Cream Balm" and your cold or cat-
arrh will surely disappear.

Literature Club Meeting.
Mrs. Reuben Robertson entertained
the Current Literature club yesterday
afternoon at her handsome home in
Grove park. Mrs. John C. Campbell
of the Russell Sage Foundation ad-
dressed the club on "Paraguay and
Uruguay," proving delightfully inter-
esting being as follows: Each mem-
ber is given some current topic and
at each meeting, upon roll call, re-
sponds with talks upon these subjects.
The current topics assigned the vari-
ous members which have caused much
delightful discussion this year are:
Education, eugenics, child labor, mis-
sile, art, drama, immigration, national
resources, modern fiction, suffrage,
continental politics, state politics, inland
possessions, eastern question, civics,
invention and science. At the meeting
yesterday afternoon there were sev-
eral guests, among the number being:
Mrs. Dame and Miss Dame of Boston,
Mrs. Neese of Mansfield, O., and Mrs.
Shupe of Ohio. There will be two
more meetings this year, the next to
be held with Mrs. Campbell and the
last with Mrs. Corngrove. The meet-
ings have been slightly broken into
this season, owing to unavoidable ab-
sences among the members, but excel-
lent and freely instructive work has
been accomplished during the year.
The ladies who are included in this
club are: Mrs. Locke Craig, Mrs. E.
P. Childs, Mrs. John Campbe, Mrs. T.
A. Cosgrove, Mrs. Harriet Dickerman,
Mrs. Arthur M. Field, Miss Sise Hatch,
Miss Mary Hiekok, Miss Mary Jenkins,
Mrs. Brewster Phillips, Mrs. H. Taylor
Rogers, Mrs. Reuben Robertson, Mrs.
T. C. Smith, Mrs. Whitford Smith,
Mrs. Richard J. Tighe and
Miss Elizabeth Weeks. The of-
ficers during the past year have been:
Mrs. Edward P. Childs, presi-
dent; Mrs. Richard J. Tighe, vice-
president; and Mrs. Harriet Dick-
erman, secretary and treasurer.

Fashion Notes.
Many of the new tailored suits are
made with runaway jackets and worn
with waistcoats, vests or deppassants.
A deppassant is a shaped neck piece
worn like a vest and which just
shows beyond the edges of the coat.
Waistcoats, etc., are used in white,
buff, French gray, in vivid ecrotone
colors, in self-color or in the bright
color that harmonizes or contrasts
with the suit, such as canary yellow
with dark brown, etc.
Taffeta is particularly pretty in the
flaring tunics, for it has a natural
tendency to stand out from the fig-
ure, and will be used a great deal
for dresses. Silk crepe is smart, but
has rather a dull surface, and many
women prefer satin or charmeuse.
Charmeuse may be used on either
side, depending on whether one pre-
fers a high or dull finish. Crepe de
chine is used a great deal and wears
splendidly. Duvetyn comes in delictful
colors, but it does not wear as
well as some of the other materials.
The printed silks, rapiers and four-
ards are all of the same character and
draps prettily.—The Delineator.

Miss Esther E. Patterson, the elder
daughter of Mr. and Mrs. W. E. Pat-
terson, is entertaining at her home
at 92 Merrimon avenue, Miss Eleanor
Cory, a recent graduate of Smith Col-
lege, Northampton, Mass. Miss Cory

joying a brief respite from her work
in the south among the female col-
ists visiting friends in the city and en-
joies. She is laboring in the interests
of the Student Volunteer movement
for foreign missions, of which organ-
ization she is a travelling secretary.
Many of the southern colleges for girls
have already been visited by her, and
through the medium of the Y. W. C.
A's as well as personal work with stu-
dents, her work has met with enthu-
sastic support. Miss Cory says she is
delighted with the city, which she now
visits for the first time.

Miss Mary Gilbert, youngest daugh-
ter of Mrs. M. L. Gilbert of Spartan-
burg, who has been attending the
state meeting of the Woman's Mission-
ary society in Hendersonville, was
married shortly after the close of
this meeting to John Cartwright in
Itdaleigh. The marriage came as a
surprise to the family and friends of
the bride in her home city. Mr. and
Mrs. Cartwright will reside in Marion,
S. C., where the former holds an im-
portant business position. Mrs. Cart-
wright is a cultured and popular
young lady of Spartanburg.

The music recital which was given
at the Auditorium studio of the Ashe-
ville School of Musical Art Tuesday
evening at 8:30 o'clock by Miss Etta
Hande, pianist, assisted by Miss Mary
Ambler, soprano, was largely attend-
ed by the friends of the young ladies.
Especially pleasing was the "Two
Larks" by Leschetzky and the "Hunt-
ing Song" by Mendelssohn. Miss Am-
bler's voice is very pleasing, possess-
ing rare sweetness. The large audi-
ence was very enthusiastic and showed
its appreciation by numerous en-
cores.

The many friends of Judge Jeter
C. Pritchard will be much interested
in the following from the editorial
column of the last issue, received in
the city yesterday, of "Charity and
Children":
"Judge Pritchard is the leading
blockade preacher of the time. One
such man in public life holding an
exalted position is worth a thousand
small bore politicians whose whole
end and aim in life is their own per-
sonal promotion."
One of the largest and most im-
portant social affairs of the early
spring season in the school and col-
lege circles of the city is the junior-
senior banquet of the Normal college
to be given on the evening of April
17. The affair is a yearly event of
much importance and gives every
prospect on this occasion of being at-
tended with more than usual suc-
cess.

Dr. McBrayer's Asheville friends
will be interested in the following
from yesterday's issue of "Charity and
Children":
"The state tuberculosis sanitarium
has been most unfortunate in its man-
agement, and as a consequence its

THE PRECIOUS PEARL
The Pearl has always been known as one
of the most precious of gems and is the
only gem that does not require the lapidary's
assistance to bring out its beauties.
Ancient writers have accounted for the origin of pearls
by saying that they were formed of angels' tears, or
drops of dew from heaven, which, during the midsum-
mer nights, fell into the gaping mouths of the pearl-
oysters.

lection of oriental and sweet-water Pearls,

THE REASON FEWER PEOPLE TAKE "SALTS"

We find the use of salts and other
harsh physics is becoming less every
year because more and more people
are using Rexall Orderlies, which we
and they firmly believe to be the best
bowel remedy ever made. They taste
so much like candy that even the chil-
dren act so easily and naturally that
there is no purging, griping or pain.
They promptly remove the constipa-
tion and, by soothing and strengthen-
ing the bowels, make it less liable to
recur again. We have what they are
made of and the pleasant, beneficial
results that always follow their use.
You needn't take our word for it.
If Rexall Orderlies don't help you—
if they don't entirely relieve all your
bowel troubles—come back and tell us
and we'll give back your money. In
vest pocket tin boxes: 10c, 25c, 50c.
You can buy Rexall Orderlies only
at The Rexall stores, and in this town
only of us—Smith's drug store, agents

ing arrived from the east yesterday.

cipating going to the Farm school this

daughter, Miss Bessie Edwards, and

son of the late Mr. and Mrs. Hugh

WILSON'S CREDIT GOOD

Only Town in State to Discount Bills
For Municipal Supplies.

Special to The Gazette-News.
Wilson, April 2.—Representatives
of numerous electric power machinery
houses were in town yesterday, drawn
hither by reason of the letting of con-
tracts for the machinery for the re-
building of the light and power plant.
According to the statements made by
those men the credit of Wilson stands
high in the large cities and among
machinery and supply men. One of
them said that Wilson was the only
town in the state that discounted its
bills for supplies furnished the munici-
pality. The machinery men will sell
the city, taking notes for the ma-
chinery for the plant until the bond
issue can be arranged at the next
session of the legislature.
