WILBURN SUMNER ELECTED CAPTAIN

Will Pilot A. & M. Quintet Next Year—W. I. Smith Pres. Tennis Club.

Special to The Gazette-News.
West Raleigh, May 12.—A 5 inch cannon captured by the Americans in the Spanish-American war, has been mounted on the campus of the North Carolina A. & M., college directly in front of Holiday hall and to the north of the flag staff. This gun has been the property of the state museum for several years but was recently given to the college. The locks were thrown away by the Spaniards when they saw they could not hold the place, so that the captured guns would be of no benefit to the Americans. The piece is mounted on a concrete base and guards the entrance to the college being dedicated to the present senior class.

At a recent meeting of the basketball team, Wilbur Sumner of Asheville, was elected captain of next year's varsity. Sumner has played several years on the team and acted captain nearly this entire season on account of the injuries Capt. Phillips sustained in the second game. He is one of the best men the Techs have on the basketball floor. The award of monograms and stars took place and the following members of the team are allowed to wear the college monogram: W. Sumner, of Asheville; J. H. Mason of Charlotte; C. E. Van Broelin, of Syracuse, N. Y.; J. Scarry, Jr., of Newbern; J. E. McDougal, of Amesbury, Mass.; and J. Ferdner, of Duquesne, Pa.

The League Literary society held its semi-annual election of officers Sunday night and the following were chosen for next year: A. L. Teachy of Teachy, president; J. P. Robertson of Rowland, vice president; S. M. Credle, of Swan Quarter, secretary; L. O. Henry, of Gastonia, treasurer; G. L. Jeffreys, of Richmond, Va., censor; S. G. Crater, of Cycle, chaplain; M. M. Fontaine, of Wooddale, sergeant at arms. The Red and White staff for this society is as follows: C. C. Proffitt, Bald Creek, editor in chief; K. Sloan, of Statesville, art editor; F. S. Klutz, of Concord, assistant business manager; W. C. Albright, of Mount Airy, exchange editor; R. O. Linsey, of Madison, athletic editor.

The Washington State college recently collected statistics from many colleges as to the number of students voluntarily withdrawing from their institutions during the year. The percentage of young men who, according to this report, fell out of their colleges is very high. A & M. lost 11 per cent this year and only three colleges reported a smaller loss, these being Princeton, Bowdoin and Maryland. Agricultural. These figures speak well for the persistence of A. & M.

The extension department of the college, working in conjunction with the state department of agriculture, reports its largest enrollment of boys in the corn clubs of the state. So far the enrollment of boys is 4,462. Wake county has the largest enrollment, namely, 314. Wilkes comes next with 294; Richmond is third, 238; Buncombe, 155; Mecklenburg, 148; Columbus, 128; Iredell, 113; Robeson, 117; and Durham 107.

The Tennis club elected W. I. Smith of Asheville president for the next year, and H. K. Greenfield of Kernersville secretary and treasurer at a meeting Saturday. This form of sport has only been adopted at A. & M., a little while and so far has proved very successful. It is the purpose of the authorities here to put out a team in the future that will be able to compete with the teams of other institutions.

The enrollment in college this year of students from outside, states is as follows: Alabama 2; Connecticut 1; Florida 1; Georgia 1; Indiana 1; Iowa 1; Louisiana 2; Massachusetts 2; New Jersey 2; New York 2; Ohio 1; Pennsylvania 2; Rhode Island 2; South Carolina 5; Virginia 13.

Dr. E. W. Allen, assistant director of the national office of experiment station, made the college an official visit this week. He went all over the experimental subjects and all the finances of the station.

GRANDMA NEVER LET HER HAIR GET GRAY

Kept Her Locks Dark, Thick, Glossy, With Sage Tea, And Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use tonic called "Weyth's Sage and Sulphur Hair Remedy." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. You will also discover dandruff is gone and hair has stopped falling.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Weyth's Sage and Sulphur and look years younger.
