JUST A LITTLE DOPE TO PLEASE THE FANS

Manager Cook Thinks Everything Will be Ideal For Walloping Hornets.

It is thought that all of the recruits of the Mountaineers who have either been out of the work the last week owing to illness themselves or in their families will be back in the running before the opening game here next Thursday. Horace Smith, pitcher, who was called to New York, owing to the sudden death of his father, is expected to be back the first part of this week. "Doc" High was called to Columbia Saturday afternoon owing to the illness of his brother and, while he may not be back until the latter part of the week, it is thought that he will be here in time to work in one of the games with Charlotte.

"Red" Rowe and Pitcher McKelthan have been laid up for several days suffering with tonsillitis, but as both have been operated on, it is thought that they will be out in a few days and in time to work in the games with Charlotte, if Cook wants them to go in.

But even with all of these men out, Manager Cook feels that he can go up against the Hornets on Thursday and the two following days with enough strong material to win at least two out of the three of the series, if not all. Cook will not be satisfied with less than two of the opening series and any one who has seen him handle the men during the workouts will at once form the opinion that he will get what he wants, for that is Cook's way and it is the way that takes with the fans.

Although the grounds are resembling a sea today, from the heavy rains of last night, it is thought that they will be in condition again by tomorrow and then Cook expects to put the men through some very strenuous work until the opening game and it is his intention to have every man on the recruit squad in the very best of condition for the opening game.

FAST GAME TAKEN BY GREENSBORO PATRIOTS

Defeated Guilford 2 to 1—Shore Pitched and Hit Strong—Harney Steady.

Special to The Gazette-News.

Greensboro, April 20.—In a fast and snappy game Saturday afternoon the Patriots defeated Guilford college at Cone park by the score of 2 to 1. In only one inning were the locals able to do anything with the masterly pitching of Shore. This was the fourth, when five hits netted two runs. A wonderful one hand catch in center by Thompson of Breslin's hit in this inning cut off two runs.

Harney pitched steady ball throughout the game. In the fourth inning he was in a bad hole, when Moorefield, first up, hit for three bases and Nichols walked and stole second. McBaline was out, pitcher to first. Futrell fanned and Edwards flew out to Owens.

Guilford scored in the seventh on a base on balls to Futrell, who took second on Edward's out and scored on Shore's two base hit to left center. Catches by Stuart and Thompson, of Guilford, Crane's work at short and Shore's hitting were the features of a beautiful game.

"CLEAN UP AND PAINT" UP CAMPAIGN PROVING A GREAT SUCCESS

Over 1000 (one thousand) cities in the United States have designated certain days for "Clean Up and Paint Up" and Asheville is by no means behind in this good work. The Board of Aldermen designated April 15th to the 25th for painting up and from April 20th to the 25th for cleaning up. The spirit is manifesting itself throughout the city and one big paint house in the city alone reports over 100 (one hundred) contracts landed already for the spring painting. (11)
