GIANTS AND WHITE SOX IN ACTION IN EGYPT, MAJESTIC TOMORROW AND THURSDAY.

MADE APPEAL TO STATE DEPARTMENT

Special to The Gazette-News.

Greensboro, Aug. 11.—Application to the state department at Washington to get passage for Mrs. H. Sichtermann and son, from Berlin, Germany, has been made by Mr. Sichtermann and H. C. Bernau, in whose jewelry establishment here the former is located. No message has been received from her since a letter that was written a day or two before war was declared when she evidently had no idea of the impending conflict.

Mrs. Sichtermann and baby went to Germany last spring to spend the summer at their former home in Berlin, and were expected back in a few weeks. It is presumed that the state department has already taken the matter up with the proper authorities.

Another party that was formed at Greensboro has not yet been heard from. In it are Miss Maud Boren, daughter of C. P. Boren, of Pomona; Miss Porter, who was art teacher at Greensboro college; Miss Griffin, of Greensboro; and Miss Mildred Cunningham, of Madison. They with others sailed from Boston July 9 for Naples, Italy, and intended touring the continent. It is not known whether the war caught them in Italy or further north in Europe as no message has been received from them.

Mrs. Sterling Jones and daughter, Miss Marion, were in Paris when the conflict broke and it is not known if they got out in time.

Miss Annie Fry and party were in Munich, Germany.

It is thought Mrs. E. F. Dalton will be one of the passengers on the first ship that sails from Leeds, England, the last message announcing from London that she was there.

Miss May Gordon Latham is waiting in London for passage to America, she wiring from that place that she was safe.

No message has been received from David Wise, the German who left Greensboro a short time before war was declared. His friends fear he arrived just in time to be pressed into service. It is feared he will be required to serve even though he be a naturalized American, if he is considered an able-bodied man.

The parents of Schwartz, the baseball player, are in Germany. He has received no message from them.

Murder at New Bern.

New Bern, Aug. 11.—F. W. Sarlandis, whose home is three miles from New Bern, was found brutally murdered near the New Bern Ghent street Railway company's barn. Alex Curtis, white, is now in the county jail charged with being one of the slayers of the dead man, and the police are searching for Clyde Cannady, who is believed to have been connected with the affair.

The dead body was discovered by Artemus Jones, one of the motormen for the railway company, and at that time Sarlandis was alive but did not speak after being found. Jones notified the authorities and they were soon on the scene. It was at first thought that the victim had met death by being thrown from his buggy. However, a negro man was found who claimed that he saw Sarlandis and three other men quarrelling near the scene of the murder and gave to the police names of Curtis Cannady and Sid Gaultier. Search was made for Curtis and he was found at James City by Police-man Ipeck and brought to New Bern and placed in jail. Gaultier was also found and examined but was not taken into custody. Cannady up to the present time has not been located.
