**BILTMORE EXPRESS
OFFICE IS ROBBED**

Office Entered Last Night by
Four Negroes—Two Are
Captured.

The Biltmore office of the Southern Express company was robbed yesterday morning at 12:30 o'clock by four negroes, one Ed Williams being caught in the office during the robbery by Officer R. L. Sharp of Biltmore and another, Buddie DeRumples, was later caught. The other two made good their escape. The two negroes captured were taken to the Buncombe county jail where they are held under charges of house-breaking and larceny, their bonds being fixed at \$200 each.

Owing to the fact that the Biltmore office has been broken into several times during the last month, Officer Sharp has been keeping a watchout for other people who might be tempted to enter the office at night.

The negroes forced their way into the office through a window and were in the act of taking out several packages of whiskey, in fact did get out with one, when the officer came in on them, capturing Williams. Although he fired at the others five times they got away. The package that the negroes stole was later found down the tracks from the office. Special efforts will be made to capture the other negroes who were in the party.

**"BIG" JIM GUDGER WAS
A VISITOR SUNDAY**

"Big" Jim Gudger, Candler's contribution to the baseball world, who is now on the twirling staff of Mobile of the Southern league, was a visitor to Asheville Saturday and was greeted by his many friends here.

"Big" Jim first broke into professional baseball as a member of the old Southeastern league but it was believed at that time that he was not fast enough for the local team and was released, which of course was a mistake, but it was not realized until too late. He left here and played with another team of the league and then went to the Cotton States, where he worked last year. Mobile bought him at the end of the season and he has been going good all the year.

**GRANDMA USED SAGE
TEA TO DARKEN HAIR**

She Mixed Sulphur With it to Restore Color, Gloss, Thickness.

Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and lustrant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Hair Remedy," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and lustrant. **THE CHAUTAUQUA
AROUSSES INTEREST**

Announcement That Many Notables Will Be Here Adds Greatly to Interest.

With the positive announcement that Secretary of State William J. Bryan; Mrs. Pickett, widow of General Pickett; Fred. Ick Warde, the famous actor and Shakespearean tragedian; and Hon. William Sulzer, ex-governor of New York, will appear upon the chautauqua platform in this city during the week beginning July 10, much interest has been shown by the Asheville public in the program which makes up the chautauqua.

The appearance of Hon. William J. Bryan on Saturday night at the Auditorium, when he will deliver his world-famed production, "The Prince of Peace," will of itself attract attention throughout western North Carolina. Mr. Bryan has been heard to advantage in Asheville in his wonderful lecture, "The Making of a Man." "The Prince of Peace" has been revised and with each succeeding year vast and varied changes have featured it. The route situation in Mexico has given rise to new ideas, and the production is now declared to be one of the most instructive, elevating and entertaining lectures given on any platform. The program for Saturday night not only carries the famous lecture of William J. Bryan, but the Hawkeye Glee club, a vocal quartet which will add to the entertainment.
