NEW EPISCOPAL CHURCH FOR ASHEVILLE PLANNED

Members of Trinity and All Souls Are Interested in The Movement.

Rev. Wyatt Brown, rector of Trinity Episcopal church, announced at the service Sunday morning that a movement has been started to erect a building for another Episcopal church in the city, members of both All Souls, Biltmore, and Trinity being interested in the movement.

The site, however, has not been decided upon, and no announcement is made as to how soon work will begin on the structure. One of the men who is interested in the movement stated that there seems to be no doubt whatever but that the new church will be organized and the building erected.

So far as can be ascertained there will be no antagonism in the matter among the Episcopals of the city. All Souls at Biltmore has the services of the low church, while the Trinity services are a mixture of both high and low church.

Mr. Brown stated today that the movement for the new church meets with his hearty approval as there is room here for work by a new church and that his congregation is growing so rapidly that the need of a new church is coming to be keenly felt.

It is understood that Rev. Dr. R. R. Swope, rector of All Souls, has the same feeling for the movement.

J. F. COBB

Employee of City Sanitary Department Died Yesterday Morning—His Illness Was Brief.

J. F. Cobb, an employee of the city in the city sanitary department, died Sunday morning about 5:30 o'clock at his home on South Main street. He had been ill for only a few days and his death came as a shock to his friends in the city.

The funeral was held from the residence yesterday afternoon at 4 o'clock. Rev. J. S. Williams officiating and interment was at Riverside cemetery. The following acted as pallbearers: William Smith, R. Brackett, F. York, W. Bishop and Fletcher Austin.

TRIBUTE IS PAID TO BOYS OF '61-'65

The Memorial Day Celebration Here Most Successful Ever Held in Buncombe.

EXERCISES ARRANGED BY ASHEVILLE U. D. C.

Patriotic Assemblage at the Majestic Theater, Followed by Decoration and Luncheon.

Memorial day exercises were conducted here yesterday in the Majestic theater under the auspices of the Buncombe county chapter, United Daughters of the Confederacy, the exercises beginning at 11 o'clock. Many of the aged Confederate Veterans who went to Jacksonville last week to attend the annual reunion were not present, not having returned from the Florida city, but the crowd attending was the largest ever present at Memorial day exercises in Asheville.

The invocation was delivered by Rev. J. S. Williams, chaplain of the Mission of the Good Samaritan. Music for the occasion was furnished by Miss Emma Austin and her orchestra and the first song number was "Dixie." The audience stood as the thrilling war song of the south was rendered. This was followed by the rendition of "The Old North State" by 300 school children, led by Harry Howell, superintendent of city schools.

The first speaker of the day was Robert R. Williams, who was introduced by Mrs. E. C. Chambers, president of the Asheville chapter, U. D. C. Mr. Williams paid a glowing tribute to the soldiers in grey of '61-'65, who fought so valiantly for the cause which they upheld, and to the Daughters of this Confederacy, which order is represented in North Carolina by 100,000 of the leading women of the state.

Mr. Williams introduced Rev. Wyatt Brown, rector of Trinity Episcopal church, the principal speaker of the day. Mr. Brown delivered a masterful address, reviewing the various activities of the sons of the south and of North Carolina who participated in the bloody conflict of 50 years ago. He also spoke in the highest terms of the work that is being carried on by the Daughters of the Confederacy in perpetuating the memories of these men and building everlasting monuments to them in the minds and hearts of their descendants.

The exercises were closed with the singing of "America." The benediction was pronounced by Rev. Mr. Brown and those present then repaired to Riverside cemetery and Newton Academy burying ground to decorate the graves of veterans who are buried there. The floral offerings that were sent for this decoration were most profuse, two wagon loads of beautiful and costly flowers having been taken to the two cemeteries. The Daughters were assisted in the decoration by the Children of the Confederacy and many aged Veterans who were anxious to pay this tribute to those of their ranks who have passed to the great Beyond.

As a final chapter in the celebration of the day, a sumptuous spread was served for the surviving Veterans at the hall of the Asheville Merchants' association on North Main street. The spread was arranged, as it is annually, by the members of the Asheville chapter, U. D. C., and the members and their daughters served the grey haired men who assembled. It was a great event for the latter, the men enjoying quite a reunion for the day and talking spiritedly, despite their years, of the days past and gone when they were able to take active part in all movements, even of war, for the sake of their country. The event was pronounced generally to have been the most successful and enjoyable Memorial day celebration ever held here.

C. & O. VICE PRESIDENT STRUCK BY AUTOMOBILE

Deatur Axtell, vice president of the Chesapeake & Ohio railway, while crossing the street near his offices at noon today, was run over by an automobile which backed suddenly to avoid collision with a buggy. His scalp was badly cut and he suffered severe nervous shock. He refused to blame E. F. Woodall, owner of the car, who motored him home.

MISS LILLIAN CANFIELD

Asheville Woman, Formerly of Chicago, Dies Suddenly While Visiting Friends in Concord.

News was received in the city Sunday afternoon of the death in Concord of Miss Lillian Canfield, a former resident of Chicago, who had made her residence in Asheville for the past five years. She had been in ill health for a long time but her friends did not think her condition was serious. At the time of her death she was visiting friends and the news of her death came as a distinct shock to a wide circle of friends in Asheville. Funeral arrangements have not been announced.

The Sewing society of Esther chapter, Order of Eastern Star, will meet this evening with Mrs. J. C. Patterson at her home, 11 Clayton street.

Mrs. M. Fitzhugh Teague is able to be out again, after an illness of several weeks.

LOCAL SHRINERS ARE IN ATLANTA

Left Sunday Night in Special Car For Annual Convention in That City.

Headed by Potentate Chase P. Ambler, the Asheville members of Oasis Temple, Shriners, left Asheville Sunday night at 8:30 o'clock in a special car for Atlanta to attend the annual convention of the Shrine temples of the country. This special car was attached to the Oasis Special at Spartanburg, comprising other cars of Shriners from North Carolina cities, and the train will be parked in Atlanta for the convenience of parties attending the convention. The local Shriners plan to return here by Thursday of this week in order to entertain the visitors from other temples who will arrive here for a short stay, en route to their homes.

There were two delegations of Shriners and their ladies here Saturday for a short visit. Members of Maudslugh temple, Chicago, the largest temple in the country, arrived in two sections about noon and were escorted over the city in street cars. Luncheon was served for them at Grove Park Inn and the afternoon was spent in other street car rides, the delegations departing for Atlanta at 4 o'clock.

Representatives of Damascus temple, Rochester, arrived Sunday night about 9 o'clock, their train arriving about two hours late. They arrived too late for the special car ride that had been arranged for them, as well as the dinner at the Battery Park hotel, but the party repaired to the hotel for a short rest. They left at 11:30 o'clock for Atlanta.

The delegations from Murat temple, Indianapolis, and Moulsh temple, St. Louis, who arrived here Saturday, left for Atlanta Sunday morning after enjoying a delightful time here. The St. Louis Shriners arrived so late that the drive arranged for them over the Biltmore estate had to be abandoned, as well as a car ride, but they had dinner at Grove Park Inn and enjoyed the dance which followed.

The Buffalo Shriners, members of Ismailia temple, who were also visitors in the city Saturday afternoon, entertained local people while they were being entertained. They were accompanied by a brass band and drill corps. Luncheon was enjoyed at the Langren Hotel and dinner at Grove Park Inn. There was a drill on the lawn at Grove Park while the music of the band was enjoyed by hundreds all over the city.

MOUNTAINS OF IGNORANCE.

Present School Methods, Says a Scientist, Will Never Level Them.

There is not money enough in the entire world to make impression against the astonishing mountains of ignorance. In this great United States of America one in 10,000 perhaps have never heard that the universe is run by laws and does not know that there are laws of nature. Entire millions are born, pass through a lifetime in this otherwise beautiful world and die without really having seen anything. Their eyes see objects, motions and natural operations, but their minds are completely blank, so far as knowing of what they are viewing. "Education"—it is painful to manure white paper with this word. The present appalling system of forcing children to study branches against which nature has decreed, thus permanently injuring their minds, natures and personalities, ought to be punished by some newly enacted law. They put a number of totally unlike children in the same class and expect unlike beings to learn like subjects and all in the same time to be able to withstand the present brain curdling methods of "examination."

If all nations on earth should suddenly stop war and the manufacture of alcohol and use every dollar in the attempt to educate each child separately some faint impression could be made against the enormous ranges of mountains of ignorance. Each child hereafter born could perhaps have at least one law of nature repeated within hearing. And each child born to mathematics could have instruction in mathematics by teachers knowing something of the mentality of the student. A fine watch would not be taken to a blacksmith; a costly dynamo would not be for an instant placed in charge of one not knowing the laws ruling the machine. Yet far more delicate mechanisms, the minds of children, are placed under domination of teachers not knowing child nature.—Edgar Lucien Larkin in New York American.

There Was a Difference.

When Dr. Randall Davidson, archbishop of Canterbury, was a curate, one day at Dartford he took a Sunday school class in a neighboring parish. The subject was "King Solomon," and after the lesson he proceeded to catechise the children.

"Tell me, boys," he said, "what was the difference between Solomon and other men?" No answer. "Come, come!" said the future archbishop. "Was there any difference, for instance, between King Solomon and myself?"

A tiny hand went up, and a tiny voice replied, "Please, sir, Solomon was wise!"—London M. A. P.

Tempering the Wind.

Fallon (who has bought a small farm)—Tell me the truth, Mr. Caruso, is the soil rich or poor? Expert Gardener—Well, sir, I should say it was rich, but it's now in raydooced circumstances.—Puck.

The Saving of Money by the use of Royal Baking Powder is considerable

Royal is economical, because it possesses more leavening power and goes further. Royal saves also, because it always makes fine, light, sweet food, all digestible; never wastes good flour, butter and eggs.

More important still is the saving in health. Royal Baking Powder adds anti-dyspeptic qualities to the food.

There is no baking powder so economical in practical use, no matter how little others may cost, as the Royal

Royal Baking Powder is Used Exclusively in The Gazette-News' Cooking School

SUCCESS IS ASSURED FOR COOKING SCHOOL

Displays Will be Excellent; Instruction of Highest Class—Deep Interest Shown.

The cooking school which will open at the Y. M. C. A. tomorrow under the auspices of The Gazette-News, for which Mrs. Florence Austin Chase has been secured as demonstrator and lecturer on domestic science and economy, promises to be the most successful ever conducted in Asheville. The ladies of the city are displaying great interest in the school and a big attendance is assured for the first class at 2:30 o'clock tomorrow afternoon.

MOUNTAINEER LEFT FIELDER IS RELEASED

Sauer, Who Has Been Playing in Left Garden, Dropped From Line-up.

Bernie Sauer, who has been with the Mountaineers since the present season opened, holding down left field in the outer garden was released yesterday by Manager Louis Cook. The reason for the release is not given out and the news of it will doubtless come as a surprise to many of the fans who have attended the games at Oates park. He showed up well in fielding but was short on his batting. His admirers were of the opinion, however, that he had the material in him for the making of a good player. T. M. Duckett, secretary of the club, stated today that no other player has been signed to replace Sauer and the line-up today will doubtless be considerably changed.

MORE EARTH SHOCKS REGISTERED AT CATANIA

Catania, Sicily, May 12.—Several slight earthquakes—shocks were registered yesterday but no further damage was reported.

Many peasants afflicted by the recent catastrophes are migrating from the district. Other refuse to move from the scene until they learn the fate of missing relatives. Official returns of the dead give the number as about 150 but it is believed many more are still buried in the debris. The injured total many hundreds.

REPORT EXPECTED ON VANDERBILT UNIVERSITY

Methodists Face Week of Activity—New Propositions Presented.

Oklahoma City, May 12.—A week of activity faced the members of the general conference of the Methodist Episcopal church, South, when they met for the first session of their second week yesterday. Bishop Hoss took the gavel as presiding officer of the day. The call for memorials and petitions brought forth a number of new propositions but the majority related to matters already placed before the conference body and referred to committee. A preliminary report from the special committee, on Vanderbilt university matter was expected. Urges New Institution. Rev. H. M. DuBose of Atlanta, presented to the conference a redraft of the memorial from the north Georgia conference, asking that the body in view of the seeming severance of all connection with Vanderbilt under the decision of the Tennessee Supreme court, take steps to establish a new theological school. The memorial made no reference as to location.

JURY IN LIEUT. BECKER CASE AGAIN COMPLETED

District Attorney Whitman Makes No Mention of New Evidence.

New York, May 12.—A jury to Charles Becker, former lieutenant police, charged with instigating the murder of Herman Rosenthal, gambler, was completed yesterday. Frederick A. Strock, a bookkeeper and Frederick C. Barrett, a consulting engineer, were chosen to take the places of men excused Saturday. District Attorney Whitman in his opening address made no mention of the execution of the death sentence on the four gunmen and in no way suggested that the prosecution had any new evidence to present. It is understood that whatever new evidence the state introduces will be held as a surprise. His speech was chiefly a review of the events leading up to and following the murder.

Defender Launched.

Bath, Me., May 12.—The tri-cup defender Defiance was launched in the Kennebec yesterday amid the booming of guns, shrieking of whistles and the cheers of 5000 people.
