

# Hupmobile

## This Happens Often

Big corporation out West uses a "battery" of cars. Tried one Hup. Threw out all the others; and made it all Hups.

Kept track of every cost—gasoline, oil, repairs, replacements—even deterioration.

## HUP'S ONE CENT A MILE

After six months they charged the Hup with a cent a mile deterioration.

The other cars had gone backward three times as much.

That was the last straw—the others went out and Hups came in.

This concern proved scientifically what every Hup owner knows by actual experience.

Hups don't grow old in the ordinary sense.

That's why they're worth more second hand.

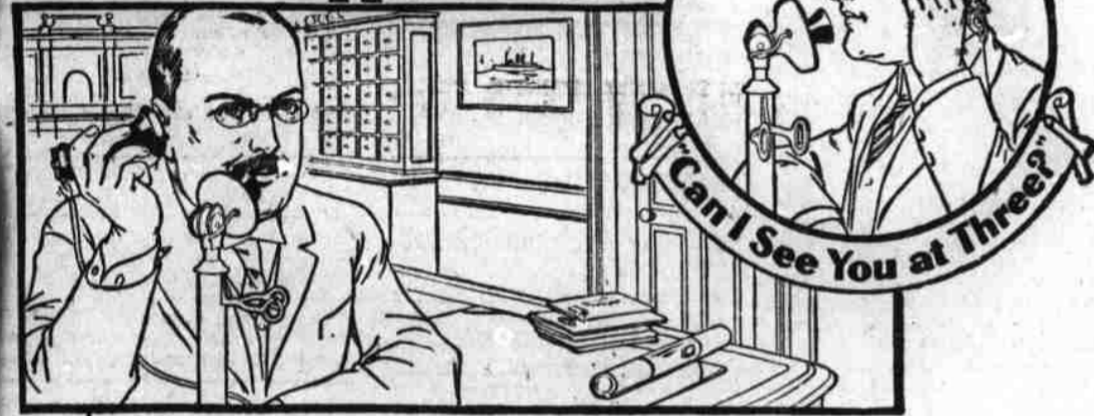

Talk to your Hup dealer about this.

## Z. B. CURTIS NAMED FOR SCHOOL BOARD

Aldermen Defeat Proposition To Have a Woman Placed On School Board.

## FOUR VOTES CAST FOR WOMEN CANDIDATES

City Purchases Stables for \$6,000—Patrolman Angel Gets Demit—Other Matters Considered.

Zeb F. Curtis was elected by the board of aldermen of Asheville, in regular session last night, to succeed William M. Jones, resigned, as a member of the city school board. By this action, the members of the aldermanic board put themselves on record as opposed to naming a woman as a member of the board of school control in the city. The names of two women were placed before the aldermen for consideration last night. These were Mrs. H. B. Stevens and Mrs. Whiteford Smith. On the first ballot Mr. Curtis and Mrs. Stevens received four votes each, while Mrs. Smith received one. On the second ballot Mrs. Stevens lost one vote to Mr. Curtis, giving him the place.

Several women of the city, led by members of the Equal Suffrage league, have made a strong fight during the past two weeks to have a woman named to succeed Mr. Jones. The matter was first taken up with the aldermen a week ago, when it was held over for consideration. Last night Charles A. Webb appeared on behalf of the Civic Betterment league and the Equal Suffrage league and argued in favor of the appointment of a woman. Mr. Webb outlined the program of the suffragettes and predicted that the movement started by them will eventually be adopted all over the country. He argued that the women of Asheville own a large part of the property and he believed it would be only fitting for the aldermen to comply with the request that a woman be named on the school board. He urged that this be a woman with children in the public schools. He urged further that there is a likelihood of other members of the board resigning in the near future and that a reorganization will be necessary. He considered it vital that a woman take part in this matter of reorganizing. Thomas S. Rollins also argued for the women, following out closely the arguments presented by Mr. Webb. He also pointed out that many of the teachers are women and therefore that the women of the city should have something to do with naming these teachers. Both were confronted with the proposition that the school board must be non-partisan and asked what political affiliations the women they proposed for the place have. They argued that this question was not pertinent as there would be no trouble in keeping the board non-partisan, irrespective of such affiliations.

Following all the arguments, Mr. Curtis was nominated by Alderman Shuford and his nomination seconded by Alderman Francis. On the second ballot he was selected. The conditional resignation of Judge George A. Shuford as a member of the school board, which was submitted by wire a week ago with the condition that a woman with children in the public schools be named to succeed him, was not accepted. If his resignation is tendered without conditions it will be considered. A letter from him was read last night, in which he stated that he meant no discourtesy by his conditional resignation. Other matters were considered by the board last night, chief among which was the question of purchasing the city stables. This was finally acted upon favorably, the board decided to pay the sum of \$6,000 for the property, purchasing it from R. P. Walker.

An ordinance was introduced to allow the operation of moving picture machines by licensed operators only, and providing for a board of examiners to pass on the qualifications of applicants. It was referred to the city attorney for consideration.

Patrolman M. V. Angel was given 19 demerits at this meeting, upon recommendation of the police committee, for dereliction of duty. Patrolman E. A. Hall resigned and Ben Matthews was appointed to succeed him.

Alderman Brown suggested that the aldermen begin considering the necessity for enlarging the city market, and a great many routine matters were taken up and disposed of relative to lights, water, the widening of side streets, the construction of storm sewers, etc., after which the following building permits were granted: Woodcock and Gills, three room residence on Herman avenue; estimated cost, \$500.

Dr. J. B. Greene, garage on Cumberland avenue; estimated cost, \$100. Ida Thompson, addition to residence on Mountain street; estimated cost, \$175.
