Reports of committees. Slection of officers.

One new feature inaugurated at this nnual meeting of the association is

the award of trophles as follows:

1. An award will be made to the which sends the largest number of delegates to the Durham convention, the award to be based on the following ratio of number attending to distance traveled, the distance to be reckoned by railroad mileage from the county seat of the county from which the delegates come.

2. An award will be made to the county making the best exhibit by means of photographs, maps, and drawings illustrating the road system and condition of the roads in the county. If the county has no good roads it has just as much chance to obtain the award by illustrating the bad condition of their roads, which vention, which is to be held July 9 and will emphasize their need of good

3. Award will be made to the county which has the largest number of paid-up members in the North Carolina Good Roads association, whether these members are in attendance or

Headquarters of the convention will be the Hotel Malbourne and the meetings will be held in the court house. Exhibits of pictures, maps, etc., can be put up in the court house.

### APPROPRIATION BILL CAUSES ARGUMENT

Washington, June 30 .- Diplomatic appropriations in the appropriation bill caused some argument yesterday. Forty thousand for a legation at Berne; \$75,000 for American participation in the conference of the Amer ican states at Santiago and \$40,000 each for American participation in the International congress against al-coholism and the Inter-Parliamentary union were agreed upon.
