ALFRED CRAIG IS DEAD IN SAN FRANCISCO, CAL.

Former Buncombe Man Passes Away in West—Interment to Be at Riceville.

The news of the death in San Francisco several days ago of Alfred Craig, formerly of this county, will be received with deep regret by a large number of people in this city and county. John Craig of Riceville, a brother of the deceased, left two days ago for the west and it is stated will meet the body in Omaha today and accompany it back here. It is expected that the body will arrive here in time for the funeral services to be held next Sunday at the Bethel Methodist church at Riceville. Complete arrangements for the funeral will not be made until the body arrives.

The deceased was a native of Buncombe county, where he was born about 48 years ago, and was unmarried. He left here about 20 years ago and has since made his home in the west, where, it is stated, he met with success in business.

Surviving are three brothers: W. C. Craig of Rutherfordton, F. H. Craig of Omaha, and John Craig of Riceville.

WEAVER COLLEGE TEAM LOSES TO OAK RIDGE

A message received in the city last night stated that Weaver college baseball team lost yesterday afternoon to Oak Ridge by the score of 7 to 1, in what was considered to be one of the fastest games played by either team this season.

While the game was fast throughout, the Oak Ridge team got the lead on the Weaver boys and held it throughout the game. Weaver fought hard for the game and sent in two of her strongest pitchers, Culberson and Fortune, but these pitchers, good as they were, could not ward off the onslaught of the Oak Ridge boys. A large crowd witnessed the contest and the Weaver boys, while losers, took their defeat good naturedly.

The score was as follows:
The score: R. H. E.
Oak Ridge 2 6 3
Weaver 1 5 3
Batteries: May and Brittain; Hobson, Culberson, Fortune and Leffer.

Gigantic Germ.

Mrs. R. was an extremely careful mother and had repeatedly cautioned her six-year-old daughter against handling any object that might contain germs. One day the little girl came in and said:

"Mother, I am never going to play with my kitty any more, because she has germs on her."

"Oh, no," replied her mother, "there are no germs on your kittens."

"Yes, there are," insisted the child. "I saw one hop."—Harper's Magazine.

"CASGARETS" CLEANSE LIVER AND BOWELS

Feel bulky! No headache, sour stomach, bad breath, constipation.

Get a 10-cent box now.

Absorbing your liver, stomach and bowels clean, pure and fresh with Cascarets—or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system the constipated waste matter and poison in the bowels.

No odds how sick, headachy, bilious and constipated you feel, a Cascaret tonight will straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep your head clear, stomach sweet and your liver and bowels regular for months. Don't forget the children—their little insides need a gentle cleansing, too.

CLOSING EXERCISES AT THE AZALEA SCHOOL

Program Arranged for School Closing Tonight—Year Successful.

The closing exercises of the Azalea school will be held tonight at 8 o'clock and preparations have been completed for one of the best programs ever arranged for the school, it is stated. The work of drilling the pupils who will participate in the entertainment tonight has been going on for several weeks and the success of the program will be due largely to the work of the teachers who have helped to a large extent the work of the pupils in getting their individual part ready for the exercise.

The school has experienced a very successful year and the attendance during the last few months of the term has been for above the average of other years it is stated.

The full program for tonight, is now arranged as follows:

COMING ATTRACTIONS

MAJESTIC THEATER.

"Henpecked Henry," a ripping good show, one that should be seen by all who believe in the efficacy of laughter as a saving force of the world, will be presented at the Majestic theater for three days, commencing next Monday with a matinee performance.

In making this the most successful of all musical farces ever for vaudeville, the producers have gone the limit, both in production, cast and costumes. Jack Trainor, whose portrayal of the title role has placed him in a position second to none as a character comedian, heads the big show. Mr. Trainor is probably the most talked about comedian in the "tabloid game." His characterization of the sporty old banker is such that the auditor is led to believe that the actor is not an old man with the funniest loose jointed gait imaginable, while in reality Mr. Trainor is young and decidedly prepossessing off the stage.

A company of 18 singers and dancers supports Mr. Trainor in an admirable manner. The chorus has been selected with care and dressed in quite an elaborate manner.
