BARACA-PHILATHEA MEETING ARRANGED

State Convention in Durham April 25-28—Dr. C. B. Waller Speaker.

A gathering of special interest to the young people of state is the Baraca-Philathea convention to be held in Durham April 25-28, beginning Saturday evening with a welcome meeting and "get acquainted" social at the Academy of Music and the Y. M. C. A., respectively, and closing Tuesday evening with reports of secret service committees, a prayer, praise and testimony service. The convention has been named the "Secret Service" convention, in view of the fact that the formation and work of these inner prayer circles in the classes will be the keynote of practically every session.

There are now 1,500 organized Baraca-Philathea classes in the state, representing ten Protestant denominations, the majority of whom will send delegates to Durham.

North Carolina has for three years maintained the distinction of being called the Baraca-Philathea state. All classes of whatever membership up to 50 are entitled to send two delegates each for free entertainment. Quite a number are expected to attend, in addition to the regular delegates, and these may secure reduced rates at hotels and boarding houses. Classes from a number of nearby towns have expressed the intention of chartering a car for the privilege of attending in a body on Sunday.

Sunday morning the delegates and visitors may attend the Sunday schools of their choice. At 2:15 Sunday afternoon special meetings will be addressed by Marshall A. Hudson, founder of the movement and president of the World-Wide Baraca-Philathea Union, and by Miss Henrietta Herold, vice-president of the World-Wide union, and editor of various publications issued by the David C. Cook Publishing company. Following these, at 3:15 the entire delegation together with the classes of the city on a mass will form in great parade, marching through the city streets to the sacred music of brass bands. It is believed that at least 2,000 will be in this parade, many of whom will carry pennants with their names of classes, city and county unions inscribed thereon. The paraders will later march into the Academy of Music, where the convention sermon will be preached by Rev. Calvin B. Waller, D. D., of Asheville, N. C.

This the 24th day of March, 1914.
MARCUS ERWIN, Clerk of the Superior Court of Buncombe County, N. C.

will be featured with excellent addresses and round table discussions. Pastor, superintendent, teacher and president's conferences, junior conference, class organizers' supper and business sessions. Monday evening there will be a mass meeting at the Academy of Music addressed by Miss Henrietta Heron, on "The One Thing Needful," and by Rev. F. T. Collins of Reidsville, on "Problems of Young Men and Women, and How the Baraca and Philathea Classes Help to Solve Them." Following these the handsome silver loving cup and other prizes will be awarded to the winners in the class organization campaign.

At the convention in Charlotte last April the state organizations took for their slogan "500 new classes for the year; a secret service committee in every class; every class efficient." Many of the most loyal Baraca and Philathea members are now actively engaged in the campaign for the new classes, and it is believed the goal will certainly be reached before the convention.

Round trip railroad rates have been secured for this convention. It is important that names of all delegates be sent promptly to Miss Florence A. Byrd, general Secretary, Greensboro, who will gladly give any further information desired.

TOLLS REPEAL WILL BE PARAMOUNT ISSUE

Col. Roosevelt Will Tour the Country For Progressives And Attack Repeal.

Gazette-News Bureau Wyatt Building, Washington, April 8.

According to progressive campaign plans just disclosed Theodore Roosevelt is to tour the country this fall and endeavor to make President Wilson's Panama tolls repeal the paramount issue. While it is not stated positively at progressive headquarters here that the colonel will include North Carolina in his itinerary, it is stated by his friends that there is good reason to believe he will make at least one speech in the Old North state where he has quite a following both among the progressive republicans and democrats.

Direct word as to the colonel's attitude upon the tolls question, it is admitted, has not been received here. Nevertheless the progressives confidently assert that their leader will issue a blast upon the subject, and vigorously espouse the anti-administration side of this controversy, as soon as he emerges from the South American jungle.

The only definite engagement made for Colonel Roosevelt so far are for speeches in North Dakota and Minnesota. At progressive headquarters here it is further said that there is not the slightest doubt of Colonel Roosevelt's purpose to assist the progressive cause in the congressional election to the utmost extent of his power; and that, therefore, he is being counted on for an extended speech-making tour through the best progressive fighting ground.

"The progressives count upon large gains in their representation here, as the result of the coming election," said Victor Murdock, the house floor leader of the progressive party today. "We will have nominees for congress in the field almost every congressional district in the country. So far from being a dwindling force, the progressives are gaining ground as a separate party."

IF BACK HURTS BEGIN ON SALTS

Flush Your Kidneys Occasionally If You Eat Meat Regularly.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

"The moment you feel a dull ache in the kidney or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a table spoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

WILSON COUNTY BLACKS DEFYING THE OFFICERS

They Terrorized the Simms Section And Were Chased Five Miles Into the Swamp.

Special to The Gazette-News. Wilson, April 8.—Hidden in a dense swamp, after a five miles chase, a gang of drunk crazed negroes are defying the officers. One who was captured in the county jail here. The others are known and the sheriff's posse is watching for them. The trouble started Saturday night at Simms, a village in the western part of the county. The negroes are section hands on the Norfolk Southern railway and secured several gallons of whiskey Saturday and proceeded to terrorize the people of Simms.

Another negro, employed by L. H. Pridgen was attacked and seriously beaten and finally escaped to the Pridgen home. The gang surrounded the house and demanded the man. Refused, they threatened and made night hideous with curses and pistol shooting. Sunday they continued their work of drinking and shooting and throughout the day efforts to arrest them failed. A sheriff's posse went to Simms Sunday evening and located the negroes who had left the village following the news of the coming of the posse. For five miles through the woods the officers followed the men, firing repeatedly at them. One was captured but the others gained the swamp.
