

A Staple Medicine for Every Family

No Self Respecting Group of People Should be Without A Good Family Laxative.

It is inconceivable in this day of general intelligence that any family would be without a simple remedy for the minor ills of life, for often by giving such a remedy in time a serious disease can be frustrated and a life saved.

For example, if at the first sign of a cold a simple laxative tonic like Dr. Caldwell's Syrup Pepsin were given, the beginning of a serious lung affection of a typhoid fever might be avoided. And also in headache, nervousness, etc., a small dose of this remedy would relieve the congestion and replace distress with comfort. Mothers give it to their infants and little children, and grown people take it with equally good effect.

Thousands of good American homes are never without it, among them the home of Mrs. C. A. Wright, 1831 Pasadena Ave., Long Beach, Cal. She had considerable trouble raising little Lawrence, three years old, but after regulating his bowels with small doses of Dr. Caldwell's Syrup Pepsin he began to thrive and she has had no further trouble with him. They use it generally in her home.

Syrup Pepsin saves the health of the family, and it saves doctor's bills. It is a guaranteed cure for any form of stomach, liver and bowel trouble, constipation, indigestion, biliousness,

gas on the stomach, headaches, drowsiness after eating, etc. Have no hesitancy about giving it to any member of the family, however young or old, for it contains nothing injurious to the youngest person.

A bottle can be obtained at any nearby drug store for fifty cents or one dollar. The latter size is more economical and is bought by those who have already convinced themselves of its merits. Syrup Pepsin users learn to discard pills, salts, cathartics and purgatives, generally as they are too great a shock to any average system.

Families wishing to try a free sample can obtain it postpaid by addressing Dr. W. B. Caldwell, 419 Washington St., Monticello, Ill. A postal card with your name and address on it will do.

BEST LAXATIVE FOR BOWELS--"CASCARETS"

When Constipated, Headachy, Bilious, Breath Bad, Stomach Sour.

Get a 10-cent box. Are you keeping your bowels, liver, and stomach clean, pure and fresh with Cascarets, or merely forcing a passage every few days with Salts, Cathartic Pills, Castor Oil or Purgative Waters?

Stop having a bowel wash-day. Let Cascarets thoroughly cleanse and regulate the stomach, remove the sour and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep--never gripe, sicken or cause any inconvenience, and cost only 10 cents a box from your druggist. Millions of men and women take Cascarets now and never have Headache, Biliousness, Coated Tongue, Indigestion, Sour Stomach or Constipated Bowels. Cascarets belong in every household. Children just love to take them.
