BARN FOREMAN IS BADLY HURT

Dell Ross Victim of Peculiar Accident at the Car Barns.

Dell Ross, barn foreman at the Asheville Fire department suffered a very painful and serious injury yesterday when one of the rear wheels of the big red motor truck ran over his left foot, crushing the arch of the foot, dislocating the ankle and breaking a large number of the bones of the foot. He was at once given medical aid and will be examined by an x-ray in order to determine just how serious the injury is. He suffered great pain from the injured foot.

The red motor truck was leaving the barn yesterday and Foreman Ross made a swing to catch it as it passed through the door and it is believed that his right foot, which was placed on the running board of the truck, slipped and caused his left foot to go under the rear wheel of the big truck. The truck was instantly stopped and Mr. Ross taken to the second floor of the department where medical aid was given him by a physician.

Foreman Ross is one of the most popular men at the department and has been connected with the Asheville Fire department for many years. He was the man selected by the board of aldermen to make the trip to Columbus, Ohio, to study the motor trucks

LESS MEAT

Advice of Family Physician.

Formerly people thought meat necessary for strength and muscular vigor.

The man who worked hard was supposed to require meat two or three times a day. Science has found out differently.

It is now a common thing for the family physician to order less meat, as in the following letter from a N. Y. man:

"I had suffered for years with dyspepsia and nervousness. My physician advised me to eat less meat and greasy foods generally. I tried several things to take the place of my usual breakfast of chops, fried potatoes, etc., but got no relief until I tried Grape-Nuts food.

"After using Grape-Nuts for the cereal part of my meals for two years, I am now a well man. Grape-Nuts benefited my health far more than the medicine I had taken before.

"My wife and children are healthier than they had been for years, and we are a very happy family, largely due to Grape-Nuts.

"We have been so much benefited by Grape-Nuts that it would be ungrateful not to acknowledge it."

Name given by Postum Co., Battle Creek, Mich. Read "The Road to Wellville," in pkgs. "There's a Reason."

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

PAUL GILMORE COMES TO THE MAJESTIC NEXT WEEK

Supported by Strong Company Romantic Actor Opens Week With 'The Wolf.'

Paul Gilmore and his strong company of romantic actors will be the attraction all next week at the Majestic theater. It was announced this morning. Matinees are to be given daily, commencing Monday afternoon, with the regular performance at night, at 8 o'clock, and record-breaking business should be done. Every effort will be made to make the matinees a feature, special attention being paid to the comfort of women and children patrons.

Paul Gilmore needs no introduction to local theater-goers. He always makes a big hit here and is expected next week to receive the enthusiastic Asheville reception that has heretofore greeted him. The great New York Lyric theater success, "The Wolf," will be the 10th matinee and nights, Monday and Tuesday. This is a show that held New York and Chicago spellbound for a solid year. It is a great play of the north-west, the scenes and the atmosphere depicting the simple life of the Canadian woods. It is a stirring love tale with many thrilling situations, such as Mr. Gilmore always covers so admirably. There will be a change in bill at the Wednesday matinee.

Local confederate veterans have been advised from Raleigh that Capt. J. C. Payne of Wilkesbarre, Pa., has written the secretary of state for cooperation in seeking out the identity of the member of the Fifth North Carolina regiment, Confederate army, who lost a fine rapier on the battlefield at Williamsburg. The weapon has been sent to the secretary of state and will be placed in the hall of history at Raleigh pending a 3rd development as to the owner, if living, or of his people if he is dead. ANOTHER DAMAGE SUIT WEDNESDAY

Bill Filed Yesterday Afternoon in Superior Court Asks For \$5000.

Asking damages in the sum of \$5,000, the Mountain Retreat association Wednesday afternoon filed a complaint in Superior court against Dickey-Campbell and Parley-Crockett company, claiming that through negligence, carelessness and wrongful acts of the defendants, their agents and employes, fires have been started in the mountains near Ridgecrest which caused great damage to the timber there.

The complaint states that the defendants operate a railroad from Black Mountain to Ridgecrest and owing to the steep grades a great amount of fuel is necessary to operate the engines and sparks from the engines have set fire to the timber along the tracks and burned a great stretch of the country. It is claimed that the company, or its agents have allowed the right of way to become foul and filled with combustible and inflammable material that is easily set on fire by the engines. Judge J. D. Murphy and G. A. Thomason are attorneys for the plaintiff.

CLAIM IS BROUGHT IN SUPERIOR COURT

The Fruit Dispatch company today filed a suit in Superior court against McConnell Bros., in which they seek to collect \$257.85 with interest from January 1 last, for an alleged contract that the defendants have refused to pay.

It is set forth in the complaint that the plaintiff agreed and delivered F. O. b. Charleston a car load of bananas for the defendants and that payment has been demanded but refused.

MORGANTON WINS AGAIN.

Amateur Team Badly Defeats Greenville League. Special to The Gazette-News.

Morganton, Aug. 21.—Morganton ran away with the so-called strong league team from Greenville, S. C., in the second and last game yesterday afternoon and took the game, 15 to 4. The southpaw, Piyler, reputed to be the best in the Piedmont league, was hit to all parts of the field. In the sixth inning with three men on bases Winston parked the ball and piled up four runs with one sweep and again in the eighth, with one man on base, he did the same thing.

Evans, for the locals, pitched a fine game and held the visitors to eight scattered hits.

Score: R. H. E.
Morganton . . . 020 155 91x—15 9 3
Greenville . . . 010 89 12x—4 8 7
Evans and Winston; Piyler and McDonald. Struck out by Evans, 4; Piyler, 4. Umpire, Gerard.

Ball at Morganton. Morganton, Aug. 21.—The Morgan-

ton team having defeated every team in western North Carolina, are taking on big games this week and Morganton will have the best ball ever witnessed here. During the last of the week and Saturday Anderson, S. C., is playing.

This team is from the Piedmont League and great games are expected, and while Morganton's team is strictly amateur, still the whole team's playing will compare favorably with league playing, and every man on the team has been offered a berth in the leagues.

In addition a well known league umpire, Mr. Gerard, has been engaged to call the games.

In the race for the western championship the Asheville Y. M. C. A. was Morganton's strongest opponent and took one game and tied one, Morganton winning three out of the five.

SAIL ON.

The logbook of Columbus is said to have borne repeatedly the entry, "This day we sailed on." That is all. Behind lay defeat; ahead lay hope; aboard ship seethed distrust. In the face of fear and suspicion and tradition Columbus sailed on. The lesson is one for life.

CONFERENCE HELD BY DISTRICT PROGRESSIVES

Joint Meeting With Roosevelt Republicans—Cowles Nominated for Senate.

Special to The Gazette-News.

Greensboro, Aug. 21.—Roosevelt republicans and progressives have held a meeting and nominated ex-Congressman Chas. H. Cowles, of Wilkesboro, for the United States senate. Resolutions were adopted favoring Roosevelt and his policies, denouncing the present Democratic tariff and declaring for a system of protection. The conference declared also for a state-wide primary in adopting the call for the meeting. Following the opening speech by Zeb Vance Walser, of Lexington, the conference went into executive session and the newspaper men withdrew. It was stated afterwards that nothing transpired that was necessarily of a secret nature.

There was reported to have been

opposition to the nomination of Mr. Cowles for the senate for the reason that he was a Roosevelt Republican. Some are said to have remained seated when a call for a vote on him was made. While the opposition was not to Mr. Cowles personally it developed because it was felt a straight out Progressive would stand a better show before the voters.

The conference was called to order by Z. V. Walser, chairman of the Progressives. An outburst of applause greeted his statement that Roosevelt was cheated out of the nomination at Chicago in 1912 but would go in office in 1916 by the biggest majority ever given to any man. He deplored the manner in which Progressives had been shot out of Republican conventions.

Speeches were made during the meeting by Martin Douglas, of Greensboro; Leonard Vyne, of Wilkesboro; James N. Williamson, Jr., of Burlington; J. W. Kulfeges, of Gaston; and C. W. Cowles.

The resolutions offered were as follows:

"Resolved, That we heartily indorse Col. Theodore Roosevelt and his policies.

"Resolved, That we denounce the present Democratic tariff and declare for a system of protection, under which the country prospered for many years."
