Legislation.

Washington, Dec. 10.—President Wilson will be asked to use his good offices in an effort to have legislation assed by congress that will effectu ally suppress the poisoned needle wielders who have been very active recently. A committee from the Woman's Christian Temperance union has been appointed and will call upon the president soon.

The rapidity with which the poisoned needle practice has grown in New York and, it is believed, in other large cities has stirred the temper-
