A FIRE THIS MORNING AT 76 PATTON AVENUE

Electric Wires in Falk's New Store Start Blaze—Damage Small.

The fire department was called out at 4:20 o'clock this morning to Falk's music house at 76 Patton avenue. It was discovered that electric wires, which were only installed yesterday, had ignited some woodwork and the storeroom and rooms of the second floor were filled with a smoke. Very little damage was done, but it could be easily seen that it would have been a very serious fire in a short time. Mr. Falk moved into the building yesterday from his former place on South Main street and the building was filled with his stock which had not been arranged and some little difficulty was experienced by the ladder in getting to the place where the wires were located.

I Tell You Catarrh Can Be Cured

I know that what cured me after 25 years of useless doctoring will interest every catarrh victim and I'll spend the money to tell them how this modern wonder was accomplished.

You Can Try and Prove This Great Method Absolutely Free of Cost. I am not a doctor and not a scientist, but simply an American business man with plain common sense enough to appreciate a really good thing when I have it proved to me, and with enough humanity to want others to benefit as I did. When a man suffers all the inconvenience, the humiliation, the embarrassment of catarrh for 25 long years, spending hundreds of dollars and much valuable time on alleged remedies without any success, and then suddenly finds a means that cures him almost like magic, it is his plain duty to see that all the world is made to hear of it.

It makes no difference how bad your catarrh or asthma may be, the very best use of this treatment will bring you INSTANT relief. I tell you to depend upon it absolutely.

For all those years I went about half ashamed of myself, always conscious of the nauseating and disgusting practices I was forced to indulge in. I couldn't help hawking, spitting, sneezing and blowing my nose, no matter where I happened to be (just as you would do if you are a catarrh victim), and I was well aware that people shunned me like a leper and kept away from my vile breath and filthy habits as much as they could.

After I had tried about everything (nearly a hundred different remedies), I learned of this wonderful Swiss treatment and had proved to me some of the remarkable results it had brought about. I tried it and was better in an instant. In just a short time I was well and free from that awful catarrh.

I was so pleased, so thankful, that I determined everyone should have the chance to profit by it. I bought the formula and rights and now offer you sufferers from catarrh the chance to try this wonderful SWISS-AMERICAN VAPORATOR without a cent of cost. Just send me the coupon below. The VAPORATOR is so small it can be carried in the pocket or handbag and used without trouble or publicity. Just send the coupon—but do it NOW. Grasp the opportunity while it still knocks at your door. Send today sure.

FREE TRIAL COUPON
A. H. Freeman,
Suite 492 102 N. Fifth Ave.,
Chicago, Ill.
I have never tried the SWISS-AMERICAN VAPORATOR TREATMENT, and should like to see so if I can without any cost for the trial. I suffer from catarrh or asthma.

AN OPEN DOOR POLICY AT STATE UNIVERSITY

Acting President Graham Spoke With Reference to Recent Gambling Expose.

Special to The Gazette-News. Chapel Hill, April 2.—In a talk before the student body Acting President Edward K. Graham made himself unmistakably clear in favor of the open door policy relative to the dissemination of news from the state university. His remarks were called forth by reason of criticism from certain sources as to the story appearing in Sunday's morning papers exposing the gambling operations of a few students citizens of the village. Professor Graham said a student should not commit offenses against college or state law with the expectation that he could so offend the general sentiment and then seek protection behind the skirts of his college. College men should receive no protection in publicity not accorded to other men, nor partial protection at the hands of the law. Responsible publicity is the breath of sound community life. Directing his remarks to a responsible assembly of students he said that true patriotism in college consisted in refraining from and preventing these offenses that the true spirit of the college forbade, and not in seeking to suppress or hide them. This he declared had been the policy of the college throughout the year. He asserted that the fact of the gambling was the crime and not the publicity.

BEE KEEPERS OF N. C. MEETING FOR SATURDAY

Members of Association Will Gather in Black Mountain. Good Program Arranged

There will be a meeting in Black Mountain next Saturday, April 4, of the North Carolina Bee Keepers' association. The membership of the association has been growing rapidly lately and with the increased membership there has been a proportionate increase in the interest of the members. An excellent program of talks on subjects vital to the bee keepers of the state has been arranged. One of the specially attractive features of the meeting in Black Mountain will be the ordering of bee supplies in club lots at greatly reduced prices. This feature is expected to draw many who might not otherwise be present for the gathering.

NEW BANK WILL OPEN ON SATURDAY MORNING

Special to The Gazette-News. Stateville, April 2.—Stateville's fourth banking institution, the People's Loan and Savings bank, will open for business Saturday morning in the quarters which have been fitted up for it in the Hill building on West Broad street. The directors of the bank have virtually decided to build a regular banking building on the Robbins property adjoining the court house and the bank will be in its present quarters only until the modern banking building which will be its permanent home can be erected.

Cloudy weather prevails over the Southern states except in Arkansas and Oklahoma. Fair weather is indicated for this vicinity tonight and Friday with somewhat lower temperature tonight.

THE COMPROMISE WITH COLUMBIA

The announcement that the Washington government has re-opened negotiations with the Republic of Columbia for the compromise of the Columbian claim against the United States on account of the Panama Canal, calls attention to the discussion of this controversy in "The Panama Canal," by Frederic J. Haskin.

This is perhaps the only book that tells in simple terms both sides of this international difficulty. Readers of the Asheville Gazette-News may obtain this book at cost price by sending the coupon printed in another part of today's issue.

OVER 200 EXPECTED TO BE AT BARACA BANQUET

All Arrangements Made by First Baptist Baracas for Spread Tonight.

Final preparations have been completed for the large banquet to be given tonight at 8:45 o'clock at the Battery Park hotel by the members of the Baraca class of the First Baptist church. Plates for nearly 200 have been arranged for and it is believed that the number will go past 200 before night. According to all plans this banquet will be the largest affair of its kind ever held in Asheville and will be one of the greatest successes of the large and popular class of the First Baptist church. Decorations in the colors of the Philathea and Baraca classes will be carried out, these colors being navy blue and white for the Baracas and sky blue and white for the Philatheas.

The members of the Philathea class will be guests of honor at the banquet tonight. Hon. J. J. Britt will act as toastmaster and will deliver the principal address of the evening. L. B. Harding, president of the class, will present Mr. Britt. Rev. Dr. C. E. Waller, pastor of the First Baptist church, and Judge J. C. Pritchard will also deliver addresses at the banquet. It is announced that no one will be admitted at the door without a ticket.

BINGHAM SCHOOL VS. HIGH SCHOOL TODAY

Fast Game of Baseball Scheduled for This Afternoon at Riverside.

A great deal of interest is being shown in the game of baseball scheduled for this afternoon between teams from Bingham school and the Asheville High school, which will be pulled off at Riverside park. This game has been booked for sometime but, owing to the condition of the weather on the days that it has been scheduled to be pulled off, it has been postponed until today. It is stated that the grounds at Riverside park are in the very best of condition, despite the rains of the last few days, owing to the fact that the surface is covered with sand and easily dries.

These teams are well matched and a great game is promised for those who journey to the park this afternoon. It will be Bingham's first match game of the season, but the High school boys have played several games and so far have held their own with the teams they have gone up against.

TRAVIS IS DEFEATED ON PINEHURST LINKS

Pinehurst, N. C., April 2.—Walter J. Travis, former International Amateur Golf champion, yesterday met defeat in the first round of match play in the fourteenth annual United North and South Men's Amateur Golf championship, losing to J. T. Dunham formerly of Boston but now of Charlotte, N. C., by one-up after eighteen holes play.

Other survivors of the day's play in the first division were Dr. C. H. O'Connell of Fitchburg, Mass.; Robert Hunter of Stanford, Conn.; Paul E. Gardner of Chicago; R. S. Worthington of Delaware and C. L. Becker of Aurburndale.
