Fans Are Urged to Contribute Towards Making Baseball Parade Successful.

Baseball fans have just two more days in which to contribute to the fund The Gazette-News is raising for the purpose of securing the First Regiment band to lead the mammeth Thursday, the opening day of the league season in this city.

Realizing that the parade would hardly be worth while without a band and its stirring music and knowing that the parade is very essential to drawing a large crowd for the opening day, this paper is attempting to raise the money to pay for the hand, as the financial condition of the club is such that it can not afford to pay the band. This makes the third appeal the paper has made to already the sum of \$24.50 has been secured. But that is not enough and two more days are left in which the money can be raised. The band will consist of 15 pieces and will cost \$45.

By the fans of the city, those who want Asheville to win the handsome silver cup offered by the president of 53% largest number of paid admissions on the opening day, coming forward now and contributing to this fund, the money can be raised in good time to hire the band, thereby making the parade a huge success and insuring larger attendance than would be

otherwise.

Any amount will be received for the fund and you can turn in your own name or just say "cash" or fan," and the amount will be run in this paper. Contributions can be left at Barbee's, Fater's or Schandler's cigar stores and they will be turned over to this paper, or the money can be sent to the sporting editor of 'The Gazette-News.

The fund to date is as follows: Previously acknowledged . . \$14.00 Brnard & Johnston, \$1; C. E. Serels, 50c; Harry Theobold, 50c; A. A. Yount, 50c; A. C.
