exists, the mechanical obstacles seem almost insurmountable, and the cost of nominating a candidate for President would promise to be hardly less than the cost of electing a President. deed, it might be more, and a situa-tion could easily be created in which the final arbiter of the nominating process would be neither the people nor a convention nor a political committee, but the Supreme court of the United States

The World has no admiration for a method of nominating Presidents in which a Muruhy can cast as a unit New York's 90 votes in a Democratic national convention; but we are not compelled to choose between Murphy a Presidential primary. American people want a better way of naming Presidents, they have only to correct certain obvious evils in the existing system.

State primaries already enter into the selection of practically all dele-

Glenn would have to abandon the let ture field, a course from which his being shrinks. tatistical Secretary Complies Report owing Remarkable Growth In All Departments

#### Special to The Gazette-News,

Raleigh, Dec. 5 .- E. L. Middleton, statistical secretary of the Baptist state convention, has complied the reports from 57 of 64 Baptist associachoice to a convention dominated by congressmen? Nobody is ever a can-carkist, and joy comes cantering presentation to the state convention that convenes next Tuesday in Shelby bership is 245,539, without the membership of the fifty churches reported The net gain in membership is 6871, There are 1934 Sunday schools with 190,686 members, a gain of 10,983. Ministers report 13,264 baptisms for the year. The denomination controls three big educational institutions-Wake Forest, Meredith and Murfrees-boro. These properties are valued at \$1,377,500, an increase of \$50,000 for the past year. An \$18,200 indebtedness on Meredith college was paid off during the past year. And the college has an endowment of \$450,000 which it is hoped to have completely in hand by the close of the present year.
