TRIALS OF LIFE.

The difficulties, trials and temptations of every kind in this mortal life really drive us up into the higher elements of our nature, practice us in them, make us veterans as distinguished from militia untried in the field, old men of wisdom and experience as compared with young men just coming into the trial of life.

ASHEVILLE MAY SEE NORFOLK BALL TOSSERS

Movement Is on Foot to Bring Virginia Pennant Winners Here.

Efforts will be made to have the Norfolk team of the Virginia league stop over in Asheville for a series of games. This team recently won the pennant in the Virginia league and will go to Knoxville next week for a series of games with Appalachian league stars, under the management of Frank Moffett, the baseball magnate who is well known in Asheville. Certain local baseball fans are behind the movement to bring the Virginia Tars here to play a picked team.

With reference to the Norfolk aggregation of ball tossers the Knoxville Sentinel said yesterday:

"Norfolk won the rag during the first half of the season, and Monday that team stood at the top of the column with forty-three victories and twenty-five losses for a percentage of .832. The Norfolk team will finish this week on its home diamond, and Richmond scribes say there is little chance for the Richmond team to beat the Tars to the wire. Richmond is trailing in second place at this time and about ninety points behind the Norfolk clan.

"When the Norfolk team comes to town it will bring along with it a large number of familiar faces, in that no fewer than four former Appalachian league players are performing for that bunch this season. They are Cleveland and Alexander, of Johnson City; Thrasher, of Cleveland; Markle, of Morristown. Markle has been pitching sensational ball in the Virginia league circuit this year, and Cleveland has staged a very classy game at third. While Alexander has not been doing anything spectacular, yet he has been there with the timely wallops, while Thrasher's hitting has also been a feature. Markle pitched great ball for Morristown last year, and Cleveland was considered one of the best third-sackers in the Appalachian league during 1912 and 1913. Thrasher always could hit the ball hard, while Alexander is a slow, but sure, player.

"In Cochran and Humphries Norfolk has two other twisters who can pitch shutout ball, and two men who will make any aggregation of ball players go some to win out. Stewart is rated one of the best backstops in the Virginia league, while McMahon, at short, has a reputation for last work.

That the Norfolk team should draw well here is a foregone conclusion, and it is a cinch that Chilhowee park will next week take on the appearance of a real baseball community, the weather-man permitting."

"SUFFRAGISTS" PLAN TO "PAINT THE TOWN RED"

Pepsi-Cola Company Will Have 2000 Foot Sign on Druhmor Building.

Claiming to be "suffragists" two artists arrived in Asheville this morning and tomorrow will proceed to "paint the town," or at least a part of it.

These painters have a contract with the Pepsi-Cola company to execute a sign which will cover 2000 square feet of wall space on the west side of the Druhmor Building and it is expected that a large crowd will watch them at work Thursday.

High up in the air, on a suspended scaffold these painters cut up all kinds of antics to the amusement of the crowds below. They are dressed as women, with bonnets and have always made a big hit. While at work tomorrow they will be in full view of Patton Avenue west of the postoffice.

HEIR TO ESTATE IS BOUND TO COURT

On a warrant sworn out by W. R. Whitson, administrator of the estate of the late W. W. Goldsmith, Mercedes Miller, one of the heirs of the estate, was tried before Magistrate B. L. Lyda yesterday, and probable cause being found, was bound to Superior court under a bond of \$100. She was charged with obtaining money under false pretense, it being charged that she sold a cow and several articles of furniture which belonged to the estate. She claimed that she sold the articles but thought that under the terms of the will they belonged to her.

Have prove their worth in Asheville. This is one Asheville woman's testimony.

Mrs. H. M. DeBruhl, 179 Ashland Ave., Asheville, N. C., says: "At one time I was weak and nervous and the action of my kidneys was irregular. My back pained me and I did not sleep well, feeling all tired out in the morning. Seeing Doan's Kidney pills advertised, I got a supply at Smith's Drug Store and they acted as a tonic to my entire system. After using them, I felt better in every way."

HORSE FLESH CLIMBS BECAUSE OF THE WAR

Local Dealers Advised of Advance in Prices of Horses and Mules.

Asheville dealers in horse and mules state that several of the larger western firms are now buying up horses in great quantities to have them ready to be exported to European countries in response to a message received by them that horses are going to be bought up in this country to be used in the war that is now waging in Europe. This, so Asheville dealers in horse flesh say will necessarily make the prices of horses and mules in the United States leap to a much higher figure than they are at present. One dealer in live stock in Missouri has recently bought up 1,000 head of horses and is holding them in readiness to be exported to Europe. There has been no advance in horse and mule prices in Asheville, so it is understood.
