Tells of Delightful Trip.

John B. Sumner of Asheville who was among the North Carolinians returning from Europe on board the steamer San Giovanni has arrived at his home and is most interesting in his experiences. In an interview yesterday Mr. Sumner said that his party, which was conducted by the Temple agency of Boston, left New York on board the German liner Graf Waldersee the first of June and landed some ten days later at Hamburg. Following a stay in Hamburg the party visited the following important European centers: Berlin, Dresden, Vienna, Budapest, Bucharest and Constantinople. Leaving Europe the party proceeded to Damascus and took an interesting and delightful trip through the Holy Land visiting the Sea of Galilee, Jerusalem, Capernaum, Nazareth and the River Jordan. After leaving the Holy Land Mr. Sumner in company with the others included in this Temple tour spent some time in Egypt where they enjoyed many interesting things among these being a twelve mile trip which they made into the desert on the backs of camels. They visited the Sphinx and the Pyramids and enjoyed a stay in Cairo. In the party returning on board the steamer San Giovanni those hailing from North Carolina included: Mrs. E. Johnston, Miss Jane C. Sullivan, Miss Helen Sumner and Mrs. James P. Moore of Salisbury, Miss Cunningham of Greensboro, Miss Hattie Griffin formerly of Salisbury and now of Richmond and John B. Sumner of Asheville.

Briggs, Miss Daisy Denson is a delegate as chapter president, and Miss Martha Hayward as leader of the Children's chapter, Manly's Battery. Mrs. Leo D. Heardt is chairman of committee on arrangements for the convention. Mrs. James O. Litchford, chairman of the hospitality committee.

Meeting of the Suffragists.

The address on woman's rights to be made this evening at 8:30 o'clock by Miss Hannah J. Price of Tennessee at the court house gives promise of much that is interesting and successful. Possibly the greatest impetus which could have been given the enthusiastic suffragists in their planning for this occasion was the public declaration for equal suffrage made yesterday afternoon by Judge E. B. Cline, the well known jurist who is presiding at the present term of Superior court being held in Asheville. At a gathering of the local officers and others held yesterday afternoon for the purpose of perfecting plans for the event of this evening when Miss Price will address the citizens of this city in the cause of the enfranchisement of women. Judge Cline declared for suffrage saying that he is entirely in favor of the issue and it was immediately proposed that the able assistance of so important an ally be secured for future events on the campaign calendar chief among these such time as Judge Walter Clark, chief justice of North Carolina shall come to the city in the interests of the movement. The suffragists say they feel particularly gratified in the enlisting of Judge Cline in the cause especially in view of his enviable position in the state's judicial circles where he is known for his very marked judicial temperament, ability and attainments. The gathering of this evening will be somewhat in the nature of the gathering of a class as Miss Price is the niece of the late Senator Zebulon Baird Vance, the widely respected and much beloved war governor of North Carolina. Other well known and eminent suffragists will also speak.

TIGHTENS HER SKIN—LOSES HER WRINKLES.

"I want to tell you how easily I got rid of my wrinkles," writes Luella Marsh. "While in London a friend, much envied because of her youthful looks, gave me a formula for a homemade preparation which has the effect of instantly tightening the skin, thus smoothing out wrinkles and furrows. The principal ingredient is powdered saxolite, which can be had at drug stores here. An ounce of saxolite is dissolved in a half pint witch hazel. After bathing my face in this but once the transformation was so marvelous I looked years younger. Even the deep crow's feet were affected, and the annoying creases about my neck. It seems difficult to believe anything could produce such results. Several to whom I recommended the recipe have been similarly helped, one an elderly lady whose cheeks had become quite baggy."—Social Mirror.

HIGHWAY TO ATLANTA IS CREATING INTEREST

D. Tucker Brown Is in This Section on Speaking Tour.

D. Tucker Brown of Chapel Hill, representing the state geological department at Raleigh went from Asheville to Waynesville yesterday and delivered an address on the Asheville to Atlanta public highway. He is scheduled to make several addresses in Western North Carolina on the subject this week. With reference to the Asheville-Atlanta highway The Andrews Sun says:

But little remains to be done in Cherokee except at the head of Junaluska creek next to the Macon county line, and a short distance between Murphy and the Georgia line. Down in Georgia a large number of state convicts are at work connecting up their link via Blue Ridge.

The most difficult part of the work is in Macon county, from the Franklin township line across the Nantahala valley via Aquone to the Cherokee line. This section is thinly populated and there is not much hope of a local bond issue. The United States owns about 50,000 acres of forest reserve in this section, and it is intended to secure the co-operation of Senator Overman in an effort to get the government to build this link, and it is believed that this can be done.

Franklin Township in Macon county is spending \$75,000 in relocating, grading and macadamizing its roads, and this will complete a very important link in this line. Sylva and Dillsboro townships in Jackson county are also building some fine roads along the proposed route.

The importance of this movement to Andrews can hardly be estimated. When this road is fit for service we may expect to see automobiles on our streets from New York, Massachusetts, Florida and Alabama, and intervening sections as is now the case in the sections around Asheville.

This will bring men of wealth and influence here from all over the country and is bound to result in a number of them purchasing homes here, and helping us to develop our wonderfully rich country.

The Tryon grape is now established in the market and future demands will be greater. It is expected next season to ship solid car loads.

A great apple crop is now being gathered. Orders are coming to the big orchardists from all parts of the United States. Saluda boasts of one of the finest apple orchards in the country. Overbrook, owned by H. P. Corwith. He has orders on his books from all parts of the country and shipping is now on. Polk county should take every advantage of its wonderful facilities for growing fruit, now that its reputation for fine fruit is well advertised. The Green River Cove section produces excellent fruit and vegetables. Col. Eli Bradley has marketed some very fine peaches this

REAL GOOD COMEDY AT THE MAJESTIC THEATRE

"The Bogus Bishop" Makes Real Hit at Opening of the New Week.

The Southern Beauty Musical Comedy company opened at the Majestic Theatre yesterday to large audiences with their musical farce comedy called, "The Bogus Bishop."

"The Bogus Bishop" is not one of those "slap-stick" shows, but is a small but legitimate farce comedy with musical numbers. It is one of the few musical comedies that have presented a play with a plot. The tabloid affords good opportunity for several song numbers to be introduced.

The Southern Beauty company carries a chorus of pretty girls who can really sing and dance and the several musical numbers that are introduced throughout the play were well received yesterday and last night. Among those deserving special mention is Forest Nelson, who sings, "When the Sands of the Desert Grow Cold." The quartette of mixed voices was received very favorably and likewise was Hazel Mae Young who lead several catchy songs. On a whole the "Southern Beauties" have one of the best musical tabloids seen at the local play-house this season. "The Bogus Bishop" will remain at the Majestic today and tomorrow, Thursday, Friday and Saturday a new bill will be played called "A Mistaken Identity."
