Arden Notes.

Correspondence of The Gazette-News. Arden, Jan. 10.—Among the young people home for the Christmas holidays who have returned to their various schools and colleges are Miss Susannah Wetmore.

White Blouses.

In white blouses a color note is struck that is decidedly novel. This is done by introducing little ornaments with or without dangling fringe pendants.

White Blouses.

The many friends of Mrs. Thomas Wetmore of Christ's school, Arden, and her daughter, Miss Susanna Wetmore, will be interested in hearing that the three verses on the attractive calendars being sent out by Christ's school are the original composition of Miss Wetmore.

GREAT CHANGE IN TWENTY YEARS

Shaw Lady Looks Younger Instead of Older With Lapse of Time.

Shaw, Miss.—Mrs. V. N. Smith, of this city, makes an interesting statement of her experiences, as follows: "Twenty-nine years ago, I contracted a serious form of womanly trouble. We called in our family physician, and he treated me for it, but it seemed to do no good. It went on into other bad troubles, and I commenced taking all kinds of medicines to see if I could get relief, but to no avail.

I suffered with that trouble until eleven years ago, when I read about Cardui, the woman's tonic, and bought a full treatment. It relieved me at once, and after taking the full treatment, I am now well and stout.

I sent my brother, whom I had not seen in twenty years, one of my photographs, and he wrote me that I looked younger than when he last saw me."

For more than 50 years, Cardui has been relieving women's sufferings, and building weak women up to health and strength. No other tonic gives the same results as Cardui. No other woman's medicine has the long record of success in treating cases of womanly weakness and disease.

Cardui will surely help you. Try it. N. B.—Write to Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women." Sent in plain wrapper, on request.

USEFUL AND PRETTY.

Just What the Housewife Will Like.

CORK BAG OF BLUE LINEN.

Corks are one of the little things one can never find when there is use for them. This little cork bag is the clever idea of an ingenious housekeeper who believes in "a place for everything and everything in its place."

The bag is built of blue linen, with a band of cretonne as a decoration. To the end of the bag is attached a corkscrew.

Flowerpots of any size or design may be made of plaster of paris in the following way: First secure a mold of the desired size. It must be smooth upon the outside and the top a little larger than the bottom. Grease the mold and cover it with paper. Mix plaster of paris one part, water two and one-half parts, and into this solution dip inch wide strips of muslin.

Invert the mold and cover the bottom with a square of muslin that has been dipped in the plaster mixture. Then, upon the same plan that a surgeon employs to adjust a plaster cast, begin to wind diagonally, around and around, working from bottom to top and then back again, smoothing on the creases and keeping the strips even. When the last layer is in place add a generous coating of the plaster rubbing it level by the hand. Set in a strong current of air, and in a short time the mold can be removed.

The strips of muslin should be about ten inches long to manage easily, and the size of the pot will govern the number used, as a large one will require more in order to produce a heavier article.

The last coating can be stamped with any ornamental impression of a beautifully marbled by dusting a little powdered lye upon it before finishing.

Soon Gets Over It. "What is the honeymoon, pa?" "Well, the honeymoon is the only period in a man's life during which he considers it funny to come home and find that his dear little wife hasn't dinner ready in time."

NEWBRO'S HERPICIDE SAVES WORRY, SAVES MONEY, SAVES THE HAIR

If you want to free your head of dandruff and stop falling hair, you must sooner or later resort to Newbro's Herpicide.

By using Herpicide first you save yourself worry, which is desirable, you save money, which is a consideration, and save your hair, which is the most important of all.

Why not profit by the experience of Mrs. S. A. Lee, of 110 South 4th Street, Richmond, Va., who writes:

"Four years' residence in India ruined my hair until it was but two inches long and very thin. I tried everything in Europe and America without benefit until I was induced to use Herpicide. My hair is now long, soft and silky and natural color, while before it was quite gray. My friends never tire of admiring my hair."

Mrs. Lee's story is a typical history of hair troubles. After everything else fails Newbro's Herpicide brings relief. It would be just as effective if used first.

Newbro's Herpicide makes the accumulation of dandruff impossible and prevents falling hair. It stops itching of the scalp almost instantly. No matter what the claims of others, Herpicide is the only "genuine" original dandruff germ destroyer.

Newbro's Herpicide in 50c and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.
