MOUNTAINEERS ON LOSING SIDE AGAIN

Drop Fairly Good Contest to The Twins—Watson Had Bad Inning.

Special to The Gazette-News. Winston-Salem, August 6.—Winston noed out a hard fought and close victory here yesterday afternoon, when Harry Watson pitching for the Mountaineers had one bad inning, the fourth, during which the Twins made two runs, their only ones and won the game by the score of 2 to 1.

Watson and Kaufman battled out one of the prettiest games of the season, Watson only allowing six well scattered hits and Kaufman held the Mountaineers to three hits until the ninth inning when the visitors landed on him for three more, but were only able to get one score out of the number. The Mountaineers backed Watson with errorless support and the fielding of the Asheville players, especially Corbett and Howard was the best ever. Corbett accepted several of the hardest chances seen on the local lot this season and got away with them in good style.

In the fourth with two out Hickman secured a single to left, Gates walked and Chapman drove out a scratch hit to right. Mace hit the ball for a clean drive to center and Hickman and Gates came home. Kaufman, Stuart and Hickman then struck out and ended the scoring. Winston was not able to score any more during the game although they fought hard when a runner was on the base, but the superb fielding of the visitors kept down the chances to score.

Asheville's only run came in the ninth when a batting rally was started. Rickard, Clapp and Corbett each secured singles and the bases were full with none out. Bumb drove out a hot liner to center which Chapman could not get in time to throw out Rickard who came home. While things looked bright for the Mountaineers, the next two batters, "Doc" Watson and Fry, two of Asheville's best hitters fanned and the game was over.

Table with columns: Player, AB, R, H, PO, A, E. Rows include Asheville and Winston-Salem players like Rickard, Clapp, Corbett, Bumb, A. Watson, Fry, Overholser, Howard, H. Watson, Roberts, Rollins, Schradler, Stuart, Hickman, Gates, Chapman, Mace, Kaufman.

Passed ball Fry. Left on bases, Asheville 6; Winston-Salem 6. First base on errors, Asheville 1. Time 1:15. Umpire Corcoran. Attendance 1,050.

Durham, 2-8; Raleigh, 1-1. Special to The Gazette-News. Raleigh, August 6.—Raleigh exper-

lenced a bit of the "rough stuff" that has been pulled off in other cities of the Carolina league here yesterday afternoon, when in the second game of the double bill, which was won by Durham, the first by 2 to 1 and the second by 8 to 1, "Wild Bill" Morrisette got angry at Umpire VanBuskirk and was put out of the park by two policemen.

It was in the second game that the trouble started, when "Wild Bill" went in to relieve "Chief" Myers who was being freely batted by the Bulls. During the fourth inning with all the bases full and only one man out Myers was yanked and "Wild Bill" sent in. "Little" Kelly made a slide home on an infield grounder and was called out, when "Wild Bill" started an argument because VanBuskirk had not called the player out at first base. The argument grew so heated that Morrisette threw the ball at the umpire's head and he in turn fined "Wild Bill" \$10 and ordered him out of the park; which order the twirler failed to comply with. Two policemen were called to take Morrisette out but the fans blocked the gate and would not allow the policemen to come through. Dragging Morrisette with them the officers started across the diamond when one of the fans interfered and received a bad scalp wound when the officer struck him with his stick. The officers had to fight their way through the large crowd with difficulty. The affair was one of the most disgraceful ever witnessed on the local lot and will give baseball a bad name in this city for a long time to come.

The games were two of the best played here and McManus did the "Iron Man" stunt for Durham again, pitching and winning both games. He and Myers worked the first and although the Mackmen secured 10 hits off McManus they were unable to hit hits to their credit the Bulls could only make two runs.

In the second game McManus allowed but four well-scattered hits, while the four pitchers used by Mack gave up a total of seven. Myers started the second game but was relieved in the fourth frame after he had allowed three hits and three runs and had the bases full with none out. "Wild Bill," who relieved him, gave up two hits during the two-thirds of an inning that he worked and then Thompson was sent to the mound but was at once taken out and Gingras finished the game, giving up three hits in three innings.

Charlotte, 8; Greensboro, 2. Special to The Gazette-News. Greensboro, Aug. 6.—With a total of 15 hits the Hornets played rings around the Patriots here yesterday afternoon and won a slow and listless game by 8 to 2. Each team seemed to have on the batting togs for Greensboro landed on Fesperman, Charlotte's twirler for nine hits, three of which were tow baggers, but they were unable to get the hits when scores were to be made. On the other hand the Hornets always hit yesterday for hits when the bases were full and hit meant a run. "Gunboat" Bill Smith opened for the locals, but he was relieved in the beginning of the ninth after having given up twelve hit sand Pets (Horse-shoe) Boyle went in to relieve him. Manager Boyle gave up three hits during the two-thirds of an inning that he worked on the mound.

The game was without features and was slow at all times. No life seemed to have been injected into the game and the players worked mechanical-ly.

Table with columns: Player, AB, R, H, PO, A, E. Rows include Asheville and Greensboro players like Charlotte, McCall, Newton, Hartle, Wofford, Welser, Owens, Emery, Hicks, Fesperman.

Rather incongruous. Dyer—Why did they send Higbee to the peace congress? Ryer—He's such a good fighter!—Town Topics.

Asheville played ball good enough to win any kind of a game yesterday but the Twins played just a little better and of course won the game. (Continued on Page Four.)
