'IN WRONG" AGAIN AT THE MAJESTIC THEATER

Eddie De Noyer and His Company as Popular as Ever With Asheville People.

Despite many counter attractions, arge crowds witnessed the opening performances at the Majeatic theater ceterday afternoon and last night. Then Eddie De Noyer and his excelent company presented "In Wrong," the musical comedy tabloid that provide such a decided hit here last season. The show is considered even better han it was last year, and those present for the opening presentations were elighted with the production. The smedy is exceedingly good, the musical high order and the costumes indicate. Entertainment of the best indicated. There will be an additional attraction. Despite many counter attractions

There will be an additional attrac-m tonight, following each perform-ce, when there will be a chorus is contest, each of the eight memis of the chorus putting on a vau-ville specialty act. This attraction omises much added entertainment the pairons of the theater, and are will be no advance in prices.

Peru has a within her borders a beriidering variety of races. There are
he white people of Spanish half natives
and the Indians. The Indians thomalves are of two races—those of the
nountains and those of the forests.
he highlanders are the descendants
of the ancient people of the Incas,
oth lowisanders and highlanders are
usted as beasts of burden by the othclauses. So accustomed are they to
sing chested that when an English
aveler recently exploring the Andee
ild his porters without a groundle or
deduction he overheard them excitby commenting upon the fact that

fourth infantry from Fort Crook, Neb.; seventh infantry, from Leavenworth, Kaz.; 19th infantry from Forts Meade in South Dakota, Sill in Oklahoma, and Leavenworth. Company E, engineers, which also boarded the transports came from Leavenworth. The sixth cavalry which is also ordered to sell with all possible dispatch, came from Fort Des Moines, Ia. Just

NEW LIFE

Found in Change to Right Food

After one suffers for months from acid dyspepsia, sour stomach, and then finds the remedy is in getting the right kind of food, it is something to speak about.

A N. Y. lady and her young son has

such experience and she wants others to know how to get relief. She

"For about fifteen months my little boy and myself had suffered with sour stomach. We were unable to retain much of anything we ate.

"After suffering in this way for so long I decided to consult a specialist in stomach diseases. Instead of pre-scribing drugs, He puts us both on Grape-Nuts and we began to improve immediately. "It was the key to a new life.

found we had been eating too much heavy food which we could not digest. In a few weeks after commencing Grape-Nuts, I was able to do my housework. I wake in the morning with a clear head and feel rested and have no soor stomach. My s alceps well and wakes with a

signal summoning their crews. An hour after the order reached Galves-

hour after the order reached Galves-ton every officer and man in the city knew it and was either at camp or rushing back there.

Service Steamers.

war would have to come from mexico before the president appears before congress to ask for more money or more funds.

This being regular cabinet day, the

Washington, April 24-The quarterpassenger steamer San Marcos of the Mallroy line and the freighter Satilla of the Texas Steamship company, are now at the disposal of General Funsthe four government transports already at Galveston will be put aboard hold all ships the Stailla and the San Marcos will further notice." provide transportation for the remaining troops.

Houston, Tex., April 24.—The Houston Light Guard and a cavalry troop, Texas national guard, were assembled here today awaiting orders which presumably would send them to border

The call at first ordered them to proceed at once to the border but later was suspended by Governor Colquitt.
It was believed the Houston soldiers PERSONAL NOTES. of the governor in the Brownsville | www section in case of trouble there.

Possible Orders. San Francisco, April 24.—With the entraining of troops of the eighth brigade for El Paso proceeding in rec-

One battalion of the fourteenth is Washington. Should entertaining or-ders come, Major General Arthur Mur-Hancock, of Oxford; H. B. Craven, ders come, Major General Arthur Mur-of Newbern; and Dr. S. Mendelsohn, ray, now at Monterery, probably will make up the third division.

City where there are still many United Waynesviller States citizens and over more definite reports of similar troubles at Ensen-ada on the west coast of Mexico, where It was reported last night that the American consulate had been attacked. Steps immediately were taken to af-ford relief in the latter case by the dispatch of a gunboat from San Diego. Its arrival at Ensenada was hourly expected.

Meantime members of congress are cordial welcome awaits her. She was giving the closest attention to developments and it is considered not impast winter in Knoxville, and is a probable that action bearing upon the situation to developments and it is

considered not improbable that action bearing upon the situation may be taken by congress.

No Appropriation Needed

President Wilson today told Chairman Fitzgerald of the house committee on appropriations, who had come to the White House to learn if any war funds were needed, that no appropriation was required "for the present."

Mrs. R. R. Klein has gone to Statestille to attend the wedding of Miss Elizabeth Allison on April 29.

John J. Jones of Augusta is in the city a guest at Hill cottage, and will remain here all summer.

William H. Howland, editor of the Independent of New York and his resent."
In discussing the general situation

with callers the president explained that no aggressive act to aggravate the status of affairs would be taken by the America ngovernment.

Not Threatening Attitude.

ttitude toward the constitutionalists in Mexico, but merely that it expects them to remain neutral while this overnment continued to seek repara-ion from the Huerta government for adignities offered by the Huerta au-

when the cavalry would get away was not settled early today.

In addition to the four transports, Mexico City or elsewhere, provoke the Mexico Sumner, Klipatrick and Mc-Ciellan, which were taking on troops this morning, the quartermaster's department was trying to secure one or two commercial steamers which were taking on troops tain reparation. President Wilson considers that, in accordance with international precedent, the American in the standard principally for experience. Ciellan, which were taking on troops this morning, the quartermaster's department was trying to secure one or two commercial steamers which were intended principally for cavalry and artillery transport.

Brigadier General Frederick Funston, who will command the brigads, was waiting at his headquarters last night when the sailing orders came. He had the orders telephoned back to Galveston where the whistles of the four transports blew a pre-arranged signal summoning their crews. An that the initiative in a declaration of the last continuation of effects to obtain reparation. President Wilson considers that, in accordance with international precedent, the American government could even push its way into the interior of the country to obtain reparation. President Wilson considers that, in accordance with international precedent, the American government could even push its way into the interior of the country to obtain reparation. President Wilson considers that, in accordance with international precedent, the American government could even push its way into the interior of the country to obtain reparation. President Wilson considers that, in accordance with international precedent, the American government could even push its way into the interior of the country to obtain reparation. President Wilson considers that, in accordance with international precedent, the American government could even push its way into the interior of the country to obtain reparation. President Wilson considers that, in accordance with international precedent, the American government could even push its way into the interior of the country to obtain reparation. President Wilson that it is reparation. that the initiative in a declaration of war would have to come from Mexico

esident's official advisers gathered master corps of the army overnight at the executive office shortly before completed arrangements whereby the noon, the Mexican situation being noon, the Mexican situation being taken up for further deliberation.

To Hold Shipments.
Orders to hold up all shipments of arms across the Mexican border were ton at Galveston as an additional sent today by the treasury department transport to take his command to to all collectors of customs. The orsent today by the treasury department Vera Cruz. Horses and artillery ders are in co-operation with the war equipment that cannot be placed on department's efforts to enforce the embargo. Collectors were notified to hold all shipments of arms "until

Galveston, Tex., April 24.-In addi-tion to the San Marcos and Satilla for troop transports here, which siready have been secured, plans for charter ing the Mallory line steamship San Jacinto, due today from New York,
